**Summary.** This regulation governs eligibility criteria, policies, and procedures for enlistment and processing of persons into the Regular Army, the United States Army Reserve, and Army National Guard for enlistment on or after the effective date of this regulation. It also prescribes the appointment, reassignment, management, and mobilization of Reserve Officers' Training Corps cadets under the Simultaneous Membership Program.

**Applicability.** This regulation applies to the Regular Army, the United States Army Reserve, and the Army National Guard, unless otherwise stated; and Department of the Army civilians involved

Upon direction of the Secretary of the Army, certain requirements of this regulation will not be enforced during mobilization. The following will apply during mobilization: Medical standards prescribed in AR 40–501; the requirement for an Armed Forces Qualification Test (AFQT) percentile score of 10 or higher as prescribed section 20, Title 10, United States Code; and the moral requirements in AR 601–270.

**Proponent and exception authority.** The proponent of this regulation is the Deputy Chief of Staff, G–1. The Deputy Chief of Staff, G–1 has the authority to approve exceptions or waivers to this regulation that are consistent with controlling law and regulations. The Deputy Chief of Staff, G–1 may delegate this approval authority, in writing, to a division chief within the proponent agency or its direct reporting unit or field operating agency, in the grade of colonel or the civilian equivalent. Activities may request a waiver to this regulation by providing justification that includes a full analysis of the expected benefits and must include formal review by the activity's senior legal officer. All waiver requests will be endorsed by the commander or senior leader of the requesting activity and forwarded through

their higher headquarters to the policy proponent. Refer to AR 25–30 for specific guidance.

**Army management control process.** This regulation does not contain management control provisions.

**Supplementation.** Supplementation of this regulation and establishment of command and local forms are prohibited without prior approval from the Deputy Chief of Staff, G–1, ATTN: DAPE–MPA, 300 Army Pentagon, Washington DC 20310–0300.

### **1-5. U.S. Military Academy Preparatory School**

This regulation provides authority to enlist applicants into the AR to attend the U.S. Military Academy Preparatory School (USMAPS). On enlistment, the person incurs an 8-year military service obligation (MSO) under section 651, Title 10, United States Code (10 USC 651), and immediately enters on active duty for the duration of the school period. Failure to complete the course will result in discharge from service with no service obligation. Persons interested in attending USMAPS are advised to write the Commandant, U.S. Military Academy, West Point, NY 10996. Applicants must meet the eligibility requirements for attendance to USMAPS. Upon receipt of the approved applicant list, USMA Retention officials will prepare and complete the AR enlistment agreement using only two forms, DD Form 4/1 and DD Form 4/2, as directed by HQDA (DAPE-MPA-RP). The original DD Form 4 series for enlistees will be sent to Commander, HRC-St Louis, ATTN: CIS-PV, 1 Reserve Way, St. Louis, MO 63132-5200. A copy will

be provided to the Personnel Staff at USMAPS for administrative purposes. A copy will also be retained by the USMA Retention Office for their use.

#### **1-6. Secretarial authority**

*a. Establishment of qualifications for enlistment.* Except as specifically provided by law, establishment of qualifications for enlistment in the RA, USAR. And ARNG is the prerogative of the Secretary of the Army (SA).

*b. Denial of enlistment.* Except as delegated herein or by special Army directive, denial of enlistment will be at the discretion of the SA. Denial may be given either in an individual case or by an order applicable to all cases specified in that order. The SA may deny enlistment to any person who otherwise meets criteria in this regulation. However (for RA only), the SA may not deny the enlistment of the following:

- (1) A former enlisted member of the RA who—
  - (a) Has served continuously on active duty (AD) as a Reserve officer of the Army and was discharged as an RA enlisted member to immediately accept a temporary appointment as an officer of the Army;
  - (b) Is separated from AD as an Army of the United States (AUS) or Reserve commissioned officer or warrant officer while serving as a commissioned or warrant officer;
  - (c) Was terminated by an honorable discharge or by relief from AD for a purpose other than to await appellate review of a sentence that includes dismissal or dishonorable discharge; and
  - (d) Makes application for enlistment within 6 months after separation from active duty as a Reserve or AUS officer.
- (2) Any RA enlisted member who—
  - (a) Has been placed on the Temporary Disability Retired List (TDRL).
  - (b) Is later found to be physically fit under 10 USC 1211(a)(3).
  - (c) Reenlists within 90 days after removal from the TDRL.
- (3) ARNG applicants under 10 USC 312(a), provided they waive their exemption from militia duty.

#### **1-7. Penalties for violating this regulation**

*a.* Military personnel who violate or fail to comply with this regulation are subject to punishment under the Uniform Code of Military Justice (UCMJ), for violation of Article 92(1). Also, military members may be subject to punishment under the UCMJ for violation of Article 92(3) or Article 84. Particular attention should be given to UCMJ, Article 84, which states: “Any person subject to this chapter who effects an enlistment in or a separation from the armed forces of any person who is known to him to be ineligible for enlistment, or separation because it is prohibited by law, regulation, or order shall be punished as court-martial may direct.”

*b.* DA civilians who violate or fail to comply with this regulation are subject to disciplinary action under the proper Office of Personnel Management (OPM) regulation.

*c.* Commanders will consider initiating disciplinary action against military personnel and DA civilians when proper.

#### **1-8. Eligibility**

*a.* All persons who process applicants for enlistment in the RA, USAR, or ARNG will use the utmost care to procure qualified personnel. Eligibility of personnel will be based on their ability to meet all requirements, to include procurement of prescribed waivers. No applicant will be accepted for enlistment before approval of any required waiver. Processing will be immediately discontinued if an applicant for enlistment in the RA, USAR, or ARNG admits to a nonwaivable disqualifying condition. This will include, but is not limited to, an applicant who is determined to be drug dependent, admits to an open law violation or fine, or displays other nonwaivable medical, moral or administrative disqualification’s contained in paragraph 4–24. For the purpose of this paragraph, Military Entrance Processing Station (MEPS) processing includes medical examination, special tests, or enlistment.

*b.* Applicants for enlistment in the USAR or ARNG will not be accepted unless reasonable assurance exists that they will be available and able to take part satisfactorily with the unit concerned; they also will be available for immediate order to active duty in an emergency or partial or full mobilization. In this respect, careful thought will be given to the following:

- (1) Normal commuting time and distance of day-to-day job.
- (2) Possible conflicts with civilian occupation.
- (3) Past performance as an USAR or ARNG member.
- (4) Frequency of past relocations of residence.
- (5) Applicants with spouse and dependent children who apply for waiver of the dependency restriction must thoroughly understand that responsibility for dependent children in no way lessens their obligations for satisfactory participation in the USAR or ARNG and availability for mobilization.

#### **1-9. Enlistment in any U.S. Armed Force by Army Reserve or Army National Guard members**

*a.* Enlisted Soldiers of the USAR or ARNG who desire to enlist in the Reserve Component (RC) of another U.S. Armed Force will be governed by AR 140–10.

*b.* Enlisted Soldiers of troop program units (TPUs) of the USAR, ARNG, Individual Ready Reserve (IRR), Standby

Reserve, or ROTC, to include SMP, who desire to enlist in the AC to include DEP or MSO delayed status, may enlist under paragraph 5–23.

c. RC enlisted Soldiers of the USAR and the ARNGUS who meet the criteria outlined in 10 USC 12686 will be processed by Commander, HRC, in accordance with paragraph 3–17b(4).

d. Mobilized RC enlisted Soldiers of the USAR and the ARNGUS with less than 18 years of service and desire to enlist will be processed jointly by Commander, HRC and Commander, USAREC in accordance with paragraph 3–17b(3).

### **1–10. Army Reserve or Army National Guard membership**

a. Personnel become enlisted members of the USAR (Selected Reserve or IRR) or ARNG by—

(1) Transfer from the RA to the USAR to complete the remainder of an MSO. On completion of the statutory obligation (expiration term of service (ETS)), the member must continue in a military status by reenlistment or extension under AR 140–111 or be discharged from the USAR.

(2) Enlistment of ARNG members in the USAR. On discharge from the ARNG a member may still retain Reserve of the Army status and be required to complete a remaining contractual or statutory MSO. On completion of the obligation, either statutory or contractual ETS, the member must either reenlist immediately under AR 140–111 or be discharged from the USAR. Extensions are authorized under the policy contained in AR 140–111. Enlistment of ARNG personnel into the USAR will also be in accordance with AR 140–111.

(3) Transfer from the Retired Reserve to the Ready Reserve under AR 140–10, with the approval of the SA, if the member is drawing retired pay. These personnel are not required to execute a Department of Defense (DOD) DD Form 4 (Enlistment/Reenlistment Document-Armed Forces of the United States) or process for enlistment or reenlistment. They remain on an indefinite Ready Reserve status until age 60.

(4) Transfer from the Retired Reserve to the Ready Reserve under AR 140–10, with the approval of Commander, HRC–St. Louis, if the member is not drawing retired pay. These personnel must be reenlisted under AR 140–111.

(5) Enlistment in the AR by completing a DD Form 4 and executing an Oath of Enlistment when applying from civilian status or from another military service of the United States. These enlistments are accomplished under policy contained in chapters 2, 3, and 5.

b. Service in the USAR or ARNG is either statutory or contractual.

(1) *Statutory service.* Under provisions of 10 USC 651, each person who becomes a member of a U.S. Armed Force, either by enlistment, appointment, or induction, will serve in the U.S. Armed Forces for a total initial period of 8 years. Any part of such service that is not AD will be performed in a RC. A person's statutory military service obligation runs concurrently with a contractual military service obligation.

(2) *Contractual service.* Each person who enlists or reenlists in a U.S. Armed Force executes a contractual agreement (DD Form 4) that establishes the terms of the service to be performed in that U.S. Armed Force. The contractual agreement runs concurrently with all incurred statutory obligations. Following termination of all statutory obligations, any subsequent military service is served according to the terms of the contractual agreement.

### **1–11. Valid enlistment or reenlistment agreements**

a. *DD Form 4.* DD Form 4, together with appropriate annexes, is the only valid agreement that exists between the person and the DA for enlistment in the RA or the USAR; or between the person and the NGB for enlistment in the ARNG. For continued RA, USAR, or ARNG membership, when the term of service agreed to in such an agreement expires, one of the following applies:

(1) The agreement will be extended.

(2) A new DD Form 4 and Oath of Enlistment will be executed.

b. *Transfer order (reassignment order) (for USAR or ARNG only).* A transfer order (reassignment order) is a personnel management action that may be taken for a person during the period of service while an enlistment agreement is in effect. This order never alters terms of an enlistment agreement and never replaces an enlistment agreement.

### **1–12. Referral of applicants to higher headquarters**

U.S. Army recruiting personnel have detailed knowledge about enlistment eligibility. They also have a general knowledge of normal conditions in the Army. The recruiter will resolve cases locally or request further assistance when needed through the chain of command.

### **1–13. Cooperation between Army recruiting stations and local State employment services**

a. *Policy.* The DOD and the Department of Labor have a reciprocal working agreement. Under this agreement, the Armed Forces give local State employment service data on job and training opportunities available to Armed Forces personnel. Local offices of state employment services may then inform persons seeking training or employment of such opportunities. Interested persons are referred to the proper Armed Forces recruiting offices. State employment services are affiliates of the U.S. Employment Service, Department of Labor. These offices offer testing, counseling, and

selection of persons for occupational training or employment. Opportunities in the Job Corps and Neighborhood Youth Corps are included.

*b. Procedures.* U.S. Army and ARNG recruiting personnel will work with State employment services to make satisfactory arrangements for providing data and assistance required. The CG, USAREC and Director Army National Guard (DARNG) issue necessary instructions to establish agreements between USAREC subordinate elements and State employment services. USAREC elements will make the above arrangements. Recruiting personnel will—

- (1) Provide printed data on job opportunities in the Army.
- (2) Furnish data in their areas of responsibility on request.
- (3) Take part in group guidance sessions that may be arranged by their local state employment service office.
- (4) Provide current data as manpower procurement programs change.
- (5) Urge all applicants found unacceptable for enlistment to visit their local State employment service office.
- (6) Inform the proper local office of the state employment service of each applicant found unacceptable for enlistment if the person authorizes such referral. Referral procedures are outlined in chapter 2.
- (7) Inform all applicants found unacceptable for enlistment of their reemployment rights and refer them to the local office of the state employment service.
- (8) Assist State employment services in other mutually desirable ways.

## **Chapter 2 Enlistment in the Regular Army, Army Reserve, or Army National Guard for Nonprior Service Applicants**

### **Section I Basic Eligibility Criteria**

#### **2-1. General**

*a. Enlistment considerations.* Enlistment of qualified persons will be the foremost goal of persons who take part in, or are connected with, processing applicants for enlistment in the RA, USAR, or ARNG.

*b. Meeting requirement.* Eligibility will be determined by the person's ability to meet all requirements of this regulation, to include obtaining waivers. Applicants will not be enlisted if any doubts about their qualifications cannot be resolved.

*c. Source documents.* Recruiting personnel must examine all source documents for discernible evidence of tampering or alteration. Documents used to substantiate basic eligibility criteria will be legible, written in English, or officially translated to English. If a bilingual Soldier (having language skill identifier) translates the document(s), then a written translation signed by the Soldier with a commissioned officer's signature witnessing his or her signature may be used. Recruiting battalions not having a Soldier with a skilled language identifier may designate recruiting personnel to translate foreign documents in a language common to Soldiers in the battalion. Designation of translator will be made in writing and on file at the recruiting battalion headquarters. All source documents must be original, or certified as an official copy of the original and included in the enlistment packet, for enlistment into the RA and RC. These documents include transcripts for military occupational specialty (MOS) requirements or advance grade, high school diploma, or marriage license or certificate. They will be forwarded with the enlistment packet or hand-carried by the applicant to the guidance counselor for compliance with instruction in chapter 6, section II.

*d. Obtaining documents.* The use of facsimile machines or e-mail (via scanners) to provide an expeditious means of obtaining documents is authorized and may be used to prevent undue delays in shipment to training. The use of transcripts, police checks, and court checks retrieved through the use of agency Web sites is authorized. Documents used to verify dependents (except spouse) are not required for enlistment purposes into the DEP/DS/DTP, unless a dependent waiver is required. Applicants must take original marriage certificate, children's birth certificates, divorce decrees, drivers license, and other evidence required to substantiate Defense Eligibility Enrollment Reporting System (DEERS) enrollment to the MEPS and reception battalion.

*e. Document certification.* Certification that a copy is of the original document may be made by station commander, first sergeant, company commander, operations sergeant, guidance counselor, commissioned officer, or equivalent contracted personnel assigned within USAREC, or equivalent recruiting personnel assigned to the ARNG, unless otherwise posted.

#### **2-2. Basic eligibility criteria for all nonprior service applicants**

Persons who apply for enlistment in the RA, USAR, or ARNG must meet eligibility criteria of this chapter and any other requirements for the MOS in which they are enlisting. Persons considered nonprior service (NPS), but previously separated from any Component of the Armed Forces with fewer than 180 days on active duty are identified as "Glossary NPS." All provisions applicable to NPS are also applicable to Glossary NPS unless a specific exception

exists. Rules or tables that do not apply to Glossary NPS will be annotated to reflect applicability. *Note.* All disqualifications that exist for PS applicants apply to Glossary NPS as listed in chapter 4. The term Glossary NPS does not change the fact an applicant has had military service. All provisions of this regulation that refer to basic active service date (BASD), previous military service, basic enlisted service date, and so forth apply.

### **2-3. Age**

*a.* Applicant is eligible for enlistment if applicant is not less than 18 years of age and has not reached his or her 42nd birthday, or is not less than 17 years of age and has not reached their 18th birthday and the DD Form 1966 parental/guardian consent for enlistment has been completed. All NPS Regular Army and RC applicants must enlist and ship prior to their 42nd birthday and be eligible for regular or non-regular retirement by age 62.

(1) Recruiters will obtain parental consent for any applicant who has not reached their 18th birthday. Parental consent may not be obtained more than 30 days prior to the 17th birthday; applicants must be 17 years of age at time of the test, physical, and contracting into the DEP/DTP. This consent of parents or legal guardians must be in writing before physical examination or enlistment. Enlistment is not authorized if either parent objects. However, if only one parent is entitled to legal custody of the applicant (for example, by reason of divorce decree), then only that parent's consent is required. The recruiter will identify any supporting document used and indicate its identifying marks, such as petition, file, or docket number in DD Form 1966 remarks section.

(2) If the applicant is married, legally separated, or divorced, a statement referencing the court document or marriage license will be entered in the remarks block of the form and the applicant may be enlisted without parental consent. Applicants must be interviewed by a commissioned officer assigned to USAREC or the ARNG and annotated in DD Form 1966 remarks section for enlistment eligibility.

(3) Except as otherwise noted in this paragraph, both parents must generally sign the form. (An exception is that the signature of one parent is acceptable if the other parent is deemed incapacitated, or absent at an unknown location for an indefinite period. If only one parent signs, the reason will be explained in the remarks block of DD Form 1966. The recruiter will state in the verification block what documents were used to verify the single signature.) One parent's signature is authorized if the other parent is incarcerated and will not be released prior to the applicant's 18th birthday. Parental consent may be obtained from an incarcerated parent, but it must be submitted through the institution's legal channels for notary.

(4) The signature of the parents or guardian on DD Form 1966 will be witnessed by a commissioned officer, warrant officer, or noncommissioned officer (NCO), or civilian recruiting specialist. Otherwise, the signature must be notarized. The recruiter will verify all entries to include supporting documents used to verify occasions when only one signature is authorized and annotate on DD Form 1966. One parent is required to sign the medical prescreen form for applicants under the age of 18 for medical examination.

(5) When an applicant has been made a ward of the court or under State or Federal law the applicant has been placed in the control and custody of other than the natural parents(s), then the agency (normally a case worker) or the court appointed custodial agency will be required to complete the DD Form 1966 parental consent section and provide a certified copy of the court document awarding such custody.

(6) Emancipated applicants may enlist without parental consent, provided they have a certified court document declaring their emancipation. The recruiter will identify any supporting document used and indicate its identifying marks, such as, petition, file, or docket number in DD Form 1966 remarks section.

*b.* Documents and procedures used to verify eligibility include—

- (1) Birth certificate.
- (2) INS Form N-550/551/570 Naturalization Certificate.
- (3) USCIS Form N-560 or N-561 (Certificate of United States Citizenship).

(4) Citizens (to include naturalized citizens) of the Federated States of Micronesia (FSM), Palau, and the Republic of the Marshall Islands (RMI).

I-551 cards issued after 1989 are only valid for 10 years and must be renewed. Additionally, any I-551 card with an expiration date within 6 months of the accession date must be renewed. Applicants with expired cards keep their permanent residence status; however, they must apply for renewal of their permanent residence status I-551 card and must obtain verification in the form of an original receipt from the U.S. Citizenship and Immigration Services (USCIS) indicating that the applicant has paid for an I-90 (Application to Replace Permanent Resident) renewal application prior to shipment to training. I-151 cards are no longer valid and applicant must obtain an I-551 card. Resident alien cards without the picture of the applicant are invalid for enlistment purposes. Resident aliens must provide proof of place of birth.

(3) *For nationals of the United States.* A native of American Samoa is issued a birth certificate that indicates the village of birth followed by the words, "American Samoa." (Citizens of American Samoa are U.S. nationals.)

(4) *For panamanians.* Under 8 USC 1403, any person born in the Canal Zone on or after 26 February 1904 and before 1 October 1979, whose father or mother, or both, at time of birth of such person, was or is a citizen of the United States, is declared to be a citizen of the United States. Further, any person born in the Republic of Panama on or after 26 February 1904, whose father or mother or both at the time of the birth of such person was or is a citizen of the United States employed by the Government of the United States or by the Panama Railroad Company, or its successor in title, is declared to be a citizen of the United States. If the Canal Zone birth certificate does not clearly establish that citizenship has been derived, to qualify for enlistment an applicant must verify his or her U.S. citizenship by presenting one of the documents listed in paragraph 2-4b(1). If applicant does not possess any of these documents, the applicant should apply for the proper document under paragraph 2-4c.

(5) *For foreign nationals.* However, the following exception exists with respect to the island nations of the FSM and the RMI.

- (a) Citizens, to include naturalized citizens of the FSM, Palau, and the RMI, may be enlisted into the U.S. Army.
- (b) FSM, Palau, and RMI citizens do not require proof of permanent residence or other documents normally associated with legal resident verification.
- (c) Foreign nationals from the RMI, Palau, and the FSM may be enlisted for any option, unit, MOS, or program requiring a security clearance.

c. Applicants who have lost their documents may obtain new documents in the following ways:

(2) The alternate form to use for loss, theft, or non-receipt of original I-551 card is G-845. This form may be obtained by the applicant from the local USCIS office and will be used to obtain verification when documents listed above cannot be obtained. This form is a secondary verification form, and the following Army requirements must be met for use of this form. The official stamp and initials are required in the INS status verifier block. All applicants using this form must also have a verifiable pictured identification (ID). a. *Court order changing name.* Compare the document with applicant driver's license or social security card to ensure that individual is the same person. If names do not correspond, provide an explanation on DD Form 1966.

b. *Enlistment name.* The enlistment name under which an individual may initially enlist in the U.S. Armed Forces will be the name on the individual's social security card.

The provisions of paragraph 2-20 apply for determination of clock, semester, and quarter hours. Education years code (ED YRS) is the highest grade completed. Transcripts are required for verification of academic classes to qualify for specific MOS requirements. All Tier 1 education must be verified on the battalion school list. If outside the battalion area, must be verified with the battalion operations within that area. All education credentials must be verified on the recruiting battalion school list. If outside the recruiting battalion area, must be verified with the recruiting battalion operations within that area.

b. *Education verification.* The first sergeant, company commander, senior operations sergeant, senior guidance

counselor, commissioned officer, education specialist, or equivalent contracted personnel assigned to USAREC or equivalent personnel assigned to the ARNG are authorized to perform telephonic or e-mail verification for enlistment into DEP/DTP. The telephonic or e-mail verification for DEP/DTP or ARNG enlistment must include name of applicant, SSN, date of birth, name of school, school address, school phone number, date of graduation or completion of course (for MOS), name and title of individual providing verification, and the name and title of individual conducting verification. Verification of education may be obtained from the applicant's principal, registrar, school guidance counselor, or the custodian of records for enlistment in the DEP/DTP or ARNG.

*c. High school diploma producing programs (Tier 1).*

The diploma must be issued from the school where the individual completed the program requirements. An official or certified school transcript or letter may be used for enlistment into the DEP/DTP/DS/RA/AR/ARNG. The transcripts must indicate that the individual did graduate. If a diploma was not yet issued by the school but all graduation requirements were met (that is, summer school or midterm graduate), an original letter from the applicant's principal, registrar, school guidance counselor, or custodian of records can be used for DEP/DTP or ARNG. The letter must state that the individual met all requirements for graduation and was not issued a diploma, along with the reason why and give an approximate date the diploma will be issued. (5) *HSDG via semester hours, quarter hours, or clock hours (ED LVL code 8).* An individual who has attended and completed an accredited postsecondary institution level course and has successfully completed 15 semester hours, 22 quarter hours of college level credit, or 675 clock hours from a postsecondary vocational-technical institution. Credits will be accepted from any institution that holds accreditation in the Accredited Institutions of Postsecondary Education (AIPE) book published by the American Council on Education or the National Association of Credential Evaluation Services (NACES). Questionable institutions not listed will be submitted for verification to the USAREC Battalion education specialist or equivalent personnel within the ARNG. Foreign credentials must still be evaluated per 2-7f. Credits used to substantiate high school diploma graduate status are authorized for advance promotion under paragraph 2-19.

(a) *Applicants enrolled in accredited postsecondary vocational-technical institutions.* Applicants who are currently enrolled in an accredited postsecondary vocational-technical institution that awards clock hour credits will not be processed for enlistment until they have successfully completed 675 clock hours of credit.

(b) *College courses.* Completion of college courses below the 100 level will be accepted for enlistment if the course is clearly identified as a college level course and credit will be recognized by the college toward graduation and degree completion requirements.

(7) *Degree credentials.*

(a) *Associate degree (ED LVL code D).* A certificate conferred upon completion of a 2-year program at a community college, university, or degree-producing technical institute.

(b) *Professional nursing diploma (ED LVL code G).* A certificate conferred upon completion of a 3-year hospital school of nursing program.

(c) *Baccalaureate degree (ED LVL code K).* A certificate conferred upon completion of a 4-year college program other than a first professional degree.

(8) *Currently enrolled other than high school diploma (ED LVL code M)*. An applicant who is currently enrolled or attending class in a Tier 1 adult education or college program other than a high school diploma and who is expected to graduate or attain the required credits within current term may be enlisted. Verification is required in the form of the statement from the school that the applicant is enrolled and must indicate the expected graduation or completion date.

(9) *HSDG via Completion of Job Corps Vocational Training Program (ED LVL C)*. Any applicant who has completed at least 675 clock hours of post-secondary vocational technical training from the Job Corps operated by the Department of Labor and earned a GED or other TIER 2 education credential will be considered an HSDG. Job Corps students must be enrolled in Job Corps for a minimum of 60 days prior to enlistment.

d. *Alternate high school credentials (Tier 2)*. Each of the following has separate MEPCOM Integrated Resource System and Recruit Quota System (REQUEST) codes.

(1) *Test-based equivalency diploma (GED)(ED LVL code E)*. Enter years completed followed by general education development-high school graduate (GEDH), a diploma or certificate of general education diploma (GED), or other test-based high school equivalency diploma. This includes statewide testing programs such as the California High School Proficiency Examination (CHSPE), whereby an examinee may earn a certificate of competency or proficiency. A state or locally issued secondary school diploma obtained solely on the basis of such equivalency testing is not to be considered a high school diploma.

(2) *HSG via National Guard Youth Challenge Program/GED)(ED LVL code X)*. An individual who has completed a National Guard Youth Challenge Program and received a GED. Applicants must have completed both the National Guard Youth Challenge Program and GED to enlist as a HSG. Applicants currently enrolled must provide letter to enlist as 11X.

(a) To qualify for enlistment as a home school graduate, an applicant must meet one of the following criteria:

1. In states that require parents to notify the school and/or local school district that they are home schooling their children, provide a signed State Department of Education or local district enrollment form.

2. In states that do not require parents to notify the school and/or school district that they are enrolling their children in home school, provide a home school certification/diploma from the parent, guardian, or national/State/county home school association/organization.

(b) A copy of the applicant's transcript(s) for all school grades completed is also required. The transcripts will include enrollment date, graduation date, and type of curriculum. Additionally, the transcripts must reflect successful completion of the last 9 academic months of continuous schooling from the home school or parent issuing the diploma.

(c) The curriculum used must involve parental instruction and supervision and should closely pattern normal subjects used in the traditional high schools. Accelerated home study programs and lesson packets that award a credential based on testing are not acceptable. Lesson packets that award a credential based on assessment and testing are not acceptable.

(d) Further evaluation and additional verification are required on all applicants attempting to enlist with only a diploma and transcript from the parents/guardian. These cases will be referred to the battalion educational services specialist or equivalent members of the ARNG for further evaluation. If a decision cannot be reached at battalion level the educational services specialist will send the packet through brigade to HQ USAREC Education Division, Policy Branch or equivalent personnel of the ARNG for final approval/disapproval.

