MEMORANDUM FOR CPT (CH) Joseph Lawhorn, 5th Ranger Training Battalion,
Airborne and Ranger Training Brigade, Fort Benning, Georgia 31905

SUBJECT: Letter of Concern Filing Determination

1. I have carefully considered all the matters you submitted. I have decided to file the enclosed Letter of Concern in your local file.
2. Your rebuttal matters did not disprove nor dissuade me that your actions made it impossible for those in attendance to receive the necessary resource information without also receiving the biblical information.
3. I consider this a professional development matter. It is an administrative action and is not punishment. As evidenced by the enclosed letters of support, you are an outstanding chaplain. You are a valued member of the command. I expect you to continue to do the good work you have always done in support of our Soldiers and their Families.
4. I am placing this Letter of Concern in your local file with all enclosures. It will remain in this file for one year or until you are reassigned outside the Airborne and Ranger Training Brigade, whichever is sooner.

A handwritten signature in cursive script, reading "David G. Fivecoat", is positioned above the typed name.