(e) Enlistment of home-schooled seniors is authorized. Transcripts and letter is required at DEP/DTP or ARNG enlistment. Diploma verification is same as used for traditional high school seniors. Applicants currently enrolled must provide transcripts and letter to enlist as 11H.

(4) *Distance learning school diploma (ED LVL code 7)*. A secondary school diploma or certificate awarded upon completion of correspondence school course work, home study, Internet, or distance learning program, regardless of whether the diploma was issued by a correspondence school, a state, or a secondary or postsecondary educational institution. This is considered an alternate high school credential.

(5) *High School Certificate of Attendance/Completion or Special Education (ED LVL J)*. Any applicant who

(6) *Other nontraditional high school credential (ED LVL code 5)*. A secondary school credential issued for completing an alternative school or program that differs in course content and curriculum from a traditional high school diploma program. Schools or programs that are accelerated and issue a diploma based on a combination of testing, independent study, adult basic education, and/or competencies are classified as Tier 2, regardless of whether the credential was issued by a secondary or post-secondary institution. This includes any applicant who completed at least 11 years of graded day high school and received a certificate for completion of a 6 month non-correspondence vocational-technical program.

*e. Less than a high school diploma (Ed LVL code 1) (Tier 3)*. An individual who has not graduated from high school or has not received an alternate credential listed above.

*f. Foreign credentials.*

(1) Applicants completing high school or having college credits from foreign colleges or universities must have their documents evaluated and accredited by a state board of education or any degree granting college or university listed in the AIPE or NACES.

(2) Evaluation under this rule will also be used to qualify applicants under paragraph 2–18 if otherwise qualified.

*g. Exemptions.* The following countries, territories, and nations are exempt from the evaluation requirement, and their education documents will be treated in the same manner as those from any U.S. school:

- (1) FSM.
- (2) RMI.
- (3) Commonwealth of the Northern Mariana Islands.
- (4) Guam.
- (5) American Samoa.
- (6) Canada.
- (7) Puerto Rico.
- (8) Virgin Islands.
- (9) Palau.
- (10) Department of Defense Dependent School System.
- (11) Overseas American-sponsored elementary and secondary schools assisted by the U.S. Department of State.

*h. Specific course requirements.* Some MOS require verification of specific course completions. Verification may be accomplished with a letter or transcript. Verification must be presented prior to enlistment (DEP/DTP) into the RA, USAR, or ARNG.

*i. Current school year withdrawals.* If an applicant indicates he or she withdrew from school during the current school year, he or she should be encouraged to return and complete high school. However, if the applicant does not intend to return to school, verify that the applicant has withdrawn and notify the school of his or her intention to enlist. Under no circumstance will an applicant be encouraged or given any assistance in withdrawing from school. Coordination with parents, teachers, and counselors to keep students in school through graduation is desirable and consistent with the Department of the Army (DA) policy on this matter.

## **2–8. Trainability**

Waiver requests will not be considered if applicant does not meet requirements discussed below. (For administration of tests and retests, see chap 5.) To be eligible for enlistment, an applicant must meet the following criteria:

*a.* Applicant must meet test requirements of this rule and specific test requirements of MOS or option for which enlisting.

*b.* Applicant must have the ability to read, write, and speak sufficient English to understand the oath of enlistment and the pre-enlistment interview.

*c.* Applicant must attain the required Aptitude Area Score as required for MOS, in accordance with DA Pam 611–21.

- (1) TSC–I (AFQT 93–99).
- (2) TSC–II (AFQT 65–92).
- (3) TSC–IIIA (AFQT 50–64).

## **2-9. Physical**

*a.* Applicant is eligible for enlistment if they meet procurement physical fitness standards of AR 40-501, chapter 2, and meets added requirements of specific option for which enlisting. Glossary NPS that have not been awarded an MOS must meet procurement physical fitness standards of AR 40-501, chapter 2.

*b.* Waivers may be requested for medical defects, provided applicant is not under the care of a physician or taking medication for the defect.

*c.* Waivers are not authorized for confirmed positive results for the presence of human immunodeficiency virus (HIV) or antibody (AR 40-501).

*d.* Applicant will be tested for the presence of alcohol and drugs. Applicants who refuse to submit to drug or alcohol testing will be denied further processing and enlistment (no waiver authorized).

(1) Applicant is eligible if drug and alcohol tests are negative.

(2) Applicant is authorized enlistment in the DEP/DS/DTP or ARNG pending drug test results, except that applicants who previously tested positive for drugs require a waiver.

(3) Applicants will be advised that they will be discharged if they test positive (laboratory confirmed) for drugs.

## **2-10. Dependents**

*a.* An applicant meets dependency requirements if they are—

(1) Without a spouse and with no dependents.

(2) Married and, in addition to the spouse, has two or fewer dependents.

(3) Without a spouse and does not have custody of dependents.

(4) Without a spouse and required to pay child support for two or fewer dependents by court order.

*b.* An applicant does not meet dependency requirements if—

(1) The applicant is married and in addition to the spouse has three dependents under the age of 18. (Recruiting battalion commander may consider waiver.)

(2) The applicant is married and in addition to spouse has two dependents under the age of 18 and wife is expecting additional children. (Recruiting battalion commander may consider waiver.)

(3) The applicant is married and in addition to the spouse, has four or more dependents under the age of 18. (CG, USAREC may consider waiver.)

(4) The applicant is married, enlisting in the grade of E-4, and in addition to spouse, has three or more dependents or is required by court order to pay child support for three or more dependents under the age of 18. (Recruiting battalion commander may consider waiver.)

(6) The applicant has a spouse currently on active duty or who is a member of a RC (excluding IRR) of the U.S. Armed Forces and has a dependent less than the age of 18. One service member must have completed IADT. (CG, USAREC may consider waiver.)

(7) The applicant is without a spouse and has custody of at least one dependent under the age of 18. (Waiver will not be considered.)

(8) The applicant is without a spouse and is required by court order to pay child support for three dependents. (Recruiting battalion commander may consider waiver.)

(9) The applicant is without a spouse and is required by court order to pay child support for more than three dependents. (CG, USAREC may consider waiver.)

(10) The applicant is married and required by court order to pay child support for one or more dependents from previous marriage or relationship and when added to dependents of current marriage, in addition to the spouse, has three dependents under the age of 18. (Recruiting battalion commander may consider waiver.)

(11) The applicant is married and required by court order to pay child support for one or more dependents from previous marriage or relationship and when added to dependents of current marriage, in addition to spouse, has more than three dependents under the age of 18. (CG, USAREC may consider waiver.)

(12) The applicant or applicant's spouse has custody of/or required by court order to pay child support for one or more dependents prior to current marriage and when added to dependents of current marriage, in addition to the spouse, has three dependents under the age of 18. (Recruiting battalion commander may consider waiver.)

(13) The applicant or applicant's spouse has custody of/or pays child support for one or more dependents prior to current marriage and when added to total dependents from current marriage, in addition to the spouse, has more than three dependents under the age of 18. (CG, USAREC may consider waiver.)

*c.* The definitions of dependent, spouses and children are for qualifications and criteria to enlist. These definitions are not for the purpose of determination of pay or allowances, basic allowance for housing, medical, or other benefits. Appropriate authority for determination of benefits is contained in other applicable regulation pertaining to finance and accounting, issuance of ID cards, and privileges.

(1) An applicant is considered to be "without a spouse" if—

- (a) A civil court has not recognized common law marriage.
  - (b) A spouse is incarcerated.
  - (c) A spouse is deceased.
  - (d) A spouse has deserted the applicant.
  - (e) A spouse is legally or by mutual consent separated from the applicant.
  - (f) The applicant or spouse has filed for divorce.
- (2) For the purpose of this regulation and enlistment, the term “dependent” includes—
- (a) A spouse.
  - (b) An unmarried, adopted, or stepchild under the age of 18 living with the applicant.
  - (c) An unmarried natural child of the applicant under the age of 18.
  - (d) Any person living with the applicant who is, by law or in fact, dependent upon the applicant for support; or not living with the applicant and dependent upon the applicant for over one-half of his or her support.
  - (e) Any person for whom the applicant is responsible for his or her financial or custodial care.
- (3) Joint physical custody versus child support—
- (a) When a joint custody agreement or order requires joint physical custody by an applicant without a spouse, the applicant is not eligible for enlistment. Visitation or joint decision rights with the respect to education, medical procedures, or other parental decisions, other than actual physical custody are not considered as requiring joint physical custody. However, if a mandatory period of residence is required, then joint physical custody exists and the applicant is not eligible to enlist. Mandatory physical custody does not include negotiable periods of visitation or voluntary agreement to have custody for short periods that are negotiable and compatible with military service.
  - (b) If a court order allows modification of custody by written agreement of the parents, if the other parent assumes full physical custody pursuant to written agreement, the applicant is qualified for enlistment.
  - (c) Questionable cases will be resolved by referral to a USAREC brigade judge advocate or attorney advisor through the USAREC chain of command.
  - d. The U.S. Army recognizes that some persons for personal reasons have given up custody of a child or children. For this reason, the following rules have been provided so a determination can be made for enlistment purposes. It is not the intent or desire of the U.S. Army to require any person to relinquish custody of his or her children to qualify for enlistment. Under no circumstances will any Army representative advise, imply, or assist an applicant with regard to surrender of custody for the purpose of enlistment. Applicants will be advised that they do not meet the dependent criteria of this regulation and that the Army’s mission and unit readiness are not consistent with being a sole parent. Persons who are sole parents would be placed in positions, as any other Soldier, where they are required at times to work long or unusual hours, to be available for worldwide assignment, and to be prepared for mobilization, all of which would create conflicting duties between children and military requirements for the sole parent.
- (1) If an applicant is without a spouse and the child or children have been placed in the custody/guardianship of the other parent or another adult by court order prior, or by written custody agreement between parents that is valid under state law prior to application for enlistment, and the applicant is not required to pay support for more than three dependents, then the applicant is eligible to process for enlistment. The court order or custody agreement must clearly indicate that the applicant does not have physical custody of any child. In cases of court order or custody agreements that require “involvement” such as medical or education decisions but do not require physical custody of the child(ren), then the additional requirements or involvement is not to be considered for eligibility unless such conditions require a mandatory custody period that could not be adhered to due to military service. Guardianship documents must very clearly indicate that the guardian has full physical custody and not just a guardianship right or oversight role. The bottom line issue is actual physical custody of the child(ren). Questionable cases will be resolved by referral to a USAREC brigade judge advocate or attorney advisor through the USAREC chain of command or equivalent personnel in the ARNG.
- (2) Those applicants who at time of enlistment indicate they have a child or children in the custody of the other parent or another adult in accordance to (2), above, will be advised and required to acknowledge by certification that their intent at time of enlistment was not to enter into the Army, USAR, or ARNG with the express intention of regaining custody after enlistment. Applicants will be required to execute a DA Form 3286 (Statements for Enlistment (Parts I through IV)). All applicants will be advised that if they regain custody during their term of enlistment, they are in violation of the stated intent of their enlistment contract. They will (unless they can show cause, such as death or incapacity of the person who has custody) be processed for separation (involuntary) for fraudulent enlistment. Retention of Soldiers who have enlisted fraudulently is governed by AR 635–200.
- (3) Applicants who are not married at the time of enlistment but have a child out of wedlock and under state law are considered to have custody rights, regardless of who currently has physical custody, are disqualified. However, if under state law a mutually agreed upon contract between the two natural parents is sufficient to transfer custody and control of any children, then it will be acceptable for enlistment purposes. Contractual agreements acknowledged by state law are acceptable. Applicants will be advised that they are being accepted for enlistment based on the eligibility status of being a single parent without custody. All applicants must complete a DA Form 3286 at time of entry into the DEP/ DTP or ARNG. Consult with brigade judge advocate/USAREC Plans and Policies or equivalent personnel in the

ARNG on questionable cases. In all cases where custody has not been clearly established, the burdened of proof is with the applicant and may not be processed until the custody issue has been resolved.

*e.* Documents and procedures to verify eligibility include the following:

(1) Marital status—

(a) Marriage certificate.

(b) Divorce decree.

(c) Legal separation decree.

(d) Annulment decree.

(e) Civil action document (divorce pending).

(f) Death certificate (widowed).

(2) Dependents under the age of 18—

(a) Birth certificate.

(b) FS Form 240.

(c) Certified or notarized copy of court order of adoption.

(d) Certified or notarized copy of court order proceeding equivalent to adoption which terminated all parental rights and obligations.

(3) To show if dependent has been placed in custody of other parent or another adult and whether or not applicant is required to pay (by court order) child support, one of the following is used:

(a) Divorce decree.

(b) Court order.

(c) Separation order.

(d) Written custody agreement between parents recognized by state law.

(4) For dependent parent, affidavits establishing dependency.

*f.* Questionable cases must be reviewed by a USAREC or ARNG judge advocate.

## **2-11. Moral and administrative criteria**

Applicants may be eligible for enlistment with or without waiver as indicated in each case. Applicants may have a waiting period as cited in paragraph 4-34 if they have had parole/probation/incarceration (see chap 4).

*a. Applicant interview.* Recruiter will interview applicant on any records of arrest, charges, juvenile court adjudications, traffic violations, probation periods, and dismissed or pending charges or convictions, including those that have been expunged or sealed.

(1) *Use of DD Form 369.* This form will be used to record information obtained in police records check. Recruiter will provide self-addressed official mail envelopes to minimize work for police authorities. Mailing police records checks to a foreign law enforcement agency is not authorized.

(2) *Pending charges.* If applicant is subject to pending charge(s) that would not require a waiver if found guilty, Armed Services Vocation Aptitude Battery (ASVAB) testing is authorized. If applicant is subject to pending charge(s) that would require a waiver if found guilty or if placed on probation or parole, or if given a suspended sentence, all processing will be terminated (see para 4-36).

*b. Police record check and court check.* The police record checks will indicate the name the applicant is requesting to be enlisted as, as well as the name on birth certificate, maiden name, or any other name the applicant is known as. Criminal history information will be maintained with strict confidentiality. If reply from police authorities or court records clerk is not received within 7 working days and every effort to obtain police/court clearance has been exhausted, then the recruiting battalion commander may authorize to process allegation as self-admitted offense and enlist applicant into RA/AR if a moral waiver is not required.

(1) These checks may be mailed and are required to be completed and at the MEPS prior to shipping to IADT or within 30 days after enlistment in the DEP/DS/DTP/ARNG.

(2) Applicants who claim no law violations or claims only minor traffic offenses are not required to have police record checks or court checks. However, police record check or court check must be obtained to verify disposition if applicant claims reckless, careless, or imprudent driving.

(3) Applicants who claim no law violations or claims only minor traffic offenses (except reckless or careless or imprudent driving) will have police record checks, based on current residence, obtained from three levels:

(a) City or municipal, military installation law enforcement.

(b) County law enforcement.

(c) State law enforcement.

(4) Applicant who claims law violations other than minor traffic offenses will have police record checks completed where applicant has lived, worked (includes TPU location), and attended school during the 3 years prior to application into the DEP/DS/DTP or ARNG. Police/court documents where the offense(s) occurred will be obtained from—

(a) City or municipal, military installation law enforcement.

- (b) County law enforcement.
  - (c) State law enforcement.
  - (d) Court documents.
  - (e) Probation departments.
  - (f) Adult correctional facilities.
  - (g) Juvenile correctional facilities.
- (5) Applicants requiring a moral waiver for any misdemeanor or felony level charge, regardless of disposition, will have police record checks obtained from—
- (a) City or municipal, military installation law enforcement.
  - (b) County law enforcement.
  - (c) State law enforcement.
  - (d) Court documents.
  - (e) Probation departments.
  - (f) Adult correctional facilities.
  - (g) Juvenile correctional facilities.
- c. Telephonic police records check.* Telephonic police checks are authorized by station commander, commissioned officers, company commanders, recruiting first sergeants, guidance counselor, recruiting battalion operations personnel, or equivalent contracted personnel assigned to USAREC or the ARNG. The person obtaining telephonic police records check will sign written report on DD Form 369. Enter name and position of person who gives information to the battalion, date obtained, and telephone number in remarks section of DD Form 369. Forwarding DD Form 369 to the Federal Bureau of Investigation, a foreign government, or foreign police agencies is not authorized.
- d. New police checks.* New police checks are required if new arrest or convictions occurs since previous checks were conducted and will be run in accordance with paragraph 2-11b.
- e. Police records check not released or a fee is charged.* If law enforcement agency states, in writing, that it will not provide information or that a fee is required and copy of that statement is maintained in recruiting battalions, police records check will not be required. DD Form 369 will contain reference to that written statement. The form will be forwarded with the enlistment packet. Update written documents used for references every 5 years.
- f. Sex offender Check.* A query of the sexual offender file will be run for every “State” location where applicant has an arrest record, resided, employed, or attended school at any time in their life.

## **2-12. Suggested civilian or military clothing list for Glossary nonprior service and prior service**

- a.* Potential enlistees attending initial entry training (IET) or IADT will be provided the suggested civilian clothing list.
- b.* PS (Army) personnel enlisting with a break in service of fewer than 90 days will be informed of the provisions of AR 700-84. This requires PS personnel to have their clothing issue in their possession when reporting to their first duty station (includes USAR/ARNG, Glossary NPS).

## **2-13. Review of enlistment forms and documents**

Each applicant’s forms and original documents will be reviewed by an individual designated by the CG, USAREC or ARNG for completeness and accuracy before forwarding the packet to MEPS. The designee will also ensure that a specific MOS or enlistment option will not be guaranteed to an applicant before processing by the Army guidance counselor.

## **2-14. National Agency Check with Local Agency and Credit Check**

All accessions require submission of an NACLCL as part of their accession process. NACLCL is required for SECRET and TOP SECRET eligibility on specific MOS and must be submitted prior to entry into training or assignment to unit. Fingerprint check results are required prior to entry onto active duty or shipping to training or first duty assignment, unless results are present in Joint Personnel Adjudication System.

##### **2-16. Authorized enlistment periods**

- a. NPS applicants enlisting in the RA (10 USC 651(a)) and RC (10 USC 12103(d)) incur an 8-year statutory MSO.
- b. Enlistment in the RA is authorized for a term of at least 2 years but not more than 8 years. A specific MOS may require a minimum term of service.
- c. Enlistment in the USAR or ARNG will be for a period of 8 years. The applicant may select the period of time to be assigned to a TPU of the Selected Reserve, as authorized by chapter 5.

##### **2-17. Pay grade and date of rank**

- a. Persons enlisting in the RA, USAR, or ARNG without PS will be enlisted in pay grade private E-1 (PV1). Exceptions are shown in paragraph 2-18 or when the applicant qualifies to enter in a higher entry pay grade as outlined under the Army Civilian Acquired Skills Program (ACASP).
- b. Date of rank (DOR) for persons without PS will be as follows:
  - (1) RA - date of enlistment on active duty.
  - (2) USAR - date of enlistment.
  - (3) ARNG - date of enlistment.
- c. Enlistment pay grade determined using paragraph 2-18 does not exempt applicant from basic training requirement.
- d. Authority for enlistment grade must be entered in the remarks section of DD Form 1966, to include a statement that the documents used to promote the Soldier have been verified (for example, pay grade E-3 authorized per para 2-18f, by guidance counselor name and rank).

##### **2-18. Enlistment pay grades for personnel without prior service**

This paragraph applies to DEP, DTP, or ARNG applicants.

- a. The following explains who may enlist and when and at what pay grade. An applicant who—
  - (1) Has no qualifications for advancement to pay grade higher than PV1 may enlist at any time.
  - (2) Has completed 1 or 2 years of Junior ROTC (JROTC) or a National Defense Cadet Corps (NDCC) Program may enlist at any time at pay grade PV2.
  - (3) Has completed 3 or more years of JROTC or a NDCC Program may enlist at any time at pay grade private first class (PFC).
  - (4) Has completed 1 year of Senior ROTC (SROTC) may enlist at any time at pay grade PFC.

  - (7) Has successfully completed 48 or more classroom semester hours (72 or more quarter hours) (without a 4-year degree) at an accredited degree granting college or university listed in the AIPE (foreign transcripts must be evaluated according to para 2-7f and 2-20) may enlist at any time at pay grade PFC. Applicants with an associate degree will be enlisted at pay grade PFC without regard to the number of semester or quarter hours completed.
  - (8) Has successfully completed 2 or more academic years of a postsecondary vocational-technical school and has received a certificate of training attesting to successful completion of the course may enlist at any time at pay grade PFC. The school must be listed in the AIPE (see para 2-20).

(a) College credit or course completion (includes JROTC/ROTC) must have occurred prior to the date of enlistment in the RA or entry in IADT for USAR or ARNG.

(b) Only colleges and universities listed in the AIPE, NACES, or foreign transcripts evaluated according to paragraph 2-7f, may be used. This requirement is only used for advanced promotion under this paragraph and does not affect or change the guidance for promotion boards with respect to education points, which are given or verified via other publications. However, no other education evaluation publication will be used to qualify under this regulation.

(c) Effective date and date of rank for Soldiers who lacked documentation at time of enlistment will be the effective date of the promotion by the unit commander. No retroactive adjustment is authorized and each applicant will be advised that failure to produce documents before enlistment or after time frames above will cause them to forfeit entitlement to this incentive. The promotion will be for the grade the Soldier is qualified for at the time of enlistment.

(d) Applicants who have college credit, but owe the college/university money and the school will not release official transcripts until all debts are cleared, must have a letter from the school official stating number of credits earned and the reason official transcripts are unavailable.

(e) Each applicant who claims, but cannot substantiate, qualification for higher enlistment grade will be required to acknowledge that they have read and understand this rule and the time frames established. An applicant or enlistee will acknowledge this in the remarks section of DD Form 1966. Unit commanders for DTP, upon verification that a Soldier is authorized the advance promotion under this paragraph, will promote the Soldier, citing this paragraph as the authority. Effective date and date of rank will be the date the commander authorizes the promotion.

b. The referral program provides incentive for increased pay. Verification will be the responsibility of HQ, USAREC for all referrals. Only referrals received and verified prior to the date of enlistment in the RA or USAR will affect the enlistment grade. Any applicant participating in the Army Referral Program who refers—

(3) One qualified registered nurse who applies for the Army Nurse Corps AD or USAR, and HQ, USAREC accepts the application on or before the applicant enters the RA or IADT, may enlist at any time at pay grade PV2.

c. The applicant may enlist at pay grade PFC if they meet any 2 requirements in paragraph 2-18a(2), (5), (6), (10), (11), (12), (13), or (14), or 2-18b(1) or (3). (For example, applicant has 24 semester hrs and provides one referral that enlist= PFC; this example combines 2-18a(6) and 2-18b(1)).

## **2-19. Verification requirements for enlistment in higher grade**

Applicant must provide documentation to support enlistment in higher pay grade. Guidance counselors will verify required documents to justify higher pay grade from one of the documents listed below. After verifying required documents for advanced promotion, guidance counselor must sign a DA Form 4187 that outlines the promotion authority and the pay grade authorized prior to shipping to IADT. This applies to those USAR or ARNG members who met an advanced promotion criteria after the initial date of enlistment and who are awaiting shipping to IADT. Additionally, after arrival at the reception battalion, if an error in entry grade is identified after review of a new Soldier's enlistment contract, the USAREC Liaisons at all Reception Battalions are authorized to generate/authenticate a DA Form 4187 to provide an advance in entry grade as long as an exception to policy with a control number has been issued by HQDA (DAPE-MPA).

a. Education documents used to grant advanced or accelerated promotions must be listed in the AIPE or NACES. A guidance counselor, education specialist, operations NCO, first sergeant, commissioned officer, or equivalent contracted personnel assigned to USAREC or the ARNG must verify documents. Verification must be annotated referencing authority for grade in the Remarks section of DD Form 1966.

b. Official document awarding Billy Mitchell Award, Eagle Scout, Quartermaster Award, or Gold Award.

c. Document verifying ACASP qualifications.

d. Recruiting company commander's letter verifying completion of Army pre-Basic task list and referral verification form as identified by USAREC or the NGB

## **2–20. Semester hour requirements**

a. Combining of semester hours with quarter hours or combining clock hours with either semester or quarter hours for enlistment purposes (see para 2–7c(5)) and advanced promotion (see para 2–18) is authorized.

b. For non-degree granting education institutions listed in the AIPE or NACES that award clock hours or quarter hours, the following will equate:

(1) Clock hours: 45 = 1 semester hour.

(2) Quarter hours: 1.5 = 1 semester hour.

c. Classroom semester hours also include credits earned by college test programs (such as the College Level Examination Program or Internet courses, as recognized by universities or colleges listed in the AIPE or NACES). Semester hours or quarter hours earned through college test programs may be used for advanced promotion, but may not be used for enlistment purposes.

d. Classroom semester hours under paragraph 2–7 are for college-level courses only (100 series and above). Courses below the 100 series may be used if the college or university applies them to a degree-producing program.

## **Chapter 3**

### **Enlistment in the Regular Army, Army Reserve, or Army National Guard for Prior Service Applicants**

#### **Section I**

#### **Basic Eligibility Criteria**

##### **3–1. General**

This chapter prescribes basic eligibility criteria for PS applicants for enlistment in the RA, USAR, or ARNG. Qualifications apply to RA, USAR, and ARNG unless otherwise specified, and eligibility requirements are the same as for NPS as prescribed in chapter 2. Refer to chapter 2 for name and social security verification procedures.

##### **3–2. Basic eligibility criteria for all prior service applicants**

a. Persons applying for enlistment in the RA, USAR, or ARNG must meet eligibility criteria outlined in this chapter. PS applicants also must meet requirements of options for which they are enlisting.

b. PS definitions for RA, USAR, and ARNG are as follows:

(1) For persons enlisting in the RA, applicants must have 180 days or more of active duty.

(2) For persons enlisting into the USAR, applicants must have served 180 days or more on active duty as a member of the U.S. Armed Forces. Applicants who are MOS qualified are considered as PS regardless of time on active duty.

c. These rules are also applicable to Glossary NPS applicants unless otherwise specified.

d. These definitions do not change the fact that an applicant has served in the military. Any applicant with one or more days in any component of a military service has had prior military service. All references to basic pay entry date, BASD, time in grade, and time in service apply, regardless of the above definitions of "Enlistment".

e. Applicant is eligible for enlistment if applicant qualifies for exemption from enlistment requirements because of the following:

(1) Applicant has been awarded the Medal of Honor, Distinguished Service Cross, Navy Cross, or Silver Star Medal.

(2) Applicant is a partially disabled, combat-wounded Army veteran with fewer than 20 years of service as defined in 10 USC 3925.

##### **3–3. Age**

Applicant is eligible for enlistment if any of the following apply:

a. An applicant is eligible for RA enlistment if applicant's age, when subtracting prior honorable active service completed in any military service, is not more than 42 and the applicant can qualify for regular retirement with 20 or more years of active Federal service by age 62.

b. Applicant is eligible for enlistment in the USAR or ARNG if he or she is not less than 18 years of age and has not reached their 57th birthday and can qualify for retired pay by age 62. If less than 18 years of age parental consent is required, per chapter 2. To be eligible for nonregular retired pay, an individual must meet eligibility criteria outlined in AR 135–180. Waiver requests will be considered, if applicant is a former enlisted member of the Armed Forces and last separated with an honorable discharge. (However, enlistment term of service may not exceed the last day of the month in which the applicant attains age 62.)

c. An applicant is exempt from age criteria outlined above and therefore is eligible for enlistment if he or she can qualify for retirement by age 62, is not 57 years of age or older with 20 or more years of active service, and is a former member of service who was awarded the Medal of Honor, Distinguished Service Cross, Navy Cross, or Silver Star Medal.

### **3-4. Citizenship**

Citizenship will be verified, per chapter 2. Applicant is eligible for enlistment if one of the following applies:

- c. Verification for PS may also be accomplished through use of the DD Form 214. Glossary NPS and DOS must meet chapter 2 requirements.

- a. Applicant is eligible for enlistment if he/she has a qualifying aptitude score for MOS in which enlisting and specific test score requirements of the MOS or option for which enlisting. AFQT is not required for eligibility.
- b. All applicants must have ASVAB scores to enlist. ASVAB results (most recent) obtained from Defense Manpower Data Center (DMDC) may be used regardless of test date, provided all line scores are present.
- c. MOS aptitude area test score does not apply if enlisting in former MOS.

### **3-7. Physical**

a. Applicant has completed Army BT or IADT and meets medical retention standards (less weight) of AR 40-501, chapter 3, if enlisting within 6 months of release from AD. Current members of the USAR and ARNG (except IRR) and having a physical that is within 5 years of application for enlistment onto active duty may be processed and projected as "No Medical Required." Current active service members of other Services enlisting onto active duty with a physical that is within 5 years of application for enlistment onto active duty may be processed and projected as "No Medical Required." All other applicants must meet the procurement standards of AR 40-501, chapter 2.

b. Pregnant applicants will not be enlisted, regardless of applicable standards of retention.

c. Applicant must meet all other requirements for specific option or MOS for which enlisting. Applicants currently serving in reserve component or discharged from any component must meet the entry level Physical Profile Serial Code (Numerical) (PULHES) in accordance with DA Pam 611-21, chapter 10.

f. Waivers will not be considered for applicants not meeting the body fat standards of AR 600-9 or the medical retention physical fitness standards of AR 40-501, chapter 3.

g. Applicant will be tested for the presence of alcohol and drugs. Applicants who refuse to submit to drug or alcohol testing will be denied further processing and enlistment (no waiver authorized).

h. Applicant is not eligible for further enlistment if drug and alcohol test is positive. (Waivers may not be considered)

i. Applicant is authorized USAR enlistment pending drug test results but will be advised that they will be discharged if found positive (laboratory confirmed) for drugs or HIV.

### **3-8. Dependents**

a. See paragraph 2-10 for definition of dependents and verification requirements.

b. An applicant meets dependency requirements of this rule if they—

- (1) Have no spouse and no dependents.
- (2) Have no spouse and is required by court order to pay child support for two or fewer dependents, regardless of grade.
- (3) Have an entry grade of PV2 or below, is married, and in addition to the spouse has two or fewer additional dependents.

(4) Have an entry grade of PFC, is married, and in addition to the spouse has three or fewer additional dependents.  
(5) Have an entry grade of SPC or above, is married, and is eligible to enlist without regard to number of additional dependents.

(6) Are an applicant whose spouse is a member of the AC or RC of any service (excluding IRR), has one or more dependents under the age of 18, and the child (ren) was (were) a dependent while both served or is currently serving simultaneously.

(7) Have no spouse, and has an entry grade of E-3 or above, and are required by court order to pay child support for 3 or fewer dependents.

c. An applicant does not meet dependency requirements if—

(2) The applicant has no spouse but has custody of one or more dependents under the age of 18. (Waivers will not be considered.)

(3) The applicant is processing as part of a husband and wife team and both are required to attend training at the same time, and have one or more dependents under the age of 18. (Waiver may be considered.)

d. Any applicant for USAR enlistment who previously served in the U.S. Armed Forces on AD, and became a single parent while on active duty, will not be disqualified for enlistment based upon this fact if—

(1) The person is otherwise qualified for enlistment.

(2) The person's status as a single parent was not a factor in the person's discharge or release from active duty.

### **3-9. Moral and other administrative criteria**

See chapters 2 and 4.

### **3-10. Regular Army retention control point**

If applicant is eligible to enlist with or without a waiver or grade determination, then the term of enlistment when added to previous AFS will not exceed the criteria below, as indicated for each enlistment grade—

c. SGT, not more than 15 years AFS.

d. SSG, not more than 22 years AFS.

e. SFC, not more than 24 years AFS.

f. MSG/1SG, not more than 26 years AFS.

g. Sergeant Major (SGM)/Command Sergeant Major (CSM), not more than 30 years AFS.

### **3-11. Armed Forces reentry eligibility codes**

Regardless of reentry eligibility (RE) code, applicant may require a waiver for the reason and authority for separation release, discharge, or transfer (see chapter 4 for waiver criteria and applicability).

### **3-12. Broken service selective reenlistment bonus**

PS applicants last separated from the AC and who were separated 91 days to 4 years earlier and who hold an MOS with appropriate skill level are authorized a broken service selective reenlistment bonus (BSSRB) based on current military personnel (MILPER) message published by HRC at time of enlistment. Applicants must enlist within 48 months of separation to be eligible for the BSSRB. See paragraph 3-34 for eligibility and processing procedures.

### **3-13. Montgomery GI Bill**

Any PS applicant who entered active duty for the first time after 1 July 1985 in any Regular Component of the Armed Forces and who has not declined MGIB during his/her initial term of service is eligible to participate in the MGIB. Guidance counselors will ensure that these applicants understand their eligibility for enrollment in MGIB and ensure these applicants initial in the appropriate column of DA Form 3286.

a. Individuals who have not declined MGIB upon initial entry to active duty, but who separate early and do not fulfill the requirements for entitlements to the MGIB (such as hardship), can now earn such entitlement by fully and honorably completing a subsequent term of service.

b. Reservists activated under Title 10 (for example, 10 USC 12301, 12302, and 12303) and who stay on active duty for at least 24 continuous months are entitled to enroll in the MGIB (chapter 30). Such activated reservists MUST serve at least 24 continuous months to be eligible for MGIB benefits.

c. If a service member is separated from service for reasons other than those within an individual's control (that is, void, erroneous enlistment because of an administrative error, hardship, release from Presidential Call, demobilization, and so forth), the USAREC, RCRO-PP or equivalent personnel in the ARNG will be contacted to determine MGIB and other incentive eligibility for those applicants.

### **3-14. Eligibility of former officers for enlistment**

*a.* For RA enlistment, the following apply:

(1) The Secretary of the Army may deny enlistment to anyone who otherwise meets the criteria specified in this regulation, except those who have a statutory entitlement (10 USC 3258).

(2) Some RA/USAR officers and warrant officers of the Army have a 6-month statutory entitlement to reenlist in their former rank or in the rank of sergeant, whichever is higher. The 6-month period starts on the day after separation from the Service. Statutory entitlement is authorized only for Soldiers who served on active duty as RA/USAR commissioned or warrant officers of the Army if—

(a) They are former enlisted Soldiers of the RA and were discharged as RA enlisted Soldiers to immediately accept temporary appointments as active AUS/USAR officers or warrant officers in the Army (no break in service permitted between RA enlisted and AUS/USAR active officer or warrant officer status).

(b) The commissioned or warrant officer service is terminated by an honorable discharge. (Separation as an officer or warrant officer with other than an honorable discharge (separation) serves to negate the statutory entitlement to reenlist. The SA retains discretionary authority to determine whether commissioned or warrant officers whose service is terminated by a general discharge should be allowed to continue their military career.)

(3) ROTC/RA officers do not have statutory entitlement to reenlist. Additionally, Soldiers who initially enlisted for a specific officer program (that is, initial enlistment program of Officer Candidate School (OCS) or Warrant Officer Flight Training (WOFT) for initial enlistment for direct appointment and did not receive an enlisted MOS) are also ineligible. Commissioned and warrant officers without a statutory entitlement to enlist/reenlist who have a letter of resignation may apply for enlistment in the grade of sergeant; however, individual qualifications will determine the grade to be awarded. Officers who are in an initial commissioning program do not have the statutory right to reenlist.

(4) Under 10 USC 3258 a person is NOT entitled to reenlist if he or she was discharged or released from active duty (REFRAD) as a Reserve officer on the basis of a determination of any of the following:

(a) Misconduct.

(b) Moral or professional dereliction.

(c) Duty performance below prescribed standards for the grade held.

(d) Retention being inconsistent with the interests of national security.

(e) The person's former enlisted status and grade were based solely on the participation by that person in a precommissioning program that resulted in the Reserve commission held by that person during the active duty from which the person was released or discharged.

(f) A person separated as a regular enlisted member of another Service to enter on active duty as a AR commissioned or warrant officer.

(g) The Soldier has sufficient creditable active service to retire in an enlisted status. Authority to reenlist will include instructions that the Soldier will be placed on the retired list on the first day of the month after the month of reenlistment.

(5) All applications for enlistment and exceptions will be sent to CG, USAREC.

(6) Former officers who were separated from the Navy, Air Force, Marine Corps, or Coast Guard are not eligible for enlistment (waiver may be considered).

(7) Minimum documentation required is in chapter 4.

*b.* For USAR or ARNG enlistment only, the following apply:

(1) Enlistment into the USAR or ARNG is authorized for current and former officers without regard to statutory entitlement as discussed for RA enlistment above.

(2) Officers applying for enlistment must meet eligibility criteria of chapter 3.

(3) All applicants must have ASVAB test results and have a physical examination according to this regulation and AR 40-501.

(4) Current RC officers will resign their commission by submitting a letter of resignation to the Commander, HRC-St. Louis. The letter of resignation should request the effective date to be the day prior to the enlistment date of the officer. A guidance counselor will ensure that the letter of resignation is mailed on the day of enlistment. This will ensure that if the officer declines enlistment or is otherwise not enlisted that his or her resignation is not unintentionally submitted.

(5) Paragraph 3-18 provides grade determination rules for former or current officers who enlist. An officer will not be awarded an MOS based solely on unit vacancies, but also on the officer's past military training and experience and his or her ability to meet the prerequisites for the relevant MOS. In most instances, the Soldier will be placed in a "will train" position, regardless of the former branch of the former officer. Recruiting battalion commanders will take care to ensure that grade authorization up to SGT is based on the whole person concept and does not interfere with or otherwise compromise the integrity of the unit's promotions of Soldiers with continuous service.

## **Section II**

### **Enlistment Periods and Pay Grades**

#### **3–15. Authorized enlistment periods**

*a.* Enlistment for PS applicants in the RA is authorized for a period of at least 3 but not more than 6 years. A specific MOS may require a minimum term of service.

*b.* Enlistment in the USAR or ARNG for PS applicants with a remaining unfulfilled portion of a previously incurred MSO may select their term of service as follows:

(1) Enlistment for assignment to a TPU of the Selected Reserve or ARNG may be for 1 but not more than 8 years if the term of service is equal to, or greater than, the remaining unfulfilled portion of a previously incurred MSO. The enlistment must be in whole years.

(2) Enlistment in the USAR for assignment to USAR Control Group (Reinforcement) may be for 3, but not more than 8, years. Term of service must be equal to, or greater than, the remaining unfulfilled portion of a previously incurred MSO, and the applicant must have completed Basic Training and have been awarded an MOS. The period of the enlistment will be served in the IRR, unless the member is voluntarily transferred to a TPU of the Selected Reserve.

*c.* PS applicants who were previously discharged before completing their MSO must enlist in the USAR for a period of whole years that will equal or exceed the unfulfilled portion of the previously incurred MSO.

*d.* PS applicants 18 through 57 years of age with no remaining MSO who can qualify for retired pay by age 62 (see AR 135–180 for non-regular retired pay qualification) may enlist in the USAR for assignment to a TPU for 1 but not more than 8 years; or they may enlist in the USAR for assignment to USAR Control Group (Reinforcement) for a period of 3 through 8 years. (Exceptions are provided for in chapter 9, Program 9G. However, the enlistment period may not exceed the last day of the month in which the member attains age 60.)

*e.* PS applicants 57 through 59 years of age who can qualify for retired pay by age 62 (see AR 135–180) and who have been granted a waiver permitting enlistment over 55 years of age (see chap 4) may enlist in the USAR for assignment to a TPU or USAR Control Group (Reinforcement). Enlistment may be for a period of time (but not less than 1 year) that will not exceed beyond the last day of the month in which the member attains age 62.

*f.* PS applicants with no remaining MSO may select their term of service as follows:

(1) Enlistment for assignment to TPU of the Selected Reserve may be for 1, 2, 3, 4, 5, 6, 7, or 8 years. The entire period of the enlistment will be with a TPU of the Selected Reserve (except as otherwise authorized by AR 140–10).

(2) Enlistment in the USAR for assignment to USAR Control Group (Reinforcement) is authorized for persons with no remaining statutory obligation. Enlistment may be for 3, 4, 5, 6, 7, or 8 years, except as otherwise provided for in chapter 9, Program 9G. The period of enlistment will be served in the IRR. (The exception is one in which the member is voluntarily transferred to a TPU of the Selected Reserve during the period of enlistment.)

#### **3–16. Authorized enlistment pay grade determination**

*a.* The pay grade on enlistment into the RA will be determined under paragraph 3–17 and into the USAR under paragraph 3–18. For USAR and ARNG, DOR will be determined per AR 600–20.

(1) Grade determination submitted to CG, USAREC will also be evaluated for enlistment eligibility.

(2) As required, grade determinations submitted to CG, USAREC will have all medical or moral waivers completed prior to submission.

(3) All requests for grade determination in grades SPC and below with no more than 7 years total active service and enlistment at any time after separation will be completed in accordance with paragraph 3–17. The term of enlistment, when added to previous AFS, may not exceed 10 years. The CG, USAREC may consider waivers.

(4) All requests for grade determination in the grade SGT and above will be submitted to CG, USAREC for all PS persons in categories not qualified for consideration under paragraph 3–16.

(5) An applicant who is in the grade of SGT when no vacancy exists in the applicant's current MOS may enlist as a SGT provided the applicant accepts retraining in an MOS provided by CG, USAREC and the applicant has completed the appropriate NCOES leadership requirements or its equivalent. CG, USAREC will determine the MOS for retraining.

(6) Attempts will be made to enlist all PS applicants (regardless of component), to include Glossary NPS applicants, in their former MOS. If a PS applicant request retraining, they will be afforded the opportunity to retrain into a different MOS (new MOS will be based on the applicant's aptitude scores and the needs of the Army). This guidance will be followed until otherwise directed by DCS, G–1 (DAPE–MPA).

(7) Years of active service must be verified from DD Form 214/DD Form 215.

(8) All applicants who enlist in the grade SGT or above must have an electronic verification approval for assignment from CG, USAREC. The DOR will be adjusted at the time of RA enlistment per AR 600–20. Guidance counselors will advise applicants that this entry will be reviewed for correct entry at the first duty station or reception battalion.

(9) All applicants will have the authority for pay grade clearly annotated on the DD Form 1966—

(a) If CG, USAREC determined grade, enter “Enlistment Rank Authorized by CG, USAREC, dated YYMMDD, Grade E-x verified by (name, guidance counselor).”

(b) If grade was determined by paragraph 3–17, enter “Enlistment Grade Authorized by AR 601–210, paragraph 3–17, dated (Day-Mo-Year), Grade E-x verified by (name, guidance counselor).”

(10) Grade for PS applicants, including Glossary NPS applicants, will be determined at time of entry into delayed status. Grade authorized at time of delayed status will be the enlistment grade authorized at time of RA enlistment.

b. PS and Glossary NPS may not be enlisted into the DEP.

c. Enlisted members on the TDRL, later found to be physically fit, have a statutory right to enlist in the enlisted rank or the next higher regular enlisted rank held at the time they were placed on the TDRL (10 USC 1211(a)(3)) (see chap 5, sec XIV). All Soldiers being removed from the TDRL must have a grade determination by CG, USAREC.

d. This regulation will not place a PS applicant in a more favorable enlistment grade than he or she otherwise would have been entitled to, if his or her service had been continuous.

### **3–17. Enlistment pay grade and terms of enlistment for Regular Army applicants with prior military service**

Higher grade is authorized using paragraph 2–18 if it is more advantageous to the applicant. Higher grade is not authorized for applicants who have been reduced in rank and discharged or a member of a RC. Term of enlistment will be a minimum of 3 years. Exceptions will be considered when no vacancy exists in the former MOS or other service occupation does not convert and retraining is required. When retraining is authorized, the term of enlistment, when added to previous AFS, will not exceed a total of 10 years for E–4 and 8 years for E–1 through E–3. Waivers may be considered by the CG, USAREC. An applicant who has been separated from any component in the grades of E–3 or below as a result of reduction in grade or disciplinary action will not be considered for a grade determination without coordination with CG, USAREC. The following are criteria for eligibility:

a. *A current member of a RC.* If applicant is a current member of a RC and has not been awarded a MOS and enlists within 12 months from the date released from initial active duty for training (IADT), the enlistment pay grade will be the grade held at the time of release from IADT. This does not apply if approval authority for release has promoted or demoted the applicant to a higher or lower grade. Applicant must produce DA form 4187 approving the promotion to the higher grade.

b. *A former member of AC/RC service.*

(1) If applicant was last separated from any Component or is a current member of an RC in grades E–1 through E–3 with not more than 5 years active Federal service (AFS) and enlists within 48 months from the date of separation, the enlistment grade will be the same grade held at time of separation. If enlisting more than 48 months from completion of military service obligation, reduce one grade, but will not go below the grade of PV2 unless separated as PV1.

(2) If applicant was last separated from any Component or is a current member of an RC in grade E–4 with not more than 7 years AFS and enlists within 48 months from the date of separation, the enlistment grade will be the same grade held at time of separation. If enlisting more than 48 months from completion of military service obligation, reduce one grade.

(3) Applicants in grade E–5 and above must submit a formal request to CG, USAREC to determine assignment eligibility—

(a) Vacancy exists in former PMOS. Applicant was last separated from any component in the grade of E–5 and enlists within 48 months following separation, or is a current member of a RC; the enlistment grade will be E–5 (must not have more than 12 years AFS).

(b) Vacancy does not exist in former PMOS. Applicant was last separated from any component in the grade of E–5 and enlists within 48 months following separation, or is a current member of an RC, the enlistment grade will be E–5; however, applicant must accept retraining in the MOS provided by CG, USAREC and not have more than 12 years AFS.

(c) Applicants in the grade of E–6 and above will have eligibility determined by CG, USAREC.

(4) RC enlisted Soldiers of the USAR and the ARNGUS who have attained 18 years Active Service in accordance with 10 USC 12686, and desire to serve in the RA, may be accessed by CG, USAREC according to guidance in b(5), below. Further, grade determinations will not be conducted on RC Soldiers retained on active duty under the provisions of 10 USC 12686. These Soldiers will be retained in the grade held at date of enlistment into the Active Army, unless properly promoted in accordance with applicable Army promotion board procedures.

(5) Mobilized RC enlisted Soldiers of the USAR and ARNGUS who have less than 18 years active service, and desire to serve in the RA, may be processed onto active duty, jointly by CG, HRC and CG, USAREC according to current MILPER message and business rules governing this process.

c. *A former officer.*

(1) If applicant is a former officer and has a statutory entitlement to reenlist and makes application for enlistment within 6 months after separation from AD, the enlistment grade will be the one held before becoming an officer in accordance with paragraph 3–14.

(2) If applicant is a former officer without statutory entitlement to reenlist and is authorized to enlist under the

provisions of paragraph 3–16, the enlistment eligibility and grade will be determined by the CG, USAREC or the DARNG for ARNG personnel.

*d. Regular Army PS applicant with an MOS authorized a BSSRB.* An RA PS applicant last separated with an MOS currently offering a BSSRB, if otherwise qualified and one of the following is met:

(1) Applicants last separated from the RA with an MOS authorized under the BSSRB program may enlist after 3 months and within 48 months from the date separated from the RA in the same grade held at time of separation if authorized by CG, USAREC.

(2) CG, USAREC must authorize enlistment and provide the appropriate level of bonus for applicants qualifying under these criteria. Bonus authority and amounts will be announced by HQDA or the DARNG and will be provided to all USAREC or ARNG activities.

*e. Military Academy or Preparatory School.* Applicants who have completed 1 or more years at a U.S. military service academy or U.S. military academy preparatory school will have their grade based on the level of college credit attained under the provisions of paragraph 2–18.

### **3–18. Enlistment pay grades for prior service for Reserve Component enlistment**

*a.* Applicants enlisting in the USAR or ARNG will have pay grade determined based on one of the following:

(1) An applicant who is a former member of the U.S. Armed Forces and who has completed IADT in grades E–1 through E–4, higher grade is authorized using paragraph 2–18, if it is more advantageous to the applicant. Higher grade is not authorized for applicants who have been reduced in rank and discharged or a member of a RC.

(2) An applicant who is a former enlisted member of the U.S. Armed Forces in the grade of SGT or higher who enlists within 48 months from last separation will be enlisted in the grade held at time of last separation. PS applicants who enlist will be given an adjusted DOR of the original DOR plus elapsed time since discharge. For example, if original DOR is 1 November 1998 and elapsed time since discharge is 14 months, adjusted DOR is 1 January 2000.

(3) An applicant who is a former enlisted member in the Armed Forces in the grade of SGT through SGM and who enlists after 48 months from last separation will be enlisted in a grade at least one grade lower than the grade held at time of last separation. CG, USAREC or DARNG may consider waivers.

(4) An applicant who is enlisted on the TDRL and has been found medically qualified to perform duties of the grade and enlists within 90 days after removal of his or her name from TDRL will be enlisted in the same grade held when released from duty. The applicant's DD 214 will be used to determine date and grade at which the Soldier was placed on TDRL.

(5) An applicant who is a former enlisted member who was separated from active service as an Army commissioned officer or warrant officer with an honorable or by relief from AD for a purpose other than to await appellate review of a sentence, including dismissal or dishonorable discharge, and who enlist within 6 months after separation from AD in an officer status. Enlistment grade will be the grade held prior to commencement of officer service, without regard to grade vacancy. Date of rank will be adjusted by subtracting time served in highest enlisted grade from enlistment date.

(6) The enlistment grade for an applicant who was last separated from any component of the U.S. Armed Forces as a commissioned officer or warrant officer (except those covered by 3–18a(5)) will be determined by the authorities listed in paragraph 3–18c. Date of rank will be date of enlistment.

(7) Applicants who enlist for the ACASP will have grade determined in accordance with chapter 7. However, if the applicant was separated in the grade of SGT or above, then paragraph 3–18a(2) or (3) applies.

*b.* Authorities for grade determination are shown below—

(1) Commander, Recruiting Battalion, XO or equivalent ARNG personnel: Grade of SGT, when assignment is for a TPU of the Selected Reserve.

(2) CG, USAREC or the DARNG: Grades of SSG through SGM, when assignment is to the U.S. Army Mobilization Support Detachment (RCPAC Augmentation).

(3) Commander, Recruiting Battalion or equivalent ARNG personnel: Grades of SGT through SFC, when assignment is to the IRR and the enlistment is accomplished within the continental United States (CONUS).

(4) CG, USAREC or DARNG: Grades of MSG through SGM, when assignment is to the IRR and enlistment is accomplished within CONUS.

(5) CG, USAREC or DARNG: Grades of SGT through SGM, when assignment is to a TPU of the Selected Reserve.

*c.* Authorities listed in 3–18b may authorize enlistment if grade held by the applicant when last discharged if MOS held is the same MOS for which enlisting, or if it is determined that the applicant possesses the technical or administrative skills needed for the MOS vacancy in which enlisting. If enlisting for a TPU, a vacancy must exist.

*d.* Applicants enlisted in the grade of SGT or above must remain in TPU for a period of 12 months before considering a request to process for any active duty component.

## Section III Verification and Qualification for Prior Service Personnel

### 3-19. General

- a.* This section provides guidance to qualify and verify applicants with PS in a U.S. Armed Force.
- (1) *Evaluation of applicants.* Application for enlistment from former members of the U.S. Armed Forces will be evaluated thoroughly. Veterans qualified for possible RA or USAR enlistment will be identified. Greater opportunity will not be provided to PS applicants enlisting from civilian status than given to RA or USAR members reenlisting within their respective component.
- (2) *Disqualification of applicants due to RE codes.*
- (a) Inform applicant that an RE code is not upgraded unless it was administratively incorrect when originally issued.
- (b) Depending on the disqualification, a waiver may or may not be authorized.
- (c) Depending on the needs of the Army, waivers may not be considered even though the disqualification could be waived. In these cases, applicants should be informed to contact recruiters periodically to see if waiver applications are being considered.
- (d) Advise applicants whose previous separation may require a 2-year waiting period in accordance with chapter 4.
- b.* For USAR and ARNG only, the following requirements apply:
- (1) PS personnel must meet basic eligibility requirements outlined in this chapter and this section. They also must have successfully completed an Army basic combat training (BCT) course, Warrior Transition Course (WTC), or U.S. Marines BCT course during previous military service. These personnel will not be sent to WTC.
- (2) PS enlistees who have not successfully completed either an Army or Marine BCT course mentioned in paragraph 3-19b(1) during previous military service must enter on IADT within 180 days after enlistment in the USAR or ARNG and successfully complete WTC conducted by the Army. Soldiers who fail to attend WTC within 180 days after entry are required to return to MEPS to be rescheduled for this training.
- (3) The WTC replaces the traditional Army BCT course formerly used to train PS personnel.

### 3-20. Verification of prior service

Commanders at all levels in USAREC will emphasize the need for early detection of possible erroneous or fraudulent enlistment of applicants. Applicants who are thought to have had, or who claim to have had, PS in any U.S. Armed Force will not be enlisted in the RA, AR, or ARNG until their PS, if any, is verified.

*a.* Authorized personnel with access to the Defense Manpower Data Center (DMDC) via Recruiter Eligibility Data Display (REDD) may obtain reentry eligibility data (see para 3-21). The applicant must have received a copy of the Privacy Act Statement. If an inquiry is made and reentry eligibility data is favorable, processing will continue. If the response is unfavorable, processing will be suspended until data can be verified. A DD Form 214 and DD Form 215 with RE code and Separation Program Designator (SPD) code can be obtained by writing the proper agency listed in 3-20e.

- b.* Prior military service can be verified as follows:
- (1) For applicants who served in RA, the following documents will verify PS:
- (a) Original copy or certified copy of latest DD Form 214. (Certified copy from court or VA may be used).
- (b) DMDC REDD level 2.
- (c) Copy of the original or legible DD Form 214 may be used provided it agrees with MEPCOM verification procedures or DMDC REDD check to verify that the RE Code and separation code are the same.
- (2) For applicants who served in RC, the following documents will verify PS:
- (a) DD Form 214 or DD Form 215 will be used to verify all periods of active and inactive military service of the member before the date of his or her last separation from active military service; however, entries may appear in error to the recruiter, or the applicant may dispute the entries. Only the original form, the actual carbon copy, a certified copy of the original form, a legible copy verified by REDD from DMDC, or a records depository copy furnished by the recruiting official under *c*, below, is authorized for verification purposes. DD Form 214 or DD Form 215 will not be used to verify RC membership or the nature of the RC service after the member's date of last release from active military service unless recruiting officials obtain a discharge order or discharge certificate.
- (b) The recruiting battalion operations NCO or officer is authorized to use the HRC-St. Louis Assignment Orders and Resource Systems to verify RC service. This verification may be used when all other attempts to obtain documents have been exhausted.
- (3) For both RA and USAR applicants, if a DD Form 214 or DD Form 215 is not available, the documents below may be used to verify PS. Copies must be furnished to recruiting officials directly or through military channels by the records custodian for forms cited in (a) through (d), below:
- (a) Certified, true copy of copy 2 of DD Form 214.
- (b) DD Form 220 (Active Duty Report). This form will serve to verify periods of active military service.
- (c) NGB Form 22 (Report of Separation and Record of Service). This form may be used to verify periods of ARNG

or Air National Guard (ANG) service. Entries may appear to be in error or the applicant may dispute the entries. If so, previous ARNG or ANG service may be obtained by writing the Adjutant General of the State where the last separation from the ARNG or the inactive ANG was implemented.

(d) DMDC REDD level 2.

c. An applicant may not be able to substantiate his PS under paragraph 3–20b. If so, a request for verification of PS will be submitted to the USAREC Liaison Team located at HRC–St. Louis. Such requests will contain the following:

- (1) The exact name under which the person served.
- (2) SSN.
- (3) Organization from which last discharged.
- (4) Type of discharge claimed.
- (5) If exact dates of service are not known, approximate dates.

d. The USAREC Liaison Team will access the categories of PS records below. The team will provide documented responses directly to recruiting battalion operations by mail.

- (1) Army PS personnel separated more than 4 months with or without an USAR obligation.
- (2) Armed Services PS personnel separated more than 4 months without a Reserve obligation.

e. Request for PS verification or IRR membership of applicants with an AR obligation will be made by telephone. f. For an applicant enlisted in the RA when their last DD Form 214 is presented, or for an applicant enlisted in the

USAR when one or more of the documents listed in 3–20*b* are presented, but all PS claimed for computation of basic pay cannot be verified—

(1) The document that verified the last previous military service will be annotated at the top of the document with date, place, and period of current enlistment. The document is returned to the enlistee after annotation and before his or her departure from the MEPS. A copy of the verifying documents is sent with each copy of the DD Form 4.

(2) After the person arrives at the first duty station, the custodian of their personnel records will attempt to verify the PS claimed, but not substantiated, from the proper addressee in 3–20*c*. If verification is received, the custodian will place the corrected verification in the members personnel file and update the member’s personnel records, reflecting a revised pay entry basic date (PEBD).

(3) Recruiting officials must ensure that persons being processed for enlistment have been granted a conditional release from another RC, have been issued a discharge certificate, or will be issued a discharge certificate on the day before the date of enlistment in the USAR. An applicant for USAR enlistment may state that he or she was discharged recently from the RA when, in fact, they may have been separated and assigned to the IRR. Members of the IRR may be voluntarily transferred to units of the Selected Reserve (see AR 140–10). They are never discharged from the IRR for immediate enlistment in the Selected Reserve. Provisions exist by which a member of the IRR, who is within 90 days of ETS, may reenlist immediately with concurrent reassignment to a unit of the Selected Reserve (see AR 140–111, chap 7).

### 3–21. U.S. Army reentry eligibility codes

Verification of PS RE codes will be requested from agencies listed in paragraph 3–20. The following RE codes (tables 3–1 through 3–4) are used for administrative purposes only. Applicants should be advised that these codes are not to be considered derogatory in nature; they simply are codes used for identification of an enlistment processing procedure.

### **3-22. Reentry codes and separation program designator, any component**

PS personnel who were released early to attend school or received SSB/VSI separation pay and received an SPD code of KCB, KCF, MCA, MCB MCF, or KCA may enlist without RE code waiver. Personnel who enlisted in the USAR who never shipped to IADT that subsequently were discharged for being an unsatisfactory participant may enlist without a waiver.

### **3-23. Determination of enlistment/assignment eligibility**

*a.* RA enlistment eligibility will be based on last discharge or separation. If last period of service was in RC (excluding IRR) qualification will be based on that separation/discharge.

*b.* RC enlistment eligibility of a person who does not meet requirements of 3-23*b*, or whose last period of military service ended with a discharge from an AD status, must be determined before the enlistment agreement is completed. If the person was discharged from AD status, the RE code and SPD will be obtained. If last period of service was in RC (excluding IRR) qualification will be based on that separation/discharge. If an individual's last period of service was in the IRR or discharged from the IRR, then they will require the same processing procedures as a prior service who was discharged and required a waiver. However, if the applicant is currently in a TPU or member of ARNG for six months or more, or served in a TPU or ARNG after discharge from a regular component, no waiver is required. If an applicant has been in the TPU or ARNG less than six months, a waiver is required. Soldiers with the following RE codes are fully eligible for RC enlistment/assignment if last discharge was from the RA:

(1) RE-1, RE-1A, RE-1B, RE-1C.

(2) RE-2, RE-2A, RE-2C, 3A, 3C.

(3) RE-3, if DD Form 214/215 is annotated with separation authority, separation code, and narrative reason for separation as follows:

(*a*) Separation authority: AR 635-200 and other service's separation authority.

(*b*) Separation code: KBK, KCC, KCF, KDM, MBK, MCC, MCF, MDM.

### **3-24. Correction of Army reentry eligibility codes**

PS Army personnel will be advised that RE codes may be changed only if they are determined to be administratively incorrect. Applicants who have corrected RE codes will be processed for a waiver at their request if otherwise qualified and waiver is authorized. No requirement to change RE code exists to qualify for enlistment. Only when there is evidence to support an incorrect RE code or when there is an administrative error will an applicant be advised to request a correction. Do not advise applicants to contact the Discharge Review Board or the Army Board for Correction of Military Records when applicant is eligible to request a waiver.

## **Section IV**

### **Prior Service Versus Nonprior Service Reconciliation Procedures**

#### **3-25. General**

This section provides policy, responsibilities, and procedures required to—

*a.* Verify whether or not an applicant has had prior military service.

*b.* Reconcile the MEPCOM Integrated Resource System (MIRS) database to reflect the applicant's true status.

#### **3-26. Policy**

*a.* The verification of PS for all PS applicants for enlistment, regardless of component, will be according to chapter 3, section III, this regulation.

*b.* PS versus NPS reconciliation procedures attempt to identify whether a person being processed through a MEPS has had 1 or more days of prior military service.

*c.* USMEPCOM has implemented a PS verification system into their daily MIRS. This verification takes place on all initial, reestablished, and accession records, as well as SSN corrections. The verification is performed regardless of whether or not the applicant claims PS.

#### **3-27. Verification process**

The following actions comprise the verification process:

*a.* Files are transmitted by MEPCOM to DMDC and include SSN, first four letters of the applicant's last name (Name 4), MEPS identification, service processed for, and PS indicator.

*b.* Each processing day, MEPS receives a feedback report (sorted by service) of the previous day's transactions where an applicant's SSN matched a SSN on the DMDC historical file, whether the applicant claims PS on processing paperwork or not.

*c.* If data feedback reflects the applicant did not claim PS, the MEPS will review its files to ensure there was not a MIRS keystroke error. Keystroke errors will be corrected by the MEPS as soon as possible and the senior guidance counselor (SGC) will be notified.

d. The MEPS will provide the SGC with his or her portion of the daily feedback file (MEPCOM PCN ZHM-089). The SGC will acknowledge receipt by signing the original copy of the MEPCOM PCN ZHM-089 in those cases for which there were no administrative errors.

e. The MEPCOM PCN ZHM-089 will contain the following:

- (1) Service processing for codes (in the case of the Army, DAG, DAR or DAV).
- (2) SSN.
- (3) Name.
- (4) Date of action (this will be the date of the DMDC verification).
- (5) Condition of PS (for example, honorable).
- (6) Reason for discharge (such as early release, courts-martial, and so forth).
- (7) Previous service (Army, Air Force, Marine Corps, Navy).
- (8) Prior active military service claimed by the applicant (“Y” for yes, “N” for no).

### **3-28. Reconciliation procedures**

To reconcile the feedback report, the SGC will take the following actions:

a. When the SGC determines the applicant did have PS, the MEPS will be notified in writing. The MEPS will then be advised whether the applicant qualifies for continued processing. If the reason for prior discharge is not waived (if required), appropriate action will be initiated according to this regulation. If a waiver is required, a copy of the form will be completed by the SGC and provided to MEPS before the applicant will be allowed continued processing. If no waiver is required, the SGC will notify the MEPS in writing, before processing resumes.

b. When it is determined that the applicant had no PS, the MEPS will be provided a form verifying the applicant’s NPS status. The form will be filed in the applicant’s processing record prior to the DEP or accession.

c. Applicants identified as possible PS will be required to demonstrate they are NPS, with the assistance of the recruiter and the recruiting battalion. Aggressive action in this area will reduce administrative and investigative workloads in the future by precluding the fraudulent enlistment of an applicant due to concealment of PS.

d. No further action is required if the feedback reflecting PS matched the applicant’s claim of PS on processing paperwork unless there is a conflict between the DMDC verification and documentation. Certification of PS in this case will be according to this regulation. Section V Broken Service Selective Re-enlistment Bonus

### **3-29. Administration for BSSRB recipients**

modify the form by adding the words “broken service” immediately before all entries that read “selective reenlistment bonus.”

## **Chapter 4 Waiver and Nonwaiver Enlistment Criteria**

### **Section I Waiver and Nonwaiver Disqualifications**

#### **4-1. General**

This section contains waiver and nonwaiver enlistment criteria and prescribes procedures to initiate and process a request for waiver to meet basic enlistment qualifications.

#### **4-2. Moral and administrative disqualifications**

- a. Commanders at all levels determine if waiver requests warrant favorable consideration through—
  - (1) Questioning.
  - (2) Investigating.
  - (3) Counseling.
  - (4) Gathering proper documents and waiver request information.
- b. Recruiters do not have the authority to disapprove a waiver request or to refuse to forward an applicant’s request.
- c. Applicants who do not meet established enlistment standards are not eligible for enlistment unless a waiver is authorized. Commanders cited in this regulation have the authority to approve waivers as appropriate. The burden is on the applicant to prove to waiver authorities that he or she has overcome their disqualifications for enlistment and that their acceptance would be in the best interests of the Army. Waiver authorities will apply the “whole person” concept when considering waiver applications.
- d. Applicants having tattoos will be screened in accordance with AR 670-1.
- e. Suitability will be determined by the following:
  - (1) Applicants with a criminal history (regardless of disposition) or questionable moral character, but because of dismissed charges, plea bargains, or release without prosecution, must have a suitability review for determination of enlistment. Reviewer will determine if a personal interview with the applicant is required, and, if so, may be accomplished telephonically. Approval will be annotated on the DD Form 1966 remarks section with a review date, name and title of reviewer.
    - (a) Suitability review will be conducted on the following charges prior to any moral waiver processing on all applicants (the appropriate review level is also noted):
      1. One or more serious offense, regardless of disposition (Recruiting Company Leadership Team or equivalent member of the ARNG).
      2. Six or more minor traffic convictions where the fine was \$250 or more per offense (Recruiting Company Leadership Team or equivalent member of the ARNG).
      3. Five or more minor non-traffic charges (Recruiting Company Leadership Team or equivalent member of the ARNG).
      4. Two or more misdemeanor charges (Recruiting Battalion Leadership Team or equivalent member of the ARNG).
      5. Combination of four or more minor non-traffic or misdemeanor charges (Recruiting Battalion Leadership Team or equivalent member of the ARNG).
      6. One serious criminal misconduct charge, regardless of disposition (Recruiting Battalion Leadership Team).
      7. Any offenses requiring a suitability review and the appropriate approval level are set out in paragraph 4-11. Domestic battery/violence charge, includes but is not limited to, charge(s) of domestic violence, assault, simple assault, assault and battery, battery, assault with the intent to commit bodily harm, assault on a person, or abuse by an applicant against his/her parent, step-parent, sister, or brother, regardless of disposition. Recruiting Battalion Leadership Team will forward all such cases to USAREC Waivers or DARNG for review if determined that they fall under the Lautenberg Amendment.
      8. Domestic battery/violence charge as defined under Lautenberg law, regardless of disposition (see definition in paragraph 4-7f) (CG, USAREC or DARNG).
      9. When it is reported (either by visual sighting or annotated on the DD 2807/2808) through a tattoo, behavior, verbal or written communication, appearance, or gestures that an individual is or may be involved with an extremist organization, group, or gang, the following procedures will be used to determine eligibility:
        - a. The commander must ensure from a series of direct and indirect questions that the applicant is in fact given fair assessment and determination without personal bias or predetermined outcome.

*b.* A person who admits to or is determined to have been associated with or in a gang linked to criminal or extremist activity will be questioned concerning the involvement. The fact that a person has been in a gang may not be grounds for disqualification. The whole person concept must be applied. Criminal background, commander interview, and potential for meeting Army standards must be reviewed.

*(b)* Court documents are required for misdemeanor, serious offenses, and serious criminal misconduct charges.

(2) Any applicant who is denied enlistment because of questionable moral character will have the denial information forwarded via e-mail to USAREC-G3, RO Waivers or DARNG for member of the ARNG.

*f.* Applicants enlisting in the DEP/DTP/DS or ARNG who conceal charges that require a waiver will be discharged. All DEP/ DTP/DS or ARNG applicants discharged under this paragraph will incur a 6-month waiting period from date of separation orders and require a fraudulent enlistment waiver from the recruiting battalion commander along with any additional waivers as noted in this chapter. The waiting period is for administrative and evaluation purposes. Any applicant enlisting in the DEP/DTP/DS or ARNG who conceals charges not requiring a waiver will be reviewed in accordance with the following:

(1) Applicants enlisting in the DEP (RA or USAR)/DS who conceal a charge or charges that do not require a waiver or USAREC review can be retained and authorized to ship by the Recruiting Brigade Commander or equivalent ARNG commander.

(2) Discharge authority for DTP or ARNG Soldiers who fraudulently enlist is the same as approval authority authorized to retain USAR or ARNG Soldiers.

(3) The Brigade Commander (may be delegated to Brigade DCO) may grant an exception to retain in the DEP a future Soldier who requires a waiver as a result of unintentionally concealed information. The term “unintentional” is used to allow those cases in which an error or the FS admitted to charges but may have not used the technically correct term, or there were “stacked” charges (related to and part of the same offense) that was omitted unintentionally. This authority does not include any excuse such as “it was expunged, dismissed, dropped, my lawyer told me not to reveal or a judge told me I had no record”, these excuses are not valid in that USAREC will require each applicant to acknowledge that they were not told to conceal charges for these reasons, and the applicant will both in writing and verbally acknowledge they have not withheld any information based on these reasons. The Brigade Commander or DCO will determine if the applicant intentionally concealed information and if that determination is affirmative, then discharge must occur.

#### **4-3. Submission of requests**

Applicants applying for waiver of conviction or other adverse disposition will provide evidence of satisfactory rehabilitation and documents to support the waiver request.

*a.* Unless indicated otherwise in this regulation, requests for waiver and other actions that require an approval by the CG, USAREC (for RA and USAR) or DARNG will be submitted via Guidance Counselor Redesign (GCRC). Request for waivers and other actions that require approval by CG, USAREC or DARNG will be forwarded electronically. Every effort will be made to ensure capture of electronic record of waiver starting at the recruiting station level.

*b.* Waivers approved by CG, USAREC for enlistment in the RA may be used for enlistment in the AR, provided the individual is otherwise qualified.

*c.* Waivers approved by CG, HRC for enlistment in the RA may be used for enlistment in the USAR or ARNG, provided the individual is otherwise qualified.

#### **4-4. Listings of disqualifications**

*a.* When processing moral waivers, all offenses must be listed. If multiple charges arise out of a single act that results in a civil court conviction or other adverse disposition, all charges will be considered for enlistment eligibility purposes (for example, a person caught by police during an attempted shoplifting who then resists arrest and is fined \$300 and 1-year unsupervised probation.) Charges will not be combined (stacked) in order to be viewed as one charge. Both charges must be considered for waiver purposes. Doubtful cases will be referred to USAREC Plans and Policy Division.

*b.* Typical offenses are as follows:

(1) Traffic offenses treated as minor by law enforcement agencies of the state where the offense was committed should be treated as minor (para 4-8). While parking tickets are not listed as typical minor traffic offenses, unpaid parking tickets remain a disqualification as a pending charge. If the maximum confinement under local law is 4 months or fewer, the offense should be treated as minor nontraffic. If the maximum confinement under local law exceeds 4 months, but does not exceed 1 year, treat the offense as a misdemeanor.

(2) The lists of typical offenses shown in these paragraphs are guides. It is not practical to list all offenses. Treat offenses in each paragraph and those of a similar nature according to the type of offenses listed in the paragraph despite their classification under state law and whether the determination is deemed a conviction or adjudication under State law. The offenses named in paragraphs 4-8 through 4-11 will be considered to have the elements of those offenses under the common law or the UCMJ when no such common law exists.

c. Paragraph 4–24 lists nonwaiver moral and administrative disqualifications. The following rules apply to moral disqualifications.

(1) Persons released from custody or restraint of a court under procedures that do not result in final disposition of the charge are morally disqualified. Examples of such releases are—

(a) Release following plea of any type to the court (including plea of guilty or nolo contendere).

(b) Release on probation without verdict.

(c) Release on person's own recognizance.

(d) Release following charges that are placed on file.

(e) Any similar disposition, without regard to its technical name, that indicates the person may remain subject to further judicial proceedings in connection with the charges.

(2) In addition, persons who are granted release from charges at any stage of court proceedings if they will apply or be accepted for enlistment in any U.S. Armed Forces are not qualified for enlistment (see para 4–12*b*). Questionable cases will be referred to USAREC Plans and Policy, through the chain of command. Granting of release from charges is an alternative to further prosecution, indictment, trial, or incarceration in connection with the charge, or proceedings relating to adjudication as a youthful offender or juvenile delinquent.

(3) The above bases for disqualification will be considered removed if the official chiefly responsible for prosecution of the charges submits a signed statement that, under the laws or current practices of the jurisdiction, applicant is not subject to further restraint, custody, control, or prosecution by authorities thereof. Such officials include the district attorney, judge of the court involved, or higher official of the jurisdiction concerned who has responsibility in connection with the case.

d. Paragraph 4–25 lists nonwaiver disqualifying separations. Persons separated from any component of the U.S. Armed Forces, whose separation documents contain disqualifying RE codes or entries in paragraph 4–25, will not be considered for waiver.

#### **4–5. Waiver requirements for medical disqualifications**

a. Any applicant with or without prior military service who the MEPS physician finds not to meet the medical standards for enlistment will require a waiver.

b. Any applicant who was last separated or discharged from any Component of the U.S. Armed Forces for medical reasons with or without disability for enlistment into the RA, USAR, or ARNG will require a waiver.

c. Documents required for waiver consideration are—

(1) Applicant's current MEPS medical examination.

(2) DD Form 214 and DD Form 215 if applicable.

(3) USMEPCOM Form 680–3A–E with test results reflected.

(4) All reports of separation, discharge, or release from any Component of the U.S. Armed Forces.

(5) Medical records if a current member of a TPU in the ARNG or USAR.

(6) If separated for medical reasons, must submit DA Form 4707 (Entrance Physical Standards Board (EPSBD) Proceedings).

d. Approval authority for medical waivers is the CG, USAREC or equivalent member of the ARNG. The USAREC Command Surgeon will act on behalf of the CG, USAREC, for all medical waivers.

e. Height waivers must include the applicant's waist, shoe, and hat size.

f. Overweight waivers will not be considered.

#### **4–6. Civil court convictions/dispositions waivers (other than serious criminal misconduct)**

a. For disqualification, the approval authority is the recruiting battalion commander, acting commander, executive officer or equivalent members of the ARNG. An adverse disposition will no longer include those that the only disposition was court costs or attorney fees imposed. A waiver is required for any applicant who has—

(1) Received four or more civil convictions or other adverse dispositions for minor nontraffic offenses.

(2) Received two, three, or four civil convictions or other adverse dispositions for a misdemeanor offense.

(3) Received a total of four civil convictions or other adverse dispositions for a combination of minor non traffic and misdemeanor (1 misdemeanor and 3 minor nontraffic).

(4) Received one conviction or other adverse disposition for one of the following offenses or misdemeanors labeled serious offenses listed in paragraph 4–10:

(a) Carrying of weapon on school grounds when a penalty was imposed by school officials (for example, expulsion, suspension, fine, or community service).

(b) Possession of any illegal drugs on school grounds when a penalty was imposed by school officials (for example, expulsion, suspension, fine, or community service).

(c) Act of violence including threats against any school faculty members, when a penalty was imposed by school officials (for example, expulsion, suspension, fine, or community service).

(d) Domestic battery/violence not resulting in a qualifying Lautenberg conviction (see Lautenberg definition in para 4-7f).

(e) Received one conviction or other adverse disposition for driving while intoxicated (DWI), driving under the influence (DUI), or driving while impaired because of substance abuse, alcohol, drugs, or any other condition that impaired judgment or driving ability.

(f) Possession of marijuana or drug paraphernalia. (Waiver may be considered. Waiver may be considered if charged with both offenses provided they occurred simultaneously.)

(g) Solicitation for prostitution.

(h) Terrorist threats not determined to be a serious misconduct.

b. For applicants applying for enlistment in WOFT or for OCS, approval is required from CG, USAREC on any cases involving the following:

(1) Any person adjudicated as a youthful offender.

(2) Any offense with a fine of \$300 or more, excluding court cost.

(3) Any offense where confinement was ordered, regardless of suspended sentence or deferred disposition.

(4) Any offense regardless of disposition (other than “not guilty”) that involves contributing to the delinquency of a minor, spousal or child abuse, any sex-related crime or any offense under chapter 4 that is listed as a misdemeanor.

#### **4-7. Serious criminal misconduct**

a. A waiver is required for any applicant who has received a conviction or other adverse disposition for a serious criminal misconduct offense.

b. The approval authority is the CG, USAREC or DARNG. Applicants will incur a 12-month wait from the date of conviction prior to waiver processing.

c. The approval authority for applicants with two DUI/DWI convictions, one of which occurred outside the 3-year period is CG, USAREC or DARNG (see para 4-24 for conviction inside the 3-year period).

d. The approval authority for applicants with two possessions of marijuana or paraphernalia convictions/other adverse disposition, one of which occurred outside the 3-year period is CG, USAREC or DARNG (see para 4-24 for conviction inside the 3-year period).

e. For OCS and WOFT applicants, a waiver is not authorized because they will not be eligible for a security clearance.

f. The Domestic Violence Amendment to the Gun Control Act of 1968 (18 USC922) (“the Lautenberg Amendment”), makes it unlawful for any person to transfer, issue, sell or otherwise dispose of firearms or ammunition to any person whom he or she knows or has reasonable cause to believe has been convicted of a misdemeanor crime of domestic violence. It is also unlawful for any person who has been convicted of a misdemeanor crime of domestic violence to receive any firearm or ammunition that has been shipped or transported in interstate or foreign commerce. Enlistment of applicants with a qualifying conviction is prohibited and no waivers will be approved. Soldiers with a qualifying conviction will be barred from reenlistment and are not eligible for the indefinite reenlistment program. Soldiers in the indefinite reenlistment program will be given an ETS not to exceed 12 months from the date HQDA is notified of the qualifying conviction. Applicants who have enlisted in the DEP who are found to have a qualifying conviction will be separated from the DEP. For the purpose of this paragraph only, the following definitions apply:

(1) *Crime of domestic violence.* An offense that involves the use or attempted use of physical force, or threatened use of a deadly weapon committed by a current or former spouse, parent, or guardian of the victim; by a person with whom the victim shares a child in common; by a person who is cohabiting with or has cohabited with the victim as a spouse, parent, or guardian; or by a person who was similarly situated to a spouse, parent, or guardian of the victim. Persons who are similarly situated to a spouse include two persons who are residing at the same location in an intimate relationship with the intent to make that place their home.

(2) *Qualifying conviction.* A state or federal conviction for a misdemeanor crime of domestic violence and any general or special court-martial for an offense that otherwise meets the elements of a crime of domestic violence, even though not classified as a misdemeanor or felony. A qualifying conviction does not include a summary court-martial conviction or the imposition of nonjudicial punishment under Article 15, UCMJ. By DOD policy, a state or federal conviction for a felony crime of domestic violence adjudged on or after 27 November 2002, will be considered a qualifying conviction for purposes of this regulation and will be subject to all the restrictions and prohibitions of this regulation. A person will not be considered to have a qualifying conviction unless the convicted offender was represented by counsel or knowingly and intelligently waived the right to counsel, and, if entitled to have the case tried by a jury, the case was actually tried by a jury, or the person knowingly and intelligently waived the right to have the case tried by a jury; and, the conviction- has not been expunged or set aside, or the convicted offender has not been pardoned for the offense, or had civil rights restored; unless the pardon, expungement, or restoration of civil rights provides that the person may not ship, transport, possess, or receive firearms.

g. The definition of terrorist threats considered as serious criminal misconduct is an act/acts committed by a person

with violence or intimidation against an institution, teacher, or government official or such a degree amounting to the true interpretation of what a terrorist threat implies, to achieve a political or racial objective.

(a) An applicant will be rejected for entry if he or she makes a statement that demonstrates that the applicant has a propensity or intent to engage in homosexual acts, unless there is a further finding that the applicant has demonstrated that he or she does not have a propensity or intent to engage in homosexual acts. A statement by the applicant that he or she is a homosexual or bisexual, or words to that effect, create a questionable presumption that the applicant engages in homosexual acts or has a propensity to do so. However, the applicant shall be advised of this presumption and given the opportunity under the procedures prescribed below to rebut the presumption by presenting evidence sufficient to demonstrate that he or she does not engage in homosexual acts and does not have a propensity to do so.

(b) If it is discovered that an applicant or a member of the DEP has engaged in homosexual conduct or attempted to engage in, or solicited another to engage in a homosexual act and the information is received from a credible source,

(c) If the act was a departure from the applicant's customary behavior, and the act is unlikely to recur because it was the result of immaturity, intoxication, or coercion, and the behavior was not accomplished by force, coercion, or intimidation, then the applicant may be processed for enlistment in the same manner as 4-24g(1)(a) with a written explanation submitted to the approving authority who will determine the conditions under which the act was committed and whether the applicant has a propensity to further engage in such acts.

(2) An applicant may submit a rebuttal to the presumption that he or she will engage in homosexual acts by presenting written evidence or other material he or she believes relevant. The applicant is responsible for providing his or her recruiter such documents/evidence. The recruiter will submit the following documents to the recruiting battalion commander concerned, in addition to the documents/evidence submitted by the applicant.

m. Criminal or juvenile court charges filed or pending against them by civil authorities. *Note.* Pending charges include unpaid traffic violations. Authorized reception battalion commanders and IET commanders may consider that, in certain meritorious cases, unpaid minor traffic tickets that are subsequently paid after entry did not constitute fraudulent entry. In those limited circumstances, separation processing under AR 635-200, chapter 7, is not required. All other cases meeting the provisions of fraudulent entry criteria must be processed in accordance with AR 635-200.

n. Person under civil restraint, such as confinement, parole, or probation.

- b.* PS applicants must list all civilian charges and convictions, UCMJ, Art. 15 charges, courts martial convictions, and time lost during all periods of previous service.
- c.* RA applicants currently serving in a RC of the Army and had a waiver approved for enlistment into that RC may enlist into the RA without processing another waiver (appropriate waiting periods outlined in paragraph 4–13 applies in all cases). RC waiver approval documentation must be provided for enlistment. However, if an applicant received an RE–4 from the U.S. Army or an RE–4 or equivalent from another service, then applicant is ineligible to enter the RA (waivers are not authorized for the RA or RC of the Army for such codes). If an applicant received an RE–4 or its equivalent from another service that would have been ruled an RE–3 by the U.S. Army, treat the code as an RE–3. Questionable cases may be forwarded to HQDA (DAPE–MPA) for consideration. Further, RA applicants currently in a RC of all other services that had a waiver approved for that RC must process a waiver for RA or RC enlistment.
- d.* RC personnel with waiver offenses that occurred before Reserve enlistment that were neither revealed nor waived by the AR are considered to have enlisted fraudulently. RC applicants must have such enlistments ratified. RC enlistees must be processed for retention and/or separation under the provisions of AR 135–178. In cases where serious criminal misconduct level offenses or RE codes were involved, a waiver is required for RA enlistment to the proper authority.

#### **4-27. General**

This section prescribes procedures for processing requests for waivers to meet basic enlistment qualifications.

#### **4-28. Waiver disapproval authority**

Commanders at levels below the approving authority, including the Recruiting Company Leadership Team or equivalent members of the ARNG, may disapprove waivers for applicants who do not meet prescribed standards and who do not substantiate a meritorious case, except for medical waivers (excludes dual waivers where non-medical waiver was disapproved). Request for waiver may not be resubmitted for 6 months from date of disapproval.

c. Recruiting battalion commanders or Recruiting Retention Managers for ARNG may reevaluate a battalion-level waiver within 6 months if, in their opinion, new information or information previously submitted warrants reconsideration. Indicate this description in the memorandum of waiver.

#### **4-29. Validity period**

Unless otherwise stated on waiver cover sheet or document, waivers granted under this chapter are valid for 6 months from approval date unless a change in status occurs. (Exceptions are DEP/DS personnel whose waivers are valid until RA enlistment if no change occurs in qualifications.) Applicants who acquire additional offenses or disqualifications after waiver approval must resubmit waiver for reconsideration before enlistment. Waivers may be updated according to instructions from CG, USAREC or DARNG for ARNG. Medical waivers are valid for the duration of the physical examination.

#### **4-30. Waiver approval procedures**

a. Each enlistment standard that may be waived lists waiver approval authority for basic eligibility criteria, documents, and required waiting periods.

b. Paragraph 4-33 shows required waiting periods following civil restraint.

c. Waivers of multiple disqualifications involving approval by separate levels of authority will be approved by the highest approval authority. Intermediate commanders will make proper recommendations for each disqualification. Recommendations for disapproval of waiver requests will be made using the procedures in paragraph 4-28. For dual waivers requiring a moral and medical waiver, the moral waiver must be approved by the battalion commander before submission of medical waiver.

d. Only the commander, acting commander (on orders), or executive officer may approve waiver requests. In their absence, the adjutant or assistant adjutant may forward an approval recommendation for further consideration of waiver requests (except in cases involving conviction of a serious criminal misconduct.) Only the recruiting battalion commander or acting commander (on orders) may forward waivers for convictions for felonies. The CG or Deputy Commander of USAREC or C, NGB may approve or disapprove USAREC, or ARNG equivalent level waiver requests. The CG, USAREC may delegate to the Director or Deputy Director of Recruiting Operations the authority to act on administrative, dependency and other than serious criminal misconduct level moral waivers.

e. The following documents are required for submission of a waiver under this paragraph:

- (1) Police checks and court documents, as required. Police record checks are not required for traffic violations.
- (2) Documents from probation or parole officer that show applicant has satisfactorily completed probation or parole.
- (3) Documents from correctional facility at which detained. Police record checks are not required for traffic violations.
- (4) Reference letter from employers for one year preceding application, schools attended in last 3 years (to include transcripts if currently attending college). If the applicant states that seeking a reference letter from an employer will jeopardize employment, a reference letter is not required. Each waiver request must explain all periods of unemployment of 3 months or more during the preceding year (not required for battalion-level waivers, unless the battalion commander requires it).

(5) Applicant's current MEPS medical examination for serious criminal misconduct level waivers

(6) DD Form 214, DD Form 215, NGB Form 22, and DD Form 220, as applicable.

(7) DD Form 1966 and SF 86. Section III Civil Offenses

#### **4-31. Moral standards**

Acceptability for enlistment of persons who have records of court convictions or other adverse dispositions is based on moral standards given in this section.

a. These standards screen out—

- (1) Applicant who is legally precluded from serving in the U.S. Armed Forces.
- (2) Applicant whose background poses serious questions about fitness for service.
- (3) Applicant who is unsuitable for participation in special programs.
- (4) Applicant who is likely to pose serious disciplinary problems.

b. Such cases divert manpower resources from performing military missions. Applicants will be advised that all arrests, convictions, or other adverse dispositions must be revealed. Recruiting personnel will obtain the criminal history of all applicants.

#### **4-32. Rules governing processing of moral waivers**

a. All offenses, regardless of their outcome or place of offense (includes crimes committed outside the United States) will be listed on SF 86. A person arrested, cited, charged, or held for an offense or offenses and allowed to plead guilty to a lesser offense will list the original charges and also the lesser offense to which a plea of guilty was entered. For example, a person arrested for grand larceny and 2 counts of criminal possession of stolen property pled guilty to 2 counts of criminal possession of stolen property, value of less than \$500. In this example, the applicant requires a misdemeanor waiver. However, waiver is not needed if an arrest or questioning does not result in referral of charges, or if charges are dismissed without a conviction or other adverse disposition. Incident must be listed on SF 86. Waiver is not authorized if a criminal or juvenile court charge is pending or if such a charge was dismissed or dropped at any stage of the court proceedings on condition that the offender enlists in a military service.

b. To ensure equal treatment to all persons applying for enlistment, despite the variance in State statutes, the rules below are guides to those responsible for processing waivers.

(1) *Civil court conviction.* This term means a judgment of guilty or an accepted plea of nolo contendere is entered in a court's records for persons tried as adults regardless of—

(a) Whether or not sentence then was imposed, withheld, or suspended.

(b) Later proceedings that deleted an initial determination of guilt from court records, based on evidence or rehabilitation or completion of a satisfactory probationary period. (Examples of later proceedings in adult offender cases include pardon, expungement, amnesty, setting aside the conviction, and reopening of the case to change the original finding of guilty and to dismiss all of the charges unless new findings in the case would have resulted in an original verdict of not guilty. Such later proceedings recognize rehabilitation. They do not change the fact that the offender committed the criminal act.)

(2) *Other adverse dispositions.* This term includes all law violations that are not civil court convictions (para 4-32b (1)(b)), but which resulted in an arrest or citation for criminal misconduct, followed by the formal imposition of penalties or any other requirements upon the offender by any governmental agency or court.

(3) *Examples of other adverse dispositions.* Some examples of other adverse dispositions include—

(a) Admission into diversionary or similar programs.

(b) Admission into an adult first-offender program.

(c) Deferred acceptance of guilty plea programs or probated sentence.

(d) Tried as a youthful offender.

(e) Enrollment in supervision programs.

(f) Orders to pay restitution, pay a fine, serve community service, attend classes, or serve probationary periods that do not constitute civil court convictions.

(g) Adjudication withheld and suspended imposition of sentence.

(h) Unconditional suspended sentence and unsupervised unconditional probation. These terms are defined as a court-imposed suspended sentence or probationary status.

(4) *Later proceedings.* Later proceedings delete an initial determination of guilty or commission of alleged misconduct from court or agency records. Examples of later proceedings used in Federal and State courts include—

(a) Expungement.

(b) Record sealing.

(c) Setting aside the adjudication or reopening cases to change the original findings/pleas of admission of guilt to not guilty.

(d) Dismissal of the original petition.

(5) *Juvenile delinquent.* This term includes disposition as a juvenile delinquent, wayward minor, youthful offender, delinquent child, or juvenile offender, and declaration of the juvenile as a ward of the court. The term does not include disposition of the juvenile as dependent, neglected, or abandoned.

(a) A conviction exists if a juvenile (applicant under age 18) is tried and convicted as an adult. DD Form 369 may be modified to include a statement in the remarks section that asks the following, "Was subject tried and convicted as an adult?" Unless court records indicate otherwise, applicants who were juveniles at the time of the offense have an adverse disposition.

(b) Because all States have varied laws with regard to juveniles being tried as an adult, recruiters through their chain of command should consult with their supporting Judge Advocate when questionable cases arise.

c. Some States have procedures for a later “expunging of the record,” dismissal of charges, or pardon (on evidence of rehabilitation of the offender). Such action removes the “initial conviction” or “other adverse disposition” so that, under State law, the applicant has no record of conviction or adverse juvenile adjudication. Despite the legal effect of this action, a waiver authorizing RA, USAR, or ARNG enlistment of such an applicant may be required, and the underlying facts must be revealed.

#### **4–33. Waiting period**

a. The waiting period provides the reviewing authority the ability to evaluate the extent of the applicant’s rehabilitation. For PS personnel, waiting periods listed in 4–33b apply only to offenses and periods of confinement since date of last separation from active military service. Waiting periods do not apply to minor traffic or minor non-traffic offenses, unless a waiver is required. The CG, USAREC or DARNG may lengthen minimum waiting periods.

b. Waiting periods following civil restraint or waiver submission are as follows:

(1) If an applicant was on parole, probation, or suspended sentence after period of civil restraint has been concluded may process or submit a waiver once all court ordered requirements are completed.

(2) If an applicant had confinement as a juvenile or an adult of less than 15 days, a 3-month waiting period is required before an applicant can process or submit a waiver. As an exception, the recruiting battalion commander may waive up to 45 days of the waiting period if the applicant was sentenced only to a fine and, as an alternative, elected to serve a confinement period. Written verification from the court imposing the sentence is required. Any waiting time reduced by the recruiting battalion commander when applicable will be annotated on a separate memorandum or the waiver document.

(3) If an applicant had confinement as a juvenile or adult for 15 days or more, a 6-month waiting period is required before he or she can process or submit a waiver. As an exception, the recruiting battalion commander may waive up to 3 months of the 6-month waiting period if the applicant is sentenced to a fine and, as an alternative, elected to serve a confinement period. Written verification is required from the court imposing the confinement. Any exception granted by the recruiting battalion commander must be annotated in the remarks section of DD Form 1966, and be noted on the waiver memorandum if a waiver was required.

(4) A waiting period is not required for applicants who are in the DEP/DTP and all civil restraint has been completed. Approval must be granted by the recruiting battalion commander.

(5) The above waiting periods do not apply to minor traffic violations when state law or court practices imposed periods of restrictions, supervision, or informal probation periods until fine is paid. They also do not apply to unsupervised traffic probation for minor traffic offenses.

#### **4–34. Required investigations**

a. Enlistment will be suspended, pending an investigation of the case (for example, completion of police records check, copies of court documents, discussion with probation officer, or review of correctional facility records, as applicable). Processing may continue if the applicant—

(1) Admits to a record (including arrests, charges, other adverse dispositions, and convictions); or

(2) Does not admit to a record, but the enlisting agency has reason to believe such a record exists.

b. For persons admitting to an arrest record—

(1) Who state that later conviction or other adverse dispositions occurred, a waiver is required as a self-admitted or alleged record (if such offenses require a waiver) when one of the following applies:

(a) Civil authorities refuse to furnish the information.

(b) No record of the information exists.

(c) Applicant is unable to obtain the records.

(d) Offense occurred outside the United States, its territories, or possessions and obtaining a police record check is prohibited.

(2) Who state that no conviction or other adverse dispositions occurred, a waiver to permit enlistment is not required when one of the following applies:

(a) Civil authorities refuse to furnish the information.

(b) Applicant is unable to obtain the records.

(c) Offense occurred outside the United States, its territories, or possessions and obtaining a police record check is prohibited.

c. The investigation will include—

(1) All documents required for enlistment and all documents required under paragraph 4–30.

(2) Police record checks as required by this regulation.

#### **4-35. Pending charges-civil restraint**

Recruiting personnel will not—

*a.* Take part directly or indirectly in release of a person from pending charges so that he or she may enlist in the Army as an alternative to future prosecution or further adverse juvenile or adult proceedings. Equally important, recruiting personnel will in no way contribute, either directly or indirectly, to the false notion that the Army condones such a practice. Persons subject to a pending charge are not eligible for enlistment; therefore, they are not eligible for pre-enlistment processing to determine mental or medical eligibility.

*b.* Take part in any way in obtaining release of a person from any type of civil restraint so that he or she may enlist or complete enlistment processing to determine enlistment eligibility. The term civil restraint includes confinement, probation, parole, and suspended sentence. Accordingly, persons under the type of civil restraint that makes them ineligible for enlistment are not eligible for processing to determine mental and medical eligibility for enlistment, except for those individuals authorized to take the ASVAB test in accordance with paragraph 2-11a(2).

*c.* Process any person who has a doubtful criminal status. For example, while not classified as a specific “pending charge,” an applicant may have a possible indictment or arrest pending; further, the recruiter may have obtained information that indicates the applicant’s character may be questionable. These situations cannot be defined as an absolute in the qualification or disqualification process. When doubt exists as to the possible pending arrest, indictment, or pending nature of an offense, clarification must be obtained through the chain of command. For example, clarify, via the chain of command, an applicant’s eligibility and “questionable moral character” if the applicant claims no arrest record and no pending charge, but local law enforcement officials indicate that the applicant is a suspect and it is possible that charges are about to be filed. Document any decision on such matters in the remarks section of DD Form 1966 or attach a memo for record to the residual file indicating the result and the decision on the matter.

#### **4-36. HQDA exceptions**

Recruiting battalion commanders or equivalent members of the ARNG may request, through their chain of command to DCS, G-1 (DAPE-MPA), exceptions for applicants who fail to meet moral qualifications outlined in chapter 4 of this regulation. If an exception is approved for applicants with exceptionally meritorious cases, DAPE-MPA will authorize (in writing) USAREC or ARNG to process these waivers.

#### **4-37. Unsupervised probation**

*a.* Applicant may enlist if currently on unsupervised probation for certain nonviolent offenses and provided the individual has no restriction of movement, has paid all fines, and has completed all others conditions (such as community service or restitution), and no further court action is pending or contemplated.

*b.* The offenses that apply to this rule are the following:

(1) All minor traffic offenses as listed in para 4-8.

(2) Certain typical minor nontraffic offenses, as listed in para 4-9. These offenses are limited to:

(*a*) Curfew violation.

(*b*) Damaging road signs.

(*c*) Disorderly conduct (original charge); creating a disturbance; boisterous conduct.

(*d*) Dumping refuse near a highway.

(*e*) Jumping a turnstile (to include those States that adjudicate jumping a turnstile as petty larceny).

(*f*) Juvenile adjudications (beyond parental control), incorrigible, runaway, truant, or wayward.

(*g*) Littering.

(*h*) Loitering.

(*i*) Purchase, possession, or consumption of alcoholic beverages or tobacco products by a minor.

(*j*) Robbing an orchard.

(*k*) Vagrancy.

(*l*) Violation of fireworks law.

(*m*) Violation of fish and game laws.

(*n*) Violation of leash laws.

## **Chapter 5 Processing Applicants**

### **Section I General Information**

An applicant is a person who applies voluntarily for enlistment in the RA, USAR, or ARNG and is found eligible for further processing after completing and signing DD Form 1966 and SF 86.

### **5-1. Importance of applicant processing**

*a.* Processing is usually an applicant's first personal introduction to the Army. If courtesy, tact, efficiency, and integrity prevail in this first contact, the applicant will have reason to believe that his or her decision to enlist in the Army is a wise one. Applicant processing will—

(1) Ensure that records are prepared accurately. These records are a matter of major importance during the person's military service, in later civilian life, and even after death.

(2) Be a smooth transition from civilian to military life for those accepted for enlistment.

(3) Provide appropriate advice and assistance to all applicants.

(4) Ensure that personal documents are returned to all applicants for enlistment.

(5) Identify all applicants who have difficulty speaking or understanding English (including permanent resident aliens residing in the United States less than 1 year, whose native tongue is not English, and all NPS applicants from Puerto Rico).

*(a)* Inform identified applicants that they will be taking an English Comprehension Language Test (ECLT) at MEPS.

*(b)* Advise all identified applicants that those who score 69 or below on the ECLT will be required to take English language training prior to IET.

(6) Use the Army Recruiting Information Support System (ARISS) segment applicable to the Army Pay and Entitlements to inform applicants of the requirement to establish and maintain a financial account.

*b.* Persons who prepare, control, and transmit applicant enlistment records and forms will—

(1) Complete and assemble all required forms.

(2) Compare similar entries and verify discrepancies with the applicant.

(3) Establish that entries on forms are correct before signatures are obtained.

### **5-2. Processing elements**

Processing generally consists of—

*a.* Preliminary determination of qualifications.

*b.* Administration of mental and medical examinations.

*c.* Preparation of records and forms.

*d.* Administration of Oath of Enlistment.

*e.* Movement of personnel.

### **5-3. Prohibitions**

*a.* During all phases of applicant processing, particular care will be taken to prevent erroneous and fraudulent enlistments. An applicant will be rejected on clear evidence that he or she does not meet enlistment criteria.

*b.* In no case will members of a U.S. Armed Force be processed or enlisted before honorable discharge, separation, or conditional release from another military service.

### **5-4. Shared functions**

The CG, USAREC, DARNG, the CG, MEPCOM, and commanders of major overseas commands complete an applicant's enlistment processing.

*a.* The CG, USAREC or DARNG will—

(1) Determine final acceptability of applicants for enlistment (except for USAR units outlined in para 6-9*d*).

(2) Process applicants to the extent possible; this processing will determine their tentative acceptance at the recruiting station before sending them to the MEPS.

(3) Fund applicant and DEP/DTP or ARNG enlistee transportation to and from the MEPS and meals and lodging to, from, and at the MEPS.

(4) Coordinate meal and lodging arrangements with the MEPS.

(5) Through the USAREC or ARNG guidance counselor located at the MEPS, administratively process all PS applicants for enlistment in the USAR or ARNG before administering the Oath of Enlistment.

(6) Implement enlistment of PS applicants for enlistment in the USAR or ARNG when they are not qualified by grade or MOS for enlistment into a specific unit vacancy, with approval of the TPU commander. The recruiting activity may obtain telephone approval before the enlistment is accomplished. This record will be incorporated with Packet Number 6.

(7) Inform USAREC or ARNG recruiting officials that they may enlist PS applicants who are qualified to be trained into positions designated by the unit commander on REQUEST as "will train."

- b. The MEPCOM commander processes applicants and enlistees as prescribed in AR 601–270 and this regulation.

### **5–5. Required forms for applicant processing**

Particular care must be taken in completion of required forms prior to entry of applicant data into the ARISS database. Recruiters must brief all applicants that the data provided will start and follow their records throughout their career in the Army, USAR, or ARNG. The recruiter must ensure that the applicant reads the privacy act statement and reads, completes, and signs the authority for release of information and records. Forms that are required for initial enlistment application are as follows:

- a. DD Form 1966.
- b. SF 86.
- c. USMEPCOM Form 680–3A–E.
- d. DD Form 2807–2 (Medical Prescreen of Medical History Report).
- e. DD Form 369.

## **Section II**

### **Administration of Armed Services Vocational Aptitude Battery**

#### **5–6. General**

The ASVAB is an enlistment test for recruiting purposes and a student test for career and vocational counseling purposes.

a. In the enlistment process, the ASVAB measures general trainability. It serves to determine eligibility for enlistment and to establish qualifications for assignment to specific skills.

b. ASVAB testing policy is applicable to NPS, PS, and Glossary NPS applicants. PS personnel will follow testing (trainability) requirements as stated in paragraph 3–6*b* of this regulation.

#### **5–7. Testing**

a. The recruiter should not sponsor an applicant for testing who is not eligible to enlist. Applicants who have not reached their 17th birthday will not be tested for enlistment purposes. MEPS will not test an applicant who appears to be under the influence of alcohol or drugs.

b. Under no circumstances will any person who is assigned or attached to USAREC assist or become involved in any way with the testing process beyond that of applicant processing procedures required by the MEPS. No member of USAREC or the ARNG may administer or score tests (see para 5–7*i*).

c. Recruiter may advise applicants that commercial study guides are available.

d. An ASVAB information pamphlet is designed to familiarize applicants with the types of questions found on the actual ASVAB tests. The recruiter is authorized and encouraged to furnish this pamphlet to the applicant for familiarization with the kinds of questions on the test and an answer sheet for practice.

e. To prepare for administration of the ASVAB, the recruiter is responsible for ensuring that each applicant recommended for testing has fully and accurately completed and signed USMEPCOM Form 680–3A–E. The recruiter must certify that information on the form is correct. With respect to ASVAB testing, item 14 must be accurately and completely filled in to give the true testing history of an applicant, if applicable. There are two common errors made in this section—

(1) Incomplete test history—that is, initial or retest.

(2) No report or erroneously reported previous tests—that is, identification, test version, and date. When this information is not accurately reported, an applicant may be tested too early, or tested with the wrong test version. Incorrect or incomplete information on the USMEPCOM Form 680–3A–E is recruiter error. ASVAB tests erroneously given to applicants based on wrong information result in an invalidated test score. Consequently, a waiver request to the retest policy for an immediate retest will not be approved. However, if the recruiter has accurately reported the official information on the USMEPCOM Form 680–3A–E, and USMEPCOM is in error, requests for an immediate retest will be considered. Requests will be submitted through HQ, USAREC to DCS, G–1 (DAPE–MPA).

f. ASVAB production tests are given at either MEPS or their affiliated Military Entrance Test (MET) sites. Scores received on tests at locations other than MEPS or METS will not be accepted for enlistment.

g. The first ASVAB administered is the initial test of an applicant. This policy applies regardless of the following:

(1) Testing in either the enlistment or student-testing program.

(2) Service sponsor.

h. ASVAB scores are valid for enlistment purposes for 2 years from the date of test administration for potential applicants. Test scores remain valid beyond the 2-year period for members currently contracted into the DEP/DTP/DS or ARNG and waiting shipment to IADT.

i. For United States Army College First only, ASVAB scores are valid for enlistment purposes for 30 months from

the date of test administration for potential applicants. Test scores remain valid beyond the 30-month period for members currently contracted into the DEP/DTP/DS or ARNG and waiting shipment to IADT.

*j.* The most recent valid ASVAB score from either the enlistment or student-test program is the score of record for enlistment purposes.

*k.* Recruiter should advise applicants not to use crib sheets, talk during the test, leave a test room without authorization, use calculators or slide rules, glance onto tests of neighbors, or work on a portion of the test other than the one being administered. Further, the use of cell phones, digital cameras, and any other electronic devices are not permitted during ASVAB testing. Such behavior will result in the applicant's removal from the test session and/or invalidation of test results.

*l.* Applicants for the enlistment ASVAB will be required to provide photographic identification such as drivers license, student identification card, passport, and so forth, to the test administrator before testing. Individuals without identification will be required to have their right thumbprint imprinted on the USMEPCOM Form 680-3A-E. Applicants without photo identification who refuse to be thumb printed will not be permitted to test. During processing, applicant signatures will be compared to ensure proper applicant identification.

*m.* Test scores will be invalidated for any individual found to be a "ringer" for an applicant. A ringer is an individual who takes the ASVAB in place of the true applicant. Both the ringer and the applicant will be barred from retesting for a period of not less than 2 years

*n.* The scores of an invalidated ASVAB cannot be used for enlistment.

*o.* Applicants tested at MET sites should not be sent to the MEPS for further processing until official scores are available from the MEPS. Applicants who do not meet minimum score requirements to enlist will not be sent to the MEPS for further processing.

*p.* An applicant who has answered at least one question on the ASVAB is considered to have tested in terms of eligibility for retest.

## **5-8. Retesting**

*a.* A retest is any ASVAB administered after the initial ASVAB.

*b.* A complete ASVAB will always be administered.

*c.* Applicants may be given the first retest no earlier than one calendar month after the initial test. For example, if the initial test is administered 16 October, the first retest is authorized on or after 16 November.

*d.* Applicants may be given the second retest no earlier than one calendar month after the first retest.

*e.* Subsequent retests may be given no earlier than at 6-month intervals. For example, if a retest is administered on 16 December, then any further retesting is prohibited until on or after 16 June of the following year.

*f.* Requests to validate test scores for individuals inadvertently tested early may request a waiver from DCS, G-1 (DAPE-MPA) or DARNG for ARNG.

*g.* The MEPS commander has authority to immediately retest applicants tested under adverse conditions when—

(1) An entire testing session is disrupted, for example; a fire drill, power failure, undue noise, and so forth.

(2) An applicant, through no fault of his or her own, is unable to complete the test, for example; an applicant is called away from test because of an emergency. This does not include the requirement for an applicant to leave a test session because of an illness that existed before the beginning of the session because applicants are routinely cautioned not to take the test if ill.

*h.* Recruiters are not authorized to have applicants retested for the sole purpose of increasing aptitude area scores to meet standards prescribed for enlistment options or programs.

*i.* The MEPS commander may require an applicant to take a confirmation test when previous test was not administered at MEPS and—

(1) There is a score difference of plus 20 or more percentile points between the AFQT score on a retest and the previous AFQT.

(2) There is reasonable cause to suspect improper means were used to influence or inflate ASVAB test scores.

(3) The confirmation test will be administered at a MEPS and will consist of only the subtest that makes up the AFQT score. Applicants may request a written confirmation test.

(4) The confirmation test is used to validate previous AFQT score results in question and will not be used for enlistment purposes.

## **5-9. Overseas production testing program**

*a.* ASVAB testing outside the United States and its territories or commonwealth is a service responsibility. The Army must conduct testing in close coordination with Headquarters, U.S. MEPCOM, and the Army test control officer (TCO) (or the TCO of another service, if an Army TCO is not available).

*b.* When making arrangements to have an individual tested, a recruiter must consider the testing schedule of the testing center and the TCO and establish a testing time satisfactory to all concerned.

*c.* The recruiter and TCO will work together to ensure that the USMEPCOM Form 680-3A-E is accurately

completed and signed before administration of the ASVAB. If the recruiter travel distance to a test site is greater than 25 miles, the recruiter may coordinate in advance for the TCO to complete and sign the USMEPCOM Form 680-3A-E. However, in the event of any error in the completion of the form (incorrect test version, previous test date, missing signature, and so forth), the recruiter, not the TCO, is responsible.

- d.* The enlistment ASVAB will be administered by a service TCO.
- e.* The service TCO will furnish an unofficial score. Exceptions may be granted by USAREC Plans and Policy or DARNG to use unofficial scores to temporarily reserve a training seat pending receipt of official scores.
- f.* Official scores will be entered into REQUEST prior to shipment.
- g.* The service TCO is responsible to mail the answer sheet to the testing section of a CONUS MEPS designated by HQ, USMEPCOM.
- h.* HQ, USMEPCOM will assure the designated CONUS MEPS scores answer sheets from overseas areas are reviewed expeditiously and furnishes the official ASVAB score to the Army in a timely manner.
- i.* The recruiter will not be involved at any time or in any way with handling test materials, testing the applicant, scoring the answer sheet, or mailing test papers related to an ASVAB test or test session.

#### **5-10. High school testing program**

- a.* The student ASVAB is administered in high schools in support of the DOD Student Testing Program.
- b.* Recruiters may recommend students 17 years of age and older to take the ASVAB in high school. The results of a student ASVAB given to a 16 year old high school junior may be used for enlistment after the 17th birthday.
- c.* Some high schools have mandatory student testing. For enlistment purposes, mandatory tests count toward the waiting period for retests. This does not restrict repeated testing while in high school; it may restrict the use of these scores for enlistment purposes if an applicant is concurrently testing for enlistment at MEPS or MET site. If a recruiter is working with an applicant for enlistment who is in high school, the following applies:
  - (1) The waiting period between tests (enlistment or student) must be honored.
  - (2) Only the last valid test score (enlistment or student) qualifies for enlistment.
- d.* Tenth grade student tests count as the first ASVAB test.

#### **5-11. Special purpose testing**

- a.* Special purpose tests are authorized for use by MEPS and are listed in AR 601-270, appendix C.
- b.* Enlistment and student testing has priority over special purpose testing.
- c.* If a MEPS schedule does not permit timely scheduling to give special tests, TCO, assistant TCO, or education specialists may administer them.

### **Section III**

#### **Administration of Medical Examination**

#### **5-12. General**

Consent of parents or guardians is required before any medical examination of an applicant under 18 years of age. Medical examinations of the scope prescribed in AR 40-501 are required for all persons except those outlined in AR 601-270 and in AR 40-501 for usAR when applicable.

#### **5-13. Medical examinations**

- a.* AR 601-270 will govern medical examinations conducted at MEPS. Each applicant will prepare an DD Form 2807-1 (Report of Medical History) and DD Form 2808 (Report of Medical Examination) in his or her own handwriting.
- b.* DD Form 2807-2 (Medical Prescreen of report of Medical History) will also be prepared and forwarded to the examining facility with the applicant's enlistment packet.
- c.* Applicants enlisting in the DEP/DTP/DS or ARNG physical examinations will be valid for 2 years from the date of administration.
- d.* For applicants enlisting for the United States Army College First Program, physical examinations will be valid for 30 months from date of administration. Section IV Movement of Applicants or Enlistees

#### **5-14. Transportation and subsistence**

- a.* Transportation and subsistence will be furnished to an applicant only when either of the following applies:
  - (1) Applicant is tentatively accepted for enlistment.
  - (2) Applicant is recalled for enlistment after their names are reached on a waiting list.
- b.* Return transportation and subsistence from MEPS to point of initial acceptance (such as recruiting station or residence, as appropriate) will be furnished to rejected applicants and acceptable applicants who cannot be enlisted at the time.

c. Applicants who signify their intention to enlist in the RA or USAR may be retained at Government expense. They may be retained for the time needed to complete their processing at MEPS or other enlisting activity. In CONUS, the period of retention at Government expense will not exceed 7 days without specific authority from the CG, USAREC or DARNG.

d. PS personnel may be authorized an advance leave prior to shipping to a U.S. Army reception battalion or designated unit. The following statements will be included on the orders issued by MEPS: "You are authorized (number) days chargeable leave en route. DA Form 31 (Request and Authority for Leave) will be initiated at Army liaison office within MEPS by the guidance counselor." Approval authority for leave is Senior Guidance Counselor or designated representative.

### **5-15. Forwarding of enlistees**

Normally, persons will be scheduled to arrive at destinations, as indicated below.

a. *From recruiting stations to MEPS.* Persons should arrive at MEPS during normal duty hours. When this is not possible, recruiting personnel will coordinate meals and lodging needs with MEPS.

b. *From MEPS to reception battalion or designated unit.* Persons will be sent from MEPS to the reception battalion or designated unit under AR 601-270.

### **5-16. Movement of personnel from place of enlistment**

a. NPS personnel will be assigned and sent to a U.S. Army Reception battalion (USARECBN). Enlistees requiring English language training will be sent to reception battalion located at Fort Sill, OK, by the enlisting MEPS to obtain official files and uniform before proceeding to Lackland Air Force base for training.

b. For RA only, PS personnel—

(1) Will be required to attend BCT (IET) or the Army WTC. All PS applicants enlisting OCS or WOCS, regardless of component and have completed BT in their component, are not required to attend WTC.

## **Section IV**

### **Enlistment Processing of Former Army Prisoners of War**

#### **5-17. General**

This section applies to persons who, while serving as enlisted members of the Army, were held as prisoners of war (POWs) by governments or other authorities opposing U.S. forces in the conflict. Release date from PW status is immaterial in terms of the above definition.

#### **5-18. Processing former Army prisoners of war**

Applications for enlistment of former POWs in the RA are processed as follows:

*a.* Under policy in effect at the time of enlistment application, a former POW may be qualified to return in his or her former pay grade and MOS and may not request consideration covered in this section. If so, applicant will be processed and enlisted under chapter 3. Process and enlist such persons as a maximum priority by providing quick and thorough treatment.

*b.* Forward the enlistment application as quickly as possible to the Commander, HRC, where action will be given priority if, under policy in effect at the time of application, either of the following applies:

(1) The former POW is not qualified for enlistment.

(2) The former POW is not qualified to enlist in his or her former pay grade and MOS.

(3) Applicant requests consideration not covered in this section. Section VI Special Processing for Members of Reserve Armed Forces of the United States

#### **5-19. Policy**

Integrity of the RC TPUs will be preserved as far as practical. Members of TPUs will not be solicited to enlist in the RA, nor will ARNG members be solicited for the USAR. However, data and assistance will be given on a member's request. Advise RC applicants for RA or USAR enlistment of the policies below.

*a.* A member of the RC of an Armed Force of the United States, who is in an active status, will not be processed for enlistment in the RA or USAR without first having been released from the RC. (This policy includes those who are currently in the DEP of another service.) These RC personnel may not be MEPS processed (given a physical) before obtaining RC conditional release. Applicants for USAR enlistments, who are members of the RC of another U.S. Armed Force, must be processed under AR 140-10, chapter 9, and this regulation (see para 1-11a).

*b.* Enlisted RA members may not hold a Reserve commission or warrant in an Armed Force of the United States other than the Army.

*c.* An officer, commissioned or warrant, who is otherwise qualified, may enlist in the RA or USAR; however, as a condition of enlistment, the officer must resign his or her commission. This policy affects all Soldiers initially enlisting into the RA or USAR reenlisting with a break in service of 24 hours or more. Provisions for officers with statutory enlistment as provided for in chapter 3 still apply; however, enlistment entitlement requires resignation of their commission. As a condition of enlistment, a Reserve officer will complete a letter of resignation that will be effective a day prior to their enlistment date into the RA. This letter will include a current mailing address as listed on DD Form 1966, so that discharge orders can be mailed from HRC-St. Louis. It is the Soldier's responsibility to have these orders forwarded to him or her. A copy of the resignation letter will be retained in the Soldier's residual packet at the recruiting battalion concerned. Within 5 working days, guidance counselors will mail a copy of the Soldier's DD Form 4 and letter of resignation to: Commander, HRC-St. Louis, ATTN: DARP-PAT-R, 9700 Page Boulevard, St. Louis, MO 63132-5200. Recruiters will ensure that officers are made aware of this policy prior to any processing for enlistment into the RA. Under no circumstances will officers be led to believe that they may retain their commission or warrant under the Reserve Dual Component Program.

#### **5-20. Request for discharge or clearance from an RC**

When a participating RC member applies for enlistment, DD Form 368 (Request for Conditional Release) is used to

request RC discharge or clearance. This form is valid for 6 months from date signed by unit commander or designated representative for enlistment in MOS, unless the approval authority designates otherwise on DD Form 368. The RC must be notified promptly of a member's intent to enlist in the RA or USAR/ARNG (if a member of another RC). Clearance must be received from proper Reserve authorities before enlistment (see paragraph 5-21).

*a.* For members of units, DD Form 368 is sent to the member's unit commander. DD Form 368 is required for non-unit members. Send to appropriate control group. (HQ, USAREC, or DARNG will publish procedures for non-unit members.)

*b.* Enlistment may be accomplished when the approved clearance is returned. If the RC declines to release or discharge the member, he or she will not be processed for RA enlistment. USAR enlistments must comply with AR 140-10, chapter 4.

*c.* If DD Form 368 validity period is less than 6 months, an extension of the limited validity period may be requested by station commander or above within the recruiting battalion if delay was caused by waiver action (includes processing time for OCS/WOFT/Band applicants). Telephonic extensions authorized and must be annotated on the initially approved DD Form 368.

*d.* A service member of the ARNG or the ANG may be released from the National Guard for transfer to the Army RA or USAR only with the consent of the governor or other authority of the state, commonwealth, territory, or District of Columbia. Such consent must be recorded on DD Form 368.

### **5-21. Applications for enlistment**

An application for RA enlistment may be accepted from RC members if applicant meets criteria below by component.

*a.* TPU member of the RC. An enlisted member of the RC who desires to enlist in the RA, to include the MSO-delayed status, may enlist if he or she—

(1) Has received clearance from the appropriate professor of military science (PMS) or ROTC region commander. DD Form 368 is used for this purpose and it must be in possession of the recruiting officials before processing the cadet for enlistment.

(2) Has obtained a DD Form 368 from the ARNGUS or AR unit commander, as well as the appropriate PMS or ROTC region commander, if the cadet is a participant in the SMP.

(3) Has not been alerted for order to AD under a Presidential call-up or a partial or full mobilization.

(4) Has not been notified of orders directing involuntary order to AD.

(5) Is not an ROTC scholarship recipient.

- (4) U.S. Coast Guard Reserve: Commandant, U.S. Coast Guard, Washington, DC 20590.

### **5-22. Notice of enlistment**

When a Soldier released under paragraph 5-20 enlists the RA or AR/ARNG, the guidance counselor handling the enlistment will notify the proper agency in paragraph 5-22b by forwarding a copy of enlistment orders and a copy of the completed DD Form 4. The notice will permit one of the following:

## **Section V**

### **Special Processing for Enlistment of an the Army National Guard of the United States Soldier on Transfer to an Army Reserve Troop Program Unit**

#### **5-23. General**

An ARNGUS Soldier applying for transfer to an USAR TPU is considered a PS applicant, but he or she is processed for enlistment in the USAR under the special procedures outlined in this section. These procedures apply only to an ARNGUS Soldier transferring to an USAR TPU and are not applicable to ARNGUS Soldiers transferring to the Individual Ready, the Standby, or the Retired Reserve.

- a. The purpose of these special enlistment procedures is to implement uniform accessioning procedures for Soldiers moving from an ARNGUS status to a USAR TPU status without a break in military service and to ensure the continuity and accountability of the Soldier's official military personnel records.
- b. Processing under this section will be accomplished through MEPS or by the recruiting battalion operations section, as appropriate.

#### **5-24. Basic eligibility criteria**

This paragraph applies only to an ARNGUS Soldier granted a conditional release who will remain assigned to the ARNGUS until the USAR enlistment has been accomplished and verified. Basic eligibility criteria will be in accordance with chapter 3, with the following exceptions:

- a. *Medical.* A medical examination will not be required, provided an examination has been conducted within the last 5 years (AR 40-501, chap 8) that verifies the Soldier met the retention medical fitness standards of AR 40-501, chapter 3, and any additional medical requirements that may have been prescribed for the Soldier's current MOS. Medical examinations and medical history will be verified from the Soldier's military personnel records maintained by the ARNG. If an applicant's retention medical fitness standards cannot be verified, or if the last medical examination is more than 5 years old, then the Soldier must undergo a medical examination under the provisions of AR 40-501.
- b. *Body composition/weight control.* The applicant must meet the body fat composition/weight control standards per AR 600-9. No waiver is authorized. Documentation will be provided in packet.
- c. *Army Physical Fitness Test (APFT).* ARNG personnel records verify the Soldier has successfully completed the most recent APFT within the last 18 months, or is exempt from administration of the APFT per AR 40-501 because of valid temporary or permanent profile or has successfully completed the last APFT within the limitations of a valid temporary or permanent profile. No waiver is authorized.
- d. *Grade.* The enlistment grade determination requirements of chapter 3 are not applicable as the Soldier's pay grade, rank, and DOR, will be the same as that held when the conditional release was approved by the ARNGUS command.
- e. *Years of service.* A Soldier who has attained 20 years of qualifying service for retired pay at age 60 and has been

issued a Notification of Eligibility for Retired Pay at Age 60 Memorandum is disqualified for USAR enlistment under this section if the Soldier's total years of all military service (Regular and/or Reserve) exceeds the maximum authorized for the Soldier's grade. No waiver is authorized. Prior to enlistment, an applicant should be counseled that if, or when, the Soldier qualifies for retired pay at age 60, he or she will be removed from USAR TPU participation on attaining the maximum years of total military service per AR 140-10.

*f. Administrative criteria.*

(1) The Soldier's characterization of ARNGUS service is honorable, the ARNGUS discharge is voluntary, and the Soldier—

(a) Is not subject to, or being processed for, involuntary separation from the ARNGUS for cause under AR 135-178, or NGR 600-200.

(b) Has not been barred from reenlisting or extending in the ARNGUS per NGR 600-200.

(c) Is on discharge from the ARNGUS, will not be coded RE-3, RE-4A, or RE-4 by the ARNGUS per NGR 600-200, chapter 8, section VI.

(2) Has successfully completed IET and has been awarded a MOS.

### **5-25. Enlistment periods**

a. AR enlistment agreements authorized under this section will be for terms of 1, 2, 3, 4, 5, 6, 7, and 8 years. The entire period of the enlistment will be with a TPU of the Selected Reserve (except otherwise authorized by AR 140-10).

b. Enlistment terms that would exceed the last day of the month in which an applicant reaches age 60 are not authorized.

c. An ARNGUS Soldier entitled to a Selected Reserve Incentive Program (SRIP) bonus, loan repayment, or educational assistance under the Montgomery GI Bill, will retain such entitlement on enlistment in the USAR, provided the conditions prescribed by AR 135-7, paragraphs 1-8 and 1-14 are met. The Soldier must enlist in the USAR for a period that will satisfy or exceed the incentive or entitlement contractual obligation or the Soldier's entitlements will be terminated.

### **5-26. Processing procedures**

Processing procedures for an ARNG Soldier enlisted under this section is dependent on the availability of the applicant's official ARNG file to the recruiting activity and the USAR for accessing data. Where an ARNG Soldier applies for membership in a TPU of the USAR, the following procedures will apply:

a. Recruiting officials will request a conditional release (DD Form 368) from the applicant's ARNG command. The request will specify that the purpose of the request is to accomplish a complete discharge from the ARNG (and as a Reserve of the Army) on enlistment in the USAR, and is not a request for a transfer action. The recruiting activity will obtain the complete official file from the ARNG.

b. The following documents will be obtained from the ARNG as certified copies and will constitute a complete, official file:

(1) Enlisted Record Brief

(2) DD Form 214.

(3) Most recent DD Form 4 or extension.

(4) DA Form 5500-R (Body Fat Content Worksheet (Male)) or DA Form 5501-R (Body Fat Content Worksheet (Female)) required if Soldier exceeds weight standards.

(5) Soldier's last promotion orders.

(6) Current physical that meets retention standards under provisions of AR 40-501.

(7) Citizenship as verified under paragraph 3-4.

c. Where the recruiting activity has access to the applicant's official file, or where the ARNG provides copies of all the documents, then—

(1) The recruiting activity will scan the applicant's entire official ARNG file into ERM. DD Form 1966 and the PAI/PEI SF 86 will be electronically generated and signed in Guidance Counselor Resource Center (GCRC) at time of USAR enlistment. The USAR enlistment agreement will be completed using the DD Form 4 and the GCRC Automated Annex and Addendums. After execution, the DD Form 4 will be scanned into ERM.

(2) Distributed will be as follows:

(a) A paper enlistment packet will not be mailed to Commander, HRC-St. Louis. The electronic record will automatically be transmitted to iPERMS and will constitute the official Soldier file. HRC-St. Louis, as well as the AR unit, will access the Soldier record in iPERMS.

(b) All copies of the original DD Form 4 and the GCRC Automated Annex and Addendums, PAI/PEI, and copies of MEPS physical (if required) will be provided to the Soldier.

d. Where the recruiting activity cannot gain access to the applicant's official file, the Soldier has not completed IADT, or the ARNG cannot provide copies of all of the documents, the applicant must be fully processed through

MEPS. In this case the Soldier will be processed in accordance with Sections I through VI of this chapter (to include a PAI/PEI (SF 86).

*e.* It is mandatory that the losing ARNG command be provided proof of the USAR enlistment as soon as possible to affect timely discharge from the ARNG.

(1) Where a DD Form 368 has been issued, send the original copy, with a copy of the DD Form 4 attached, to the appropriate State Adjutant General and send an information copy of the DD Form 368 to the losing ARNG command indicated in Item 1.

(2) Where a DD Form 368 has not been issued, send a reproduced copy of the DD Form 4 to the losing ARNG command.

## **Section VI**

- (1) Applicants will be aware of conditions under which their enlistments are made.
  - (2) No undue hardship will be imposed at a later date as a result of their decision to enlist.
- c.* Applicants who do not meet retention standards will be so advised. These persons will be required to sign the statement on DA Form 3283. When signed, it will be attached to the original and duplicate of the DD Form 4. #### **5-55. Requirement to waive present entitlement to disability retirement or severance pay**

Persons enlisted under this section will be required, before enlistment, to waive present entitlement to disability retirement or severance pay. These persons will not be denied severance or disability retirement compensation when ultimately separated or retired from service. ### **Section XIII**

#### **Special Processing for Enlistment of Immigrant Aliens**

##### **5-56. General**

Aliens (lawfully admitted into the United States for permanent residence) are eligible to enlist in the RA or AR if they meet criteria in chapter 2 or 3, but may not enlist for any MOS, assignment, or option that requires a security clearance of secret or above. Guidance counselors will place special emphasis on the SF86 to ensure all questions, not just moral questions, are reviewed with each applicant.

##### **5-57. Processing**

Procedures to process immigrant aliens for enlistment are the same as for U.S. citizens. For aliens enlisting for an MOS not requiring a security clearance, initiate a request for NACLIC, the same as a U.S. citizen.

## **Section XIV**

### **Applicants Injured or Ill During Processing**

#### **5-58. General**

*a.* An applicant may suffer illness or injury at an Army or USAR facility or MEPS while conducting enlistment processing. If so, applicant may be given emergency medical care as authorized by AR 40-3.

(2) Servicemen's Group Life Insurance (38 USC 106(b)), which is administered by the VA.

#### **5-59. Determination of entitlements**

The Government agency designated by law or regulation determines entitlements to benefits. A decision is made based on review of all available information on applicant's location and status at time of injury, illness, or death. No assurance can be given to applicants or their survivors that they are entitled to benefits. They should be advised to contact the agencies listed below to ascertain entitlement benefits.

*a.* Entitlement to death gratuity is determined by the Commander, DFAS, ATTN: FINCY-AB, Indianapolis, IN 46249.

*b.* Entitlement to payment of funeral and burial expenses is determined by the CG, HRC. Submit requests to Commander, HRC-Alexandria, Casualty and Memorial Affairs Directorate, Alexandria, VA 22331-0400.

*c.* Application for decision on entitlement to veteran benefits may be made to any VA assistance or regional office.

*d.* AR 40-400 provides that applicants for enlistment who suffer acute illness and injuries while awaiting or undergoing enlistment processing at MEPS or while at Army or USAR facilities may be furnished emergency medical care at Government expense. Emergency hospitalization is included. Commanders of medical facilities will process bills for civilian medical care provided by civilian medical facilities.

#### **5-62. Use of training pay categories**

*a. General.* A complete listing and description of training pay categories (TPCs) can be found in AR 140-1. This paragraph relates only to TPCs of applicants initially enlisting in the USAR. It should assist recruiting activities by clarifying policies outlined in these references. The prime use of TPCs by recruiting activities is to establish applicant's eligibility to attend paid training assemblies while awaiting entry on IADT. Subparagraphs below that reflect current policy define eligibility criteria for either pay or nonpay status while awaiting entry on IADT.

*b. Training pay determination.* Pay category P (without pay) option when IADT is not within 270 days will not be used without prior approval from DRAR-OP, as required by AR 140-1.

#### **5-63. Training pay categories and programs**

Applicants may enlist in any one of the following training pay categories listed below

*a. TPC P (with pay).* Members enlisted or transferred into TPC P (with pay) are authorized pay and required to attend regularly scheduled individual drill training periods while awaiting entry on IADT. On enlistment, the persons below will be placed in pay category P—

(1) High school seniors and graduates must enlist within 270 days of entry on IADT, are authorized up to 36 paid individual drill training periods (9 months).

(2) High school seniors and graduates, and ROTC- or SMP- potential participants must enlist within 180 days of entry on IADT, are authorized up to 24 paid individual drill training periods (6 months).

(3) NHSG; including those with GED and students currently in high school enlisted within 90 days of entry on IADT, are authorized up to 12 paid individual drill training periods (3 months).

*b. TPC P (without pay).* Members who are enlisted in TPC P (without pay) are not initially authorized to receive pay for attendance at individual drill training periods. However they may be voluntarily transferred into TPC P (with pay) when they are within a specified period of entry on IADT and on approval of the unit commander.

(1) With approval of the unit commander, a high school senior or graduate, 17 through 25 years of age who enlists within 270 days of entry on IADT, may be placed in TPC P (without pay). This option may be used when the member will be unable to attend scheduled individual drill training periods before entry on IADT. The member may be voluntarily transferred into TPC P (with pay) on approval of the unit commander. If transferred to TPC P (with pay), up to 36 paid individual drill training periods are authorized (9 months).

(2) With approval of the unit commander, a ROTC- or SMP- potential participant, through 25 years of age, must enlist within 180 days of entry on IADT. They may be placed in TPC P (without pay). This option may be used when the member will be unable to attend scheduled individual drill training periods before entry on IADT. The member may be voluntarily transferred into TPC P (with pay) on approval of the unit commander. If transferred into TPC P (with pay), up to 24 paid individual drill training periods are authorized (6 months).

(3) High school seniors and graduates, 17 through 25 years of age, enlisting more than 270 days before entry on IADT, will be placed in TPC P (without pay). When the applicant is within 270 days of entry on IADT, the member may be voluntarily transferred into TPC P (with pay) on approval of the unit commander. If transferred into TPC P (with pay), up to 36 paid individual drill training periods are authorized (9 months).

(4) High school seniors and graduates, 26 through 34 years of age, enlisting more than 180 days before entry on IADT, will be placed in TPC P (without pay). When within 180 days of entry on IADT, the member may voluntarily transfer to TPC P (with pay) on approval of the unit commander. If transferred to TPC P (with pay), up to 24 paid individual drill training periods are authorized (6 months).

(5) NHSGs, including those with GED diplomas and students currently in high school, may be enlisted into the Alternate Training Program up to 270 days before entry on IADT. Those enlisting more than 90 days before entry on IADT, will be placed in TPC P (without pay). When within 90 days of entry on IADT, the member may be voluntarily transferred into TPC P (with pay) on approval of the unit commander. If transferred into TPC P (with pay), up to 12 paid individual drill training periods are authorized (3 months).

(6) All NPS applicants enlisting in the AR with concurrent assignments to Control Group (Annual Training) of the IRR, will be placed in TPC P (without pay). They will remain in TPC P (without pay) until entry on IADT when they will be transferred to TPC F.

*c. Standard Training Program.*

(1) To enlist initially in the USAR under the Standard Training Program an NPS applicant must—

(a) Enter on IADT.

(b) Successfully complete a BT and AIT program.

(c) Qualify in an MOS.

(2) Length of time that the person is required to remain on ADT depends on the MOS in which he or she is to be trained. However, minimum period of time required on IADT is 12 weeks (10 USC 12103 (d)).

*d. Alternate Training Program.*

(1) To enlist under the Alternate Training Program, applicant must enter on IADT to undergo the common BT program. On successful completion of BT, the member will be released from IADT. He or she will return home and commence training with the unit of assignment in a paid drill status. Within 1 year of the last day of separation from IADT (BT), the member again will enter on IADT to complete AIT for MOS qualification.

(2) The length of time the person must spend on IADT while undergoing AIT depends on the MOS in which he or she is to be trained. The minimum period of time on IADT (BT and AIT) must total at least 12 weeks for the person to be considered deployable.

(3) Unit status reports will reflect exact deploy ability status.

(4) The program is limited to applicants who—

(a) Cannot complete BT and AIT during one continuous IADT period because of school or seasonal employment.

(b) Enlist for 6 or 8 years in a TPU (8 x 0 or 6 x 2 option). The 4 x 4 and 3 x 5 options are not authorized with the Alternate Training Program.

(c) Meet basic eligibility requirements for enlistment under chapter 2.

(5) Applicants will be enlisted in either TPC (with or without pay) under paragraph 5–64. On return from first IADT (BT), the member will be placed in TPC Q. The TPC for the second IADT period (AIT) is U. On completion of the second IADT period (AIT), the member will be placed in TPC A.

(6) BT reservations will be made through REQUEST at the time of enlistment. REQUEST will identify MOSs available for this program.

(7) Both periods, BT and AIT are considered IADT. Time in grade for promotion to E2 begins on entry on to first ADT period (BT). Enlistees may not be promoted to pay grade E2 until 180 days after entry into BT. Pay grade on initial enlistment will be prescribed in chapter 2.

(8) Between the two periods of ADT, the person will receive training in the intended MOS through supervised OJT, exportable training packets, or USAR schools. This training will not qualify the person for the MOS, but is intended to reduce AIT attrition on his or her return to the AD training base.

(9) AIT reservations for enlistees under this program will be requested from the guidance counselor by the unit commander as soon as possible but not later than 6 months after persons complete BT.

(10) Enlistees for this program may not take part in AT before completing BT. At the discretion of the unit commander enlistee may attend AT between the period of BT and AIT, provided it does not conflict with high school class attendance.

## **Section XV**

### **National Agency Check with Local Agency and Credit Check**

#### **5-64. General**

The CG, USAREC and DARNG will—

- a. Organize and administer the NACLIC and SECRET/SSBI submission program for accessions.
- b. Coordinate with USMEPCOM and OPM for the administration, execution, and receipt of results for the NACLIC, SSBI investigations, and fingerprint tech check.

#### **5-65. Policy**

DOD policy requires all accessions entering the RA, USAR, or ARNG to undergo a NACLIC investigation.

## **Section XVI**

### **Processing Procedures for Applicants Found Positive on the Human Immunodeficiency Virus**

#### **5-66. General**

This section provides policy and procedures related to the identification, processing, and disposition for RA, USAR, and ARNG applicants for enlistment confirmed to be HIV infected.

#### **5-67. Policy**

Department of the Army medical, manpower, and personnel policies related to HIV are intended to reflect current knowledge of the natural history of HIV, the risk to the infected person incident to military service, the risk of transmission of the disease, the effect of infected personnel on the Army units, and the safety of military blood supplies.

#### **5-68. Procedures**

During medical processing at MEPS, a blood sample is taken. A portion of the blood sample will be sent to a civilian laboratory under contract to the Government for testing. First, the lab will use a screening test called "ELISA," sometimes referred to as "EIA." This test is overly sensitive to ensure actual HIV infections are detected. Therefore, those detected as positive on the screening test will be administered a confirmatory test called the "Western Blot." This test is highly reliable but too expensive to use as a screening test. The lab will notify the MEPS with test results electronically or by telephone. The MEPS will notify the recruiting battalion commander of only those positive confirmed by the Western Blot test.

a. Upon notification from the lab of a positive Western Blot test, MEPS will forward a registered letter to the individual telling him or her that the MEPS physician wants to consult with them on the results of their medical examination administered at the MEPS and requesting them to contact their recruiter within 10 days; the recruiter will schedule a consult with the MEPS and arrange transportation. At the same time, a letter will be forwarded to the recruiting battalion commander addressed "EXCLUSIVE FOR" and marked "FOR OFFICIAL USE ONLY." The exact wording of the letter may vary depending on the individual's status (for example, enlisted, previously disqualified but subsequently detected as HIV positive, qualified not enlisted, and so on). Regardless of the individual's status, the recruiting battalion commander must ensure the following actions are taken:

(1) Notify the individual's recruiter or, if unavailable, the station commander (or designated individual such as company commander or first sergeant), that a letter has been mailed and that the individual will be calling to arrange transportation to the MEPS.

(2) Ensure that recruiter is aware of proper procedures.

(3) If the recruiter is unavailable to escort the individual or if in the judgment of the battalion commander, the recruiter should not be the escort, then the battalion commander will designate another responsible NCO or officer to be the escort. The battalion commander must use prudent judgment when selecting the individual for what could be very sensitive duty. If at all practical, the trip should be timed so as to preclude an overnight stay or long delay at MEPS. The MEPS will be ready at the scheduled time.

(4) After the individual has seen the MEPS physician, the guidance counselor will cancel the reservation for training. The recruiting battalion operations section will initiate DEP separation action. For AR members, the MEPS will provide a letter to the guidance counselor explaining that the individual has a disqualifying medical condition and

must be discharged as medical existed prior to service (EPTS). This letter and the individual's records will be forwarded to the TPU Commander. The envelope will be marked in the lower left hand corner "EXCLUSIVE FOR."

(5) If the individual fails to respond and the MEPS can verify by return receipt the individual had received the letter, or the individual refuses to go to the MEPS, MEPS will send a second letter will be sent to the individual. This letter, with a fact sheet on HIV, will tell the individual he or she is HIV infected, is disqualified for military service, and is encouraged to seek professional medical assistance from a physician or clinic. At the time the individual's letter is mailed, MEPS will send the recruiting battalion commander a letter requesting the individual be discharged. For DEP enlistees, a DEP separation will be initiated and the training reservation will be cancelled; for usAR and ARNG members, the training reservation will be cancelled and the MEPS letter of notification and the enlistee's records will be forwarded to the TPU and ARNG unit commander.

(6) If the individual does not acknowledge receipt of the initial letter, the MEPS will request assistance in locating the individual from the recruiting battalion commander. The recruiter/station commander or first sergeant will attempt to obtain a current address or, in the event the individual cannot be located, the last known address.

(7) Guidance counselors will be advised that the MEPS medical section will retain the original MEPS physical examination until laboratory results have been received. The medical section will provide a photocopy for contracting purposes. Upon receipt of results from the lab, the medical section will enter the "negative" results in DD 2808 and return it to the guidance counselor. For "positive" results, the MEPS will annotate DD 2808 with the results and deliver a reproduced copy to the counselor upon completion of the chief medical officer's consultation with the individual or upon the MEPS mailing the second letter to the individual. Once the DEP enlistee has been separated from the DEP, a copy of the separation order will be given back to the MEPS. The original MEPS letter will be forwarded with the packet to the TPU Commander.

b. The procedures described above apply to all persons processed by the US Army Recruiting Command. Policy and procedures relative to in-service retention and civilians are prescribed by HQDA under separate regulations.

c. Because of the sensitivity of this disease and the impact on individuals, total confidentiality is mandatory.

d. Questions or request for information relating to the Army policy on HIV will be directed to the DCS, G-1 (DAPE-HR-PR), Washington, DC 20310-0300 (through appropriate chain of command).

e. Under no circumstance will recruiters annotate or otherwise code any documentation that is maintained at the recruiting station level that reflects HIV results. Appropriate annotation for referring to disqualification for HIV is the same as for any other medical condition. Example of appropriate entry "Permanent medical disqualification" or "Permanent medical disqualification-no medical waiver authorized." No mention of reason is authorized.

## **Section XVII**

### **Conducting Recruiting Activities in Foreign Countries and Transmission of Recruiting Information to Individuals in Foreign Countries**

#### **5-69. General**

This section prohibits conducting recruiting activities in foreign countries unless authorized by Status of Forces of other agreements or treaties. Also prohibited is the transmission of recruiting information to individuals in foreign countries who are not entitled to enlist.

#### **5-70. Replies to inquiries**

When inquiries are received from an ineligible foreign individual, the individual will be advised as follows: "Sending recruitment information into a foreign country to other than American citizens, members of the Department of Defense, and Diplomats without the consent of the government of the country concerned, is strictly prohibited. In view of the above policy, I regret I can give you no further information regarding service in the U.S. Army."

#### **5-71. Aliens applying in person at recruiting stations in the United States or in locations overseas where recruiting stations operate**

Paragraph 5-70 does not prohibit providing information to applicants who are authorized to enlist and meet the citizenship criteria of this regulation. Care should be taken not to allow information to be transmitted to anyone in countries that prohibit enlistment contracts to be executed within their borders. Furthermore, no unsolicited recruiting material or applications for enlistment may be sent to persons in foreign countries.

## **Section XVIII**

### **Preservice Alcohol and Drug Testing**

#### **5-72. General**

This section provides the administrative policy for the pre-service alcohol and drug-testing program (see 10 USC 978).

### **5-73. Policy**

Each applicant for enlistment will be tested for the presence of alcohol and drugs at the time of physical examination. Any applicant who refuses to submit to this test will not be allowed to continue processing or to enlist (no exceptions).

### **5-74. Procedures**

*a.* Applicants will be tested for the presence of alcohol and drugs as part of their physical examination. The initial analysis of each specimen requires at a minimum 72 hours for a result to be available. No further action is required for those applicants whose specimen is reported negative. Applicants whose specimen is positive during the initial analysis will have their specimens verified positive or negative. This process takes approximately 21 days. It is important to note that not all specimens found positive by the initial drug analysis are always confirmed positive. Various lawful substances and foods sometimes provide a positive indication, and therefore no conclusion should be reached until laboratory results have been received.

*b.* Applicants may be enlisted into the DEP/DTP/DS or ARNG pending the result of drug tests; however, they will be informed prior to enlistment that if their test is confirmed positive they will be discharged. PS applicants enlisting into the RA who have been separated from AD for 6 months or fewer are not required to be tested for the presence of alcohol or drugs; however, these applicants may eventually be tested by their gaining units per AR 600-85 and AR 635-200.

*c.* Applicants who have a confirmed positive lab result will be discharged (separated) from the DEP or USAR if already enlisted (see AR 135-178). Recruiting battalion commanders will ensure DEP enlistees are informed of their separation. Members of the USAR will be discharged as EPTS-medical according to AR 135-178, chapter 4.

### **5-75. Disposition of records**

Residual files on DEP, USAR, or ARNG members will be maintained in accordance with USAREC or ARNG regulations; however, cases involving separation for drug use will be maintained for not fewer than 3 years.

### **5-76. MOS considerations**

Any applicant who had a confirmed positive lab result and is subsequently qualified after the waiting period will not be authorized to enlist for any MOS, unit, or assignment (to include any clearance level requirements) that restrict enlistment because of documented misuse of drugs or alcohol.

### **5-77. Notification procedures**

MEPS will notify the Army liaison daily through the MEPCOM Integrated Resource System (MIRS). The Army Liaison will query the MIRS system daily for the Drug and Alcohol Processing Eligibility Roster, which lists the test results and eligibility status of individuals processing for the Army and Army Reserve.

### **5-78. Notification of applicants found positive**

*a.* Applicants who test positive for drugs must be notified of their test results. MEPS will send a letter of notification directly to the applicant or enlistee according to appropriate MEPCOM regulations.

*b.* Applicants and enlistees may also be sent a list of civilian drug and alcohol abuse treatment centers in their local area.

### **5-79. Separation procedures for members of the Delayed Entry Program**

*a.* Upon notification (para 5-78), the guidance counselor will cancel the DEP reservation and attach a copy of the MEPS notification together with the enlistment packet. Forward the packet to the recruiting battalion, which will take action to separate the individual from the DEP. The separation code will be ZZY. The recruiter will be notified and the applicant advised of separation. (Provide a copy of the order to the separated individual.) The separation order will be published within 10 working days of the cancel date.

*b.* The recruiter must inform the applicant of his or her disqualification and advise that a memorandum is being sent from the chief medical officer. The applicant will be counseled on Army drug and alcohol policy, as well as advised as to the reapplication criteria.

### **5-80. Separation procedures for prior service/Glossary nonprior service**

*a.* Applicants who have PS and are pending RA enlistment are not in delayed status. Therefore, no discharge by the recruiting battalion is required; however, notification procedures are required and cancellation of reservation is mandatory.

*b.* If the applicant is a current member of any service TPU or unit, a memorandum notifying the commander is required.

### **5-81. AR enlistees with positive results**

*a.* Upon notification that a person who has enlisted in the DTP and has a positive drug result, the guidance

counselor will cancel any existing reservation and forward notification to the recruiting battalion in the same manner as the DEP.

b. The recruiting battalion will notify the TPU commander of the results and advise that the individual must be discharged. A copy of the discharge order must be sent to the recruiting battalion for enclosure with the residual enlistment file. HQ, USAREC will issue appropriate guidance on administrative procedures for quality assurance.

### **5-82. Invalid or unacceptable specimens**

The specimens provided by applicants/enlistees will be protected by strict chain-of-custody procedures. As a result, the laboratory may on occasion reject damaged, spilled, or otherwise unacceptable urine samples. When this occurs, the guidance counselor will be notified by the MEPS. It is the responsibility of the Army liaison office to ensure prompt receipt of invalid or unacceptable urine specimens. The applicant/enlistee will be required to provide a replacement specimen as soon as possible, but not more than 3 working days from receipt of the notification. Resubmission of such sample may be accomplished at other MEPS if necessary.

## **Chapter 6 Military Entrance Processing Station Processing Phase**

### **Section I General Information**

#### **6-1. General**

This chapter provides policy and guidance for those functions that are administered at MEPS by MEPCOM personnel and guidance counselors.

#### **6-2. Prior service individuals physically examined outside the Military Entrance Processing Station**

Physical examination outside of the MEPS system is not authorized (except in authorized overseas locations).

#### **6-3. Actions required of U.S. Military Entrance Processing Command personnel before sending applicants to guidance counselor**

a. Applicants will receive orientation on processing to be done at the MEPS.

b. ASVAB tests will be administered. Persons giving tests and recording test scores will be cautioned to compute and record test designations, test scores, and aptitude area scores with the utmost care. Specific directions to give and score tests are in manuals that accompany the tests. Instructions on administering tests are given in AR 611-5 and will be strictly followed.

c. Required medical examinations will be provided.

d. Medically and mentally tested applicants will be directed to the guidance counselor for final counseling and interview. The following MEPS records will be available to the guidance counselor:

- (1) MEPS Medical Examination documents.
- (2) Latest USMEPCOM Form 680-3A-E.
- (3) Other documents or records for final decision on acceptability.

### **Section II Guidance Counselor Processing Phase**

#### **6-4. General**

This section prescribes—

- a. Duties of the guidance counselor.
- b. Procedures to be followed in the enlistment process.

#### **6-5. Procedures applicable to Regular Army, Army Reserve, and Army National Guard**

Procedures below apply to the RA, USAR, and ARNG. The guidance counselor will—

a. Notify the recruiting company concerned via Army Recruiting Information Support System (ARISS) of results of medical and mental tests and any other pertinent data on all applicants processing.

b. Review with applicant DD Form 1966, SF 86, and supporting documents for errors or missing data, and making corrections where applicable.

c. Verify applicant's eligibility for enlistment per chapters 2, 3, and 4.

d. Advise rejected applicant of reemployment rights as outlined in chapters 2 and 5.

e. Access REQUEST to determine options available.

*f.* Use MOS video segments applicable to MOS and option for counseling all applicants on their enlistment options. The use of MOS video is mandatory.

*g.* Counsel applicants who failed to meet specific qualifications for MOS, options, and assignments, for which they applied; advise them of all other available options that would still meet the applicant's needs, wants, and desires as well as the needs of the U.S. Army.

*h.* Verify, by school transcript, successful high school course completion when it is required for entry into a specific MOS. For example, check to see whether applicant has completed and scored the appropriate grade in algebra, biology, or chemistry. Applicant must provide proof of grade in course required by MOS and grade must meet appropriate requirements.

*i.* Advise all applicants that enlistment automatically requires them to qualify with basic weapons.

*j.* Ensure resident aliens are not processed for any MOS, training, or assignment requiring a security clearance.

*k.* Review the enlistment Annex for RA, USAR, and ARNG. Initiate and review forms with applicant. This review is an important part of the enlistment process. The statements, completed correctly, prevent the possibility of erroneous enlistment, broken enlistment commitments, and misunderstanding on entitlements, assignments, and other matters relating to the enlistment agreement. The counselor ensures that statements for enlistment entered in the above document and in the DD Form 1966 Remarks section, when applicable, accurately reflect enlistment commitment. For USAR, the counselor will determine that an applicant is qualified for original USAR unit and MOS selected or, if proper, an alternate option.

*l.* Question applicants to be sure they understand their enlistment commitments. Applicants will be advised that no provision exists to request or except voluntary discharge before normal completion of their enlistment commitment, other than for hardship, dependency, or compassionate reasons.

*m.* Counsel applicants that—

(1) The Army does not tolerate the use of marijuana or harmful or habit forming chemicals or drugs.

(2) In-service use may be punished under the UCMJ.

*n.* Advise applicants that some MOSs will require completion of a specified course of instruction as a prerequisite before entering training for the MOS for which they are enlisting.

*o.* Give all applicants a final and thorough counseling. This counseling should eliminate any misunderstanding of enlistment promises.

*p.* Reproduce all verification documents for inclusion in electronic record management. The guidance counselor will certify all copies as a true copy of the original by scanning the required documents into the electronic record management, return original copies to applicants, and ensure Soldiers have the required source documents needed to establish appropriate entitlements or benefits at the reception battalion.

*q.* Ensure that applicants enlisting for any MOS, option, or assignment that requires security clearance, as outlined in QUALS (HRC ACCESS Database), are processed by the USAREC security interviewer. USAREC security interviewer must verify PS applicants hold the required security clearance for the desired MOS enlisting for.

*r.* For applicants requiring special extensive processing after MEPS mental or physical examination (for example, OCS or WOFT board, flight physical, band audition, or waivers)—

(1) Determine MEPS test and physical results and inform applicant of these results.

(2) Refer applicant back to recruiter and dismiss him or her from the MEPS.

*s.* Notify RC units, when former members are discharged or released for enlistment into the RA or USAR per paragraph 5-24.

*t.* Ensure that DD Form 1966 is validated at DEP in/DEP out.

*u.* If an applicant enlists for an MOS that is annotated on REQUEST as a Force Modernization MOS, ensure that the following statement is added to the applicant's DD Form 1966 Remarks section: "I am aware that the MOS for which I am enlisting requires training on equipment currently in the developmental stage, which may not be available. If this situation arises at completion of basic training, I understand that I will receive training in an alternate MOS within the same career management field."

*v.* Counsel applicant on the benefits of the Veteran's Educational Assistance Act of 1984 (Montgomery G.I. Bill). Ensure applicant completes statement on enlistment annex for Educational Incentive Programs for which contracting. Ensure applicant's higher educational loan(s) qualify for loan repayment if selecting the Loan Repayment Program (LRP) option.

*w.* Ensure all applicants who speak English as a second language and who still experience difficulty in conversing in and understanding English are properly identified and take the ECLT. The American Language Comprehension Placement Test (ALCPT) may be substituted when the ECLT is not available. Scores outlined for ECLT will apply for the ALCPT.

(1) The guidance counselor will inform those applicants who score 74 or below on ECLT that they will receive English training at the Defense Language Institute, English Language Center.

(a) Those applicants scoring 0-39 on the ECLT will be enlisted for 3 years regardless of MOS for which enlisting.

(b) Those scoring 40–74 will have no additional requirements beyond those normally placed upon any other applicant in the same test score category.

(2) The guidance counselor will inform applicant that he or she must achieve a minimum ECLT score of 75 or a proficiency level of 1.5 upon completion of Defense Language Institute, English Language Center training. Persons who do not meet either of these requirements will be processed for separation.

x. Advise all enlistees of the importance of wearing eyeglasses to and during training. Counselor will discourage enlistees from the use of contact lenses, because the training environment is not conducive to the use of contact lenses.

y. Advise applicants that it is their duty to establish and maintain an account with a United States financial institution (such as a bank, savings, and loan institution, or credit union) for the direct receipt of their net pay and allowances while serving in the Army. Further, the counselor will explain that applicants must establish such account in order to execute the appropriate forms at the servicing finance office upon arrival at the reception battalion.

z. Review all enlistment forms with the applicant to ensure they are signed by the applicant. The guidance counselor will sign the forms as the witnessing official.

#### **6–6. Procedures applicable to Regular Army only**

The procedures below apply to the RA only. The guidance counselor will—

a. Explain to applicants who enlist for an overseas area the specific normal tour length and involuntary extension policy, as defined in AR 614–30. The enlistment annex will show applicant understands tour lengths.

b. Counsel married couples to prevent any misunderstanding of Army policy on assignment of married Army couples. Use of DA Pam 600–8, paragraphs 3–49 and 3–50, is recommended for this counseling, regardless of the married couple’s enlistment options or programs. Counselor will question married Army couples on Army policy, eligibility criteria, and assignment conditions. Married couples will be fully aware that applying for joint assignment under the Army married couples program, does not guarantee that they will be able to establish a joint domicile after completion of their initial entry training.

c. Ensure DD Form 1966 is completed.

#### **6–7. Procedures applicable to Army Reserve and Army National Guard only**

PS applicants who have not satisfactorily completed a basic training course or AIT will enter on IADT within 180 days. IADT funds and orders will be used to train these personnel (to including Glossary NPS). Phase III of the Specialized Training for Army Reserve Readiness (STARR) Program is also considered a part of IADT. Section III USAR Vacancy Requirements

#### **6–8. Vacancies and projected vacancies**

a. Enlistments and assignments to USAR TPUs are authorized for vacancies on REQUEST according to the following priority of fill:

- (1) Vacant positions within the unit as displayed on the Unit Manning Report.
- (2) Known pending losses.
- (3) Permitted overstrength.
- (4) Attrition.

b. Projected vacancies will be under the policies below.

(1) PS and NPS personnel may be enlisted up to 12 months before a projected vacancy. If IADT exceeds 36 weeks, the 12-month period may be exceeded by the IADT period (including BT).

(2) Commanders may submit assignment requests against vacancies occurring in approved modification table of organization and equipment (MTOE) or tables of distribution and allowances (TDA) authorization documents that have projected effective dates of reorganization.

c. Guidance counselors will not assign any applicant(s) to an USAR TPU beyond reasonable commuting distance without written consent of the applicant and approval by the USAR TPU commander. Reasonable commuting distance is the distance from home to the USAR TPU location within a 50-mile radius and does not exceed 1.5 hours of travel time one way under average traffic, road, and weather conditions by automobile.

d. Vacancy requirements are not needed for enlistment or reenlistment in the IRR.

#### **6–9. Vacancy requirements**

a. *Obligated personnel.* Enlistment of persons who incur a 8-year statutory service obligation enlistment in the USAR will be made only—

- (1) For assignment to a TPU vacancy on REQUEST (see para 6–8).
- (2) After receipt of a confirmed training space for entry on IADT to undergo basic training.

b. *Female enlistments.* The current policy on enlistment of women in the Army is as follows:

- (1) Women are authorized to serve in any enlisted specialty except those listed in DA Pam 611–21.

(2) Women may not serve in units or in positions in units below the brigade level whose primary mission is direct ground combat (see AR 600–13).

(3) Enlistment of women in any of the closed specialties is not authorized.

*c. Nonobligated persons.* Enlistment of nonobligated persons will be as follows:

(1) For TPU vacancy on REQUEST, if—

(a) The applicant has had PS and has no remaining statutory obligation.

(b) The applicant is a qualified member of the USAR and is immediately reenlisting under AR 140–111, chapter 3.

(2) For enlistment or reenlistment in the IRR with assignment to the USAR Control Group (Reinforcement) without regard to position vacancies in the IRR, if—

(a) The applicant has had prior military service, has no remaining statutory obligation and enlists under this regulation or reenlists under AR 140–111, chapter 3.

(b) The applicant is a qualified member of the IRR or Standby Reserve and is immediately reenlisting under AR 140–111, chapter 3.

(3) CG, HRC–St. Louis, may authorize enlistment or reenlistment of PS personnel who have no remaining statutory obligation for assignment to USAR Control Group (Reinforcement) and attachment to a TPU or reinforcement training unit. Overseas commanders may authorize enlistment or reenlistment of such persons on request of the unit commander. Applicant must be otherwise qualified. The person will be informed that, during the period of unit attachment, all individual drill training will be in a nonpay status, but retirement point credit will accrue. Applicant must have served honorably on AD or taken part satisfactorily in Reserve training during period of prior enlistment or obligated service.

(4) Persons currently employed, or who seek employment in the U.S. Army Reserve Technician Program, may be enlisted for assignment to a unit vacancy. They must otherwise qualify and be authorized by the area commander. If applicant has no prior military service, then enlistment requires prior receipt of a confirmed training space for entry on IADT. If a unit vacancy is not available, then the person will be assigned as overstrength to the unit in which he or she is performing the majority of assigned duties. Assigned technicians are required to participate successfully in the assigned TPU throughout their enlistment period.

*d. Military intelligence, signals intelligence, electronic warfare, signal security units, military police detachments, and Special Forces enlistments.* If persons enlisted for the assignments below are later found not fully qualified, they may be reassigned, with or without their consent, to another branch of the USAR for which they are qualified. Enlistment eligibility and processing procedures for enlistment of PS and NPS applicants for unit vacancies in units or branches specified below are established by the reference shown.

(1) Military intelligence, signals intelligence, electronic warfare, and signal security units (AR 135–382).

(2) Military police detachments (criminal investigation) (AR 195–3).

(3) Special Forces (AR 614–200).

### **Section III**

#### **Military Entrance Processing Station Administrative Processing Phase**

##### **6–10. General**

This section outlines administrative responsibilities and required actions of USMEPCOM personnel before and after administering the Oath of Enlistment.

##### **6–11. Duties of USMEPCOM personnel**

MEPCOM personnel will—

*a.* Ensure that applicants who qualify have proper documents before they are enlisted and sent to their first station.

*b.* Complete preparation and disposition of required forms and records (see chap 5 and AR 601–270). To establish enlistment eligibility, applicants often must present personal documents. These will be returned along with discharge certificates, separation reports, and other documents. Copies will be made of those documents needed for processing by the guidance counselor.

*c.* Prepare DD Form 93 (Record of Emergency Data) in final form. The MEPS will process DD Form 93 under policies and procedures set by USMEPCOM.

*d.* Conduct pre-enlistment interview fingerprint submission on all accession under policies and procedures set by USMEPCOM.

*e.* Administer Oath of Enlistment (see chap 6).

*f.* Obtain signature on confirmation of Oath of Enlistment on DD Form 4.

*g.* Make transportation arrangements (see chap 5, sec V).

*h.* Send enlistees to proper station. Return rejected applicants to place of tentative acceptance. Section V DD Form 1966.

**6-12. Completion of DD Form 1966**

The guidance counselor will review and ensure that DD Form 1966 is properly completed and compare all entries to verification documents and SF 86. The final completed DD Form 1966 should be free of errors and must be legible. Counselor will print all entries.

### **6–13. Preparation of DD Form 4**

DD Form 4 establishes a legal relationship between the U.S. Government and the enlisted member. Special care will be taken to see that all items are correct, without strikeover.

a. After MEPS personnel complete appropriate section, applicant will be returned to guidance counselor with DD Form 4 for review and signature.

b. After guidance counselor signs and certifies accuracy of all actions taken, and accepts applicant for DEP, RA, USAR, or ARNG enlistment, applicant returns to MEPS for completion of processing and enlistment.

c. After taking oath of enlistment, applicant signs and enlisting officer signs DD Form 4. A copy is then given to the enlistee for personal records.

d. For applicants entering on AD from the DEP, MEPS types in all required data and sends applicant to the guidance counselor.

e. Guidance counselor reviews all forms, verifies eligibility for AD, ensures that any changes in applicant's status are properly documented, witnesses applicant's signature and then signs and accepts applicant for RA enlistment.

f. After taking oath, applicant signs and enlisting officer signs.

### **6–14. Actions before signature on DD Form 4**

Before an applicant signs the confirmation of Oath of Enlistment on DD Form 4, the enlisting officer will—

a. Provide an orientation as required by AR 601–270.

b. Ensure applicants who have questions about their 8-year military obligation have all questions answered by the Army Liaison before enlistment.

c. Ensure that no promises have been made to applicants, either direct or implied, that cannot be substantiated by proper regulations. Applicants who have any misunderstanding about the extent of their full enlistment commitment, specific options or Army unique benefits will have them explained by the Army Counselor, supported by this regulation.

d. Administer the Oath of Enlistment.

### **6–15. Correction of errors on enlistment forms**

To correct errors found after applicant has enlisted and forms are distributed, the following procedures apply:

a. An immediate commander or designee may correct minor administrative and typographical errors found after distribution of forms. DA Form 4187 will be completed and DD Form 4 or DD Form 1966 will be corrected for RA. A copy of the approved DA Form 4187 will be forwarded to the Commander, U.S. Army Enlisted Records and Evaluation Center, ATTN: PCRE–RR, Fort Benjamin Harrison, IN 46249. A new DD Form 4 will be prepared for USAR. The revised page of DD Form 4 or its entirety will be completed, to include confirmation of enlistment. The date entered in item 16c by the enlisting officer will reflect the actual date that the oath on the revised DD Form 4 was administered. "CORRECTED COPY" will be printed in block letters at the top and bottom of each corrected page of the revised DD Form 4. The corrected pages of the DD Form 4 will be attached to the original DD Form 4.

b. To correct the DD Form 4 on length of service, see paragraph 8–6.

c. If a Soldier or the officer who has administered the oath of enlistment has failed to sign DD Form 4 and distribution has been made, the official personal military file copy will be signed and a memo or DA 4187 explaining the circumstance will be attached. In addition, a new page of the DD Form 4 will be prepared and completed and appropriate signatures obtained; this copy will be annotated as a "CORRECTED COPY" for RA, USAR, or ARNG

and appropriate distribution made. Assistance from the USAREC, the U.S. Army Training and Doctrine Command (TRADOC), or Forces Command liaison will be obtained as necessary.

#### **6-16. Claims of erroneous entries**

Authority to act on claims of erroneous entries on enlistment documents that are not delegated elsewhere in this chapter or in AR 600-8-104 is delegated to the Commander, U.S. Army Enlisted Records and Evaluation Center, Fort Benjamin Harrison, IN 46249, for RA, and the Commander, HRC-St. Louis, ATTN: DARP-PAT-I, 1 Reserve Way, St. Louis, MO 63132-5200, for USAR or C,NGB for ARNG. Requests relating to claims of erroneous entries must include a statement signed by the person; copies of substantiating documents that will assist in making a decision will be attached. Section VI Administration of Oath of Enlistment and Related Matters.

#### **6-17. Orientation before administration of oath**

Before giving the Oath of Enlistment to an applicant, the enlisting officer will—

*a.* Explain the UCMJ, Art. 83, to applicant and emphasize the importance of UCMJ with respect to truthful answers to questions on the enlistment forms.

*b.* Explain to all enlistees the substance of UCMJ, Arts. 85 and 86.

*c.* Explain to applicant that anything in his or her record that may prohibit enlistment must be disclosed before the oath is administered. Explain to applicant that if disclosure is made at this time (before the Oath of Enlistment) the worst that can happen is rejection for enlistment.

*d.* Warn applicant that his or her fingerprints will be forwarded to the Federal Bureau of Investigation. Warn applicant that even though a person may conceal a criminal or juvenile record or PS at time of enlistment, such a record will be discovered later. The applicant will be subject to trial by court-martial for fraudulent enlistment or possible discharge under less-than-honorable conditions.

#### **6-18. Administration of oath of enlistment**

A commissioned officer of any service will administer the Oath of Enlistment in DD Form 4 orally, in English, to each applicant. Make a suitable arrangement to ensure that the oath is administered in a dignified manner and in proper surroundings. Display the U.S. flag prominently near the officer giving the oath. The words “So help me God” may be omitted for persons who desire to affirm rather than to swear to the oath.

#### **6-19. Actions required after administration of the oath**

Immediately after the Oath of Enlistment, the enlisting officer will—

*a.* Require each enlistee to sign DD Form 4.

*b.* Provide each enlistee with a legible copy of enlistment forms.

#### **6-20. Predating an enlistment**

Except as indicated below, date of enlistment is the actual date the Oath of Enlistment is given. This date must be shown on the enlistment record above the signature of the officer who administered the oath.

*a.* No enlistment will be predated without prior approval. A person’s enlistment may be delayed through no fault of his or her own, but for the convenience of the Government.

*b.* Requests to predate the enlistment will be sent to Deputy Chief of Staff, G1, ATTN: DAPE-MPA, Washington, DC 20310 for Regular Army, USAR, and ARNG.

### **7-4. Eligibility**

- a. ACASP is available to qualified applicants with or without PS. Person with skills acquired through military service will not be enlisted under this program. Members of the RC who were awarded an MOS based upon civilian acquired skills and are applying for enlistment into the RA will be authorized to enlist under this program provided they are otherwise qualified. All PS applicants who have had a break in RA or RC service of 3 or more years and who are qualified under this chapter may enlist for ACASP regardless of former MOS. These applicants must meet all requirements, including basic eligibility. Applicants must—
  - (1) Meet basic eligibility criteria for enlistment (chaps 2 or 3, as appropriate), skill training, and work experience, MOS prerequisites, and prerequisites of DA Pam 611-21. MOS prerequisites are available on a computer output display by using the Report of Qualification Program of REQUEST. When a person has unusual training or experience relevant to an MOS, requests for determination of equivalency may be submitted for consideration to HQDA (DAPE-MPA).
  - (2) Have had either training or experience in their civilian-acquired skills within 24 months of enlisting.
- b. Exceptions for applicants qualified for ACASP but who do not meet or possess applicable ASVAB score and when no prerequisite MOS training is required may request through appropriate chain of command an exception to policy from HQDA (DAPE-MPA).

### **7-5. Enlistment periods**

Minimum terms of enlistment for ACASP will be established by REQUEST and as announced by HQDA (DAPE-MPA) for special categories of persons and for selected MOS.

### **7-6. Accelerated promotions**

ACASP enlistees assigned to one of the four special bands listed in paragraph 7-3 are authorized accelerated promotion under the provisions of AR 600-8-19.

## **Section II Training Requirements**

### **7-7. Enlistment training options available**

An applicant's age at enlistment, service obligation if applicable, prior military service, and MOS selected will determine applicable training options. All RA enlistments under this program will enlist under Program 9B (U.S. Army Station/Unit/Command/Area Enlistment Program). usAR and ARNG enlistment training options based on 10 USC 12103.

### **7-8. BT requirement**

*a.* Persons not having prior military service or who did not complete Army or Marine BT during previous military service must complete a period of BT (for RA, see para 5-18; for RC, see para 7-7). PS applicants requiring BT will attend the WTC, which replaces the traditional Army BCT course formerly used to train PS personnel.

*b.* For RC only, applicants with no prior military service must complete at least 12 weeks of IADT (10 USC 12103).

### **7-9. Requirement for prerequisite training**

*a.* Some MOSs available under ACASP may require completion of a specified course as a prerequisite for awarding the MOS in accordance with DA Pam 611-21. Award of the ACASP MOS will not be considered until successful completion of all required training, including prerequisite training if required.

*b.* For RC personnel, prerequisite training may be accomplished during IADT or ADT at a later date or through completion of correspondence courses or AR schools, if available. However, other than training listed in DA Pam 611-21, MOS training during IADT will not be offered to ACASP applicants.

### **7-10. Requirement for proficiency training**

*a.* ACASP enlistment training options require completion of specified periods of proficiency training as a prerequisite for awarding of the MOS (for usAR, see para 7-7; for RA, this period is 8 weeks). Proficiency training is specified period or periods of time during which the enlistee functions in the MOS for which he or she was enlisted. For RC, IADT proficiency training will be performed within 12 months of graduation from BT. RC band enlistees must complete proficiency training as prescribed by Commandant, USASOM (see 9-11e(2)).

*b.* The training is a transition period in which enlistees learn to apply civilian-acquired skills to the military. Commanders will use proficiency training and applicable IDT preparatory training time to evaluate each enlistee's ability to function in the specific MOS. Before award of MOS and promotion to accelerated pay grade, the enlistees must be able to perform duty requirements of the MOS as described in DA Pam 611-21.

## **Section III ACASP Personnel Management**

### **7-11. Determination of qualifications and enlistment grades**

*a.* ACASP applicants must present valid evidence of completion of required civilian training to enlistment authorities. This evidence may include certificates, transcripts, diplomas, union cards, or employment records showing the period of actual work experience, training received, degree of proficiency attained, and a summary of duties and training in a civilian-acquired skill. Training may include successful completion of union, industry, or Government-recognized training or apprenticeship programs. Certificates and diplomas submitted by applicants must bear the original seal of the institution awarding the document, or be documented as true copies.

*b.* Persons who meet training and work experience requirements in accordance with DA Pam 611-21 (see <https://perscomnd04.army.mil/mosmartbk.nsf/>) and satisfy all other enlistment criteria will be enlisted in pay grade E-4.

*c.* Classification interviewers at reception battalions will continue to review individual qualifications. They will identify Soldiers not recruited under the ACASP but who should be processed under AR 612-201 as it applies to Soldiers with civilian-acquired skills. Soldiers found qualified under ACASP will be referred to the USAREC liaison.

### **7-12. Award of military occupational specialty, enlistment grade, and accelerated promotion**

*a.* Applicants enlisting under the ACASP will be enlisted in pay grade SPC if they meet the criteria in DA Pam 611-21. No additional accelerated promotion is authorized unless enlisting in the United States Army Special Bands.

*b.* For applicants enlisting in the United States Army Special Bands, promotion to the accelerated grade and award of the MOS authorized by the enlistment agreement will be made either with approval of the unit commander or by the training commander for active Army personnel, after successful completion of all training required by the enlistment program selected in paragraph 7-6. For RA, this includes 8 weeks of successful performance in the skill. The accelerated grade will be awarded to qualified Soldiers without regard to time in grade, time in service, or promotion allocation. After having been awarded the ACASP MOS and promoted to the accelerated grade, United States Army Special Band enlistees will be governed by AR 600-8-19.

c. For RC band enlistees. PMOS 42R with applicable ASI will be awarded by Commandant, USASOM upon completion of all prescribed training and certification by the enlistee's band commander.

d. ACASP enlistees will be promoted to the next higher grade in accordance with AR 600–8–19 for RA and with AR 135–205 for usAR.

e. The commander with authority to promote may take action to deny award of the MOS for which the applicant enlisted. The commander will be guided in this determination by duty requirements of the Soldier's MOS as described in DA Pam 611–21. Reasons for denying of MOS may be any misconduct during the proficiency-training period or failure to demonstrate minimum required level of performance for the MOS. The Soldier must be advised in writing by the commander of the reason for denying the award of the MOS. A record of this counseling, including basis, results (for example, audition scores for band persons), will be entered in the Soldier's official record as a permanent document. The Soldier will indicate on the counseling statement that he or she has read the statement and that he or she has or has not submitted a statement in his or her own behalf.

f. For United States Army Special Band personnel, on denial of accelerated promotion to the applicable grade, the commander may retain the Soldier at the current grade. However, the Soldier must not already be serving in that grade. The commander may defer promotion for up to 4 more weeks for RA. If so, the Soldier may be promoted to the higher grade or denied promotion at any time after completion of the initial proficiency period and the deferred period as indicated above. Interim promotions pending final decision are not authorized. A final decision must be made by the end of the deferred period. Persons failing to perform successfully in the skill and who are not provided accelerated promotion will be considered for future promotions along with their contemporaries under AR 600–8–19, as appropriate.

g. Denial of award of MOS to ACASP Soldiers for reasons cited in paragraph 7–12d will not constitute a breach of enlistment contract or agreement, nor result in an unfulfilled enlistment commitment. Commander will generate reclassification action on the affected soldier according to his or her aptitude scores coupled with the needs of the Army.

h. PS applicants, authorized to be promoted to pay grade SGT under paragraph 3–17 (for RA) or paragraph 3–18 (for AR) can still be enlisted under this program. However, enlistment grade will be determined by CG, HRC–EIS. Enlistment grade for usAR PS applicants will be determined by the recruiting battalion commander or executive officer or equivalent member of the ARNG.

### **7–13. Army Civilian Acquired Skills Program enlistment control**

ACASP enlistments will be controlled by HRC through the REQUEST System. If a skill is not available, applicant will be advised of other enlistment opportunities available.

### **7–14. Annual training**

For RC only, NPS applicants who enlist under the ACASP may not be ordered to AT until successful completion of BT.

### **7–15. Mobilization readiness and deployability**

a. Enlistees under ACASP will be reported as MOS-qualified for mobilization readiness when all of the following actions are accomplished:

- (1) Successful completion of BT.
- (2) Satisfaction of prerequisite training if required by the MOS for which enlisted.
- (3) Award of ACASP MOS as PMOS based on satisfactory completion of proficiency training (to be determined by unit commander using DA Pam 611–21 as a guide).
- (4) Promotion to accelerated grade shown on enlistment agreement (for U.S. Army Special Bands only).

b. 10 USC 671 requires a minimum of 12 weeks of BT, or equivalent, before a member of the military service may be deployed overseas. The DCS, G–1 has determined that completion of training programs and options outlined in paragraph 7–7 equals the 12-week BT requirement of the statute.

## **Section IV**

### **Enlistment Processing Procedures**

#### **7–16. Processing procedures**

a. Processing procedures as outlined in an applicant's selected enlistment option will apply. Also, procedures outlined below will be followed for all ACASP applicants.

b. Recruiters will review and verify each applicant's qualifications before sending him or her to a guidance counselor. Guidance counselor will verify qualifications and complete necessary enlistment forms and processing.

(1) Each applicant will submit documents that verify intent to enter civilian schooling, length and successful completion of education, training, and experience for the applicable skill. These documents must bear the original seal of the issuing agency or be certified as a true copy. Documents will include, but are not limited to the following:

school transcripts; certificates of completion of training; certificates of registration with a Board of Registry or professional society; diplomas; employment records; union membership cards; certification as civil service apprentice or journeyman; letter/ document attesting to acceptance in a civilian post-secondary training program. Civil Service Standard Form 50 (Notification of Personnel Action) may be used as well as a certification of applicant's typing or dictation, when required.

(2) Applicants must present documentary evidence described in DA Pam 611-21.

(3) For RA and RC, if applicant is currently enrolled in an approved course with satisfactory academic standing, and is enlisting in the DEP, applicant is eligible for ACASP. Applicant must present proof of enrollment, academic standing, course graduation date, and a letter from the school signed by the school administrator, prior to DEP enlistment. If the applicant fails to graduate or receive course certification, applicant becomes ineligible for ACASP, and enlistment contract must be renegotiated at pay grade for non-ACASP, or the applicant will be discharged from the DEP.

### **7-17. Skills available for enlistment and unit vacancies**

Skills available for enlistment and unit vacancies will be ascertained by the REQUEST system before completion of ACASP enlistments. Unit vacancies will be verified with the proper unit if required by REQUEST. If REQUEST does not provide a requirement, applicant will not be enlisted under this chapter. He or she will be offered other enlistment opportunities without entitlement to ACASP and accelerated promotion under this chapter. Guidance counselor will include a statement to this effect in the remarks section of DD Form 1966.

a. All requested training spaces for PS applicants enlisting under ACASP will be coordinated through USAREC.

b. For RC only, PS personnel with a remaining statutory obligation will—

(1) Enlist for the number of years required to fulfill remaining statutory obligation period, or as prescribed in chapter 3.

(2) If prerequisite MOS training is required, enlist in the pay grade authorized by chapter 3, but not less than pay grade SPC.

c. For RC only, PS personnel with no remaining statutory obligation will enlist or reenlist for a period as prescribed in chapter 3.

d. All personal documents used to verify applicant's qualifications will be copied and included in the enlistment packet. Original documents will be returned to applicant.

## **Chapter 8 Actions Required After Enlistment**

### **8-1. General**

This chapter covers procedures that apply to the final processing phase of the new Soldier. Processing a new Soldier is not complete until he or she finishes training. During this time, processing errors or misunderstandings may occur. They must be resolved because accurate records are vital to a Soldier's military career, civilian life, and family, before and after his or her death.

a. USAREC liaison NCO is the primary source for ensuring that records are corrected expeditiously. The liaison NCO will provide a memorandum that addresses all changes made along with support for the changes. The liaison NCO will forward the memorandum to the Soldier along with the Enlisted Record Brief (ERB) and the finance record.

b. Soldiers who have reported to their first duty assignment will see their personnel office for assistance. Retention liaison NCOs are responsible to correct enlistment records and will execute the memorandum as noted in paragraph 8-1a.

### **8-2. Reporting procedures**

a. *Reception battalion.* The reception battalion will add documents to establish finance, medical, and personnel records on each Soldier. Reception personnel will ensure that the enlistment commitment, if extended, is entered on the ERB.

b. *Installation.* The installation where the Soldier received initial training will report the Soldier to HRC as a training arrival in accordance with reporting procedures contained in AR 612-201.

c. *Training center.* As part of in-processing, the training center will—

(1) Screen records and orders for special category personnel. Report persons with enlistment commitments by name and commitment to the CG, HRC.

(2) Compare assignment instructions with enlistment records to see that enlistment commitments have been honored. Report inconsistencies immediately to the CG, HRC for resolution. Affected Soldiers will not proceed to permanent

duty stations until the CG, HRC has made corrected assignments. Procedures for processing assignment instructions for initial entry training Soldiers are in AR 612–201.

### **8–3. Waivers of enlistment commitments**

*a.* After a person enters the Army, the enlistment commitment or a portion of it may be waived. However, such waivers should be used sparingly and only when reasons are valid (for example, compassionate or hardship reasons or the Army is unable to fulfill an enlistment commitment). Prepare the waiver in writing. A waiver is not automatic and it is not designed for Soldiers to change their enlistment unless unusual or Government-directed circumstances exist. The procedures below apply.

(1) Enlistees with commitments for training and duty in a specific MOS or career management field (CMF), assignment to a specific unit, and an enlistment incentive may not waive the training without waiving the incentive.

(2) Enlistees who waive the unit assignment commitment, but not the incentive, may be assigned to an installation or unit authorized personnel with the incentive skill.

(3) Enlistees with an incentive commitment who have a contractual agreement for training or for training and a specific unit assignment, may waive the incentive commitment to apply for some other training or assignment.

(4) Enlistment commitment waivers will—

*(a)* Be prepared in duplicate.

*(b)* Be signed by the enlistee.

*(c)* Be witnessed by a commissioned officer, warrant officer, or a DA civilian designated as a military personnel officer or USAREC liaison NCO.

*(d)* Contain wording substantially as follows: “I voluntarily waive my enlistment commitment for (blank) made at the time of my enlistment. I fully understand that, as a result of doing so, I will be assigned in accordance with any remaining portion of my enlistment commitment and the needs of the service, and will be required to complete the full term of service for which I enlisted.”

*b.* The original of the above certificate of enlistment commitment waiver will be forwarded to the Commander, U.S. Army Enlisted and Evaluation Center, ATTN: PCRE–RR, Fort Benjamin Harrison, IN 46249. Place the original copy in the Soldier’s Official Personnel Military File. Attach a duplicate to the DD Form 4 copy of the Soldier’s ERB. Retain both copies for the first term of the Soldier’s enlistment.

*c.* When an enlistment commitment for an authorized assignment is waived before reporting date, the waived commitment will be reported to the office that authorized the assignment.

*d.* An entry will be made in item 4 of DA Form 2–1 and ERB, indicating the waived enlistment commitment.

*e.* Commanders at all levels will set up procedures and policies to review enlistment commitments at the time the enlisted members arrive at the unit. Commanders will take necessary action to ensure that commitments made to enlistees are fulfilled.

### **8–4. Erroneous or unfulfilled enlistment commitments**

When a breach of enlistment commitment occurs, the service member has a reasonable time to present a claim. (The time period normally is 30 days.) The time starts from the date the member is informed that his or her commitment will not be honored, or he or she discovers that the commitment has been breached.

*a.* Above time limits will be applied with discretion in each case.

*b.* Per paragraph 8–6, claims will be forwarded that—

(1) Cannot be resolved at the local level.

(2) Should be honored for moral commitment or alleged verbal commitment.

*c.* If it is discovered that an enlistee was erroneously enlisted or if the enlistee reveals information that if known could have resulted in rejection for enlistment before departure from the MEPS, then procedures in AR 635–200, paragraph 7–15*e* will be followed.

### **8–5. Processing claims of unfulfilled or erroneous enlistment commitments**

Refer such claims to the recruiting command liaison NCO for resolution. For claims of persons who have departed the reception battalion, the commander will—

*a.* Review the person’s ERB to determine validity of the claims.

*b.* If authorized, fulfill an enlistment commitment that the enlistee does not desire to waive. If not, commander will notify HRC as quickly as possible that the person—

(1) Is available immediately under AR 614–200, chapter 8.

(2) Has an unfulfilled enlistment commitment.

*c.* Forward enlistee’s claim to the CG, HRC, for resolution when the person appears to have—

(1) Enlisted for an option that he or she is not qualified to receive.

(2) Not met prerequisites that must be determined before enlistment.

*d.* Help prepare letter request for claimants for either erroneous or unfulfilled enlistment commitments that cannot be

resolved by reassignment action. Subject of letter will be "Correction of Unfulfilled or Erroneous Enlistment Commitment."

(1) The original and one copy of the request with enclosures below will be forwarded by first class mail direct to the Commander, HRC, ATTN: AHRC-EPR-P 2461 Eisenhower Avenue, Alexandria, VA 22331-0400.

(a) DD Form 4.

(b) DD Form 1966.

(c) DA Form 3286 and addendums completed for the claimant.

(d) ERB.

(e) SF 86.

(f) MEP physical exam, if required, and related documents (for example, consultation reports).

(g) Waiver of enlistment commitment or statement that the official military record does not show that the enlistment commitment was waived.

(h) Sworn or notarized statement from claimant affirming the facts.

(i) Other statements or documents to help evaluate the claim.

(2) The third copy of the request (including copies of enclosures in (1) above) will be forwarded by first class mail direct to the Commander, United States Army Recruiting Command, ATTN: RCES-RI, 1307 Third Avenue, Fort Knox, KY 40121. Also, a DA Form 209 (Delay, Referral or Follow-up Notice) addressed to claimant will be sent with request.

e. Submit request to help establish correct enlistment grade, with substantiating evidence and statements, to DCS, G-1 (DAPE-MPA).

f. Process claims on erroneous home of record or other entries not covered above in accordance with paragraph 6-11.

#### **8-6. Correction of term of enlistment and other contract inquiries**

a. It may be discovered that an error has been made in processing an enlistment so that the term of enlistment shown on DD Form 4 is for a longer term than intended. If so, the unit commanders will submit a request for correction through military channels to the Commander, HRC, ATTN: AHRC-EPF-P 2461 Eisenhower Avenue, Alexandria, VA 22331-0400 for Active Army Soldiers or to the Army Reserve, G-1 (AFRC-PRP-E), 1401 Deshler Street SW, Fort McPherson, GA 30330-2000 for Army Reserve Soldiers (whose DD Form 4 is in question) that enlisted through USAREC. The request will contain the following data:

(1) Sworn statement by member and other involved persons. The statement will give circumstances of enlistment.

(2) Evidence to support claim of error in period of enlistment shown on—

(a) DD Form 4.

(b) DD Form 1966.

(c) DA Form 3286.

(d) Other documents that support claim.

(3) Statement from person that he or she consents to the correction of term of enlistment shown on the DD Form 4.

b. If the change to term of enlistment or other contract issues are a result of a DA directive, provide any and all correspondence or messages that apply. The CG, HRC (AHRC-EPF-P) must determine whether an error has been made in the term of enlistment shown on the DD Form 4 (for example, term of enlistment may be other than that intended by both the member and the Army). If so, DD Form 4 will not be amended by "pen and ink" correction. Instead, a memorandum will be added to the member's file reflecting the correct term. The CG, HRC will make a decision on all cases where Soldiers allege an error occurred. Questionable cases may be forwarded to HQDA, DCS, G-1 (DAPE-MPA) for determination.

(1) Every effort will be made to correct the error upon approval by the appropriate authority. ( For example, individual was enlisted at grade E-1 but provides bachelor's degree; current commander has the authority to promote to SPC under chapter 2 of this regulation and adjust date of rank to date of enlistment if degree was earned prior to BASD. Document must be provided within 6 months of BASD). Cite policy and forward to finance office for action.

(2) Questions regarding a Soldier's status or how to correct any of the following can be addressed by contacting DCS, G-1 (DAPE-MPA):

(a) Rank.

(b) Incentive.

(c) Term of enlistment.

(d) Enlistment option.

(e) ACASP.

c. Claims from personnel at reception battalions will be referred to the USAREC liaison NCO for resolution. (Claims for personnel in training or for Soldiers who have completed formal training will be processed by the installation personnel in accordance with paragraph 8-6a through d.)

d. The USAREC Liaison NCO will provide assistance to accomplish the following:

- (1) Obtain and review documents in support of the claim.
- (2) Generate a memorandum to correct the error. Forward memorandum to reception battalion commander or his/her designated representative for approval (forward questionable cases to DCS, G-1 (DAPE-MPA) for resolution).
- (3) A copy of the memorandum reflecting the correction(s) will be placed in the Soldier's records next to the DD Form 4 series.
  - e. Under no circumstances will a contract be amended when a Soldier objects or claims entries are correct until appropriate resolution or inquiry is completed. *Note.* DD Form 4 will be maintained in its original state should it ever be needed in a legal proceeding.

### **8-7. Correction of enlistment grade**

Correction of enlistment grade, after enlistment documents have been executed, is to be accomplished by a promotion or reduction action. Enlistment documents will not be altered to reflect the different grade. Comply with appropriate provisions of AR 600-8-19. Assistance in establishing an individual's eligibility for a different grade based on enlistment contract and supporting documents may be requested from the DCS, G-1 (DAPE-MPA). Requests must include copies of substantiating documents or statements. The service member will be advised of the right to apply to the ABCMR, if required. The ABCMR, acting for the Secretary of the Army (10 USC 1552), is the authority for correcting (backdating) the effective date when a conflict exists. AR 600-8-19 provides procedures under paragraph 1-13 for retroactive effective date as well as procedures for receipt of back pay.

### **8-8. Extension of term of enlistment**

Extension to term of enlistment is authorized. If term is to be lengthened, a DA Form 1695 (Oath of Extension of Enlistment) must be administered for payment of an incentive. Extension document will be evidence of eligibility if all other documents support a bonus. Distribute DA Form 1695 as follows:

- a. Original to Commander, U.S. Army Enlisted Records and Evaluation Center, ATTN: PCRE-FR-RR, Fort Benjamin Harrison, IN 46249.
- b. Copy to ERB.
- c. Copy to personnel finance record folder.
- d. Copy to the USAREC liaison NCO.
- e. Copy to the Soldier.

### **8-9. The U.S. Army Recruiting Command liaison noncommissioned officer role for processing Regular Army/Army Reserve Soldiers in the reception battalion**

The primary mission of the USAREC liaison NCO is to save enlistments that might be endangered as a result of breaches or administrative error in the enlistment process/contract. The USAREC liaison NCO will renegotiate erroneous, defective, or unfulfilled enlistment contracts, per USAREC instructions.

- a. USAREC liaison NCOs will process RA/AR problems at the reception battalion only.
- b. USAREC liaison NCOs will provide technical assistance when requested.
- c. Upon departure from the reception battalion, processing becomes the responsibility of TRADOC RA/AR liaison NCO who will handle cases according to guidance issued by HQ, TRADOC.
- d. A TRADOC liaison NCO is required to report any recruiting errors or contractual problems not previously detected by the USAREC liaison NCO to the recruiting battalion and to HQ, USAREC for action.

## **Chapter 9 Enlistment Programs/Options**

### **Section I Basic Eligibility Criteria**

#### **9-1. General**

- a. Enlistment programs/options are designed to merge valid Army requirements with personal desires. To best serve these two purposes, recruiting personnel must ensure that—
  - (1) Persons applying for specific options are informed of—
    - (a) The precise nature of commitment.
    - (b) The extent to which specific options will satisfy applicant's personal desires.
  - (2) Persons accepted for specific options possess prescribed prerequisites to meet performance standards of the Army.
- b. This chapter provides the general description of all authorized enlistment programs and options. For RA,

statements for enlistment will be entered in DA Form 3286. Applicants enlisting in the AR will acknowledge service requirements based on options and enlistment statements in DA Forms 4824, 4826, 5585, or 5586.

(1) Enlistment Incentives Review Board (EIRB) for both the RA and AR, chaired by DCS, G-1, will meet quarterly to analyze and adjust the application and amounts of enlistment incentives in order to meet manpower requirements and recruiting objectives.

(2) The RA EIRB will have representatives from USAREC, HRC, and DAPE-PR present.

(3) The USAR EIRB will also include representatives from the USARC/CAR in addition to USAREC, HRC and DAPE-PR.

## **9-2. Qualifications**

All applicants must be qualified for enlistment under basic eligibility criteria established in this regulation and the following:

- a. AR 40-501.
- b. DA Pam 611-21.
- c. Current HQDA messages for RA and the approved Selected Reserve Incentives Program (SRIP) for RC programs.

## **9-3. Honoring enlistment commitments**

Every effort will be made to honor all promises made at time of enlistment or reenlistment. To meet commitments, recruiting personnel will—

- a. Comply with specific option procedures.
- b. Promise only what is authorized.
- c. Follow procedures to report and assign persons enlisted for an option.
- d. Detect errors promptly so that the person may be assigned under his or her enlistment commitment.

## **9-4. Counseling on waivers affecting options**

Applicants who receive a waiver for enlistment will be advised of the following:

a. Applicants who require waivers under chapter 4 for limitations that may apply to their selection of enlistment options will be specifically counseled. Options that require security clearance may require that persons have no record of civil offenses or records reflecting adversely on the person's character. Applicants for such options will be advised that their final eligibility cannot be determined until after their enlistment.

b. Applicants will be advised that waiver of disqualification does not imply an eventual favorable decision on option eligibility. If applicant elects such an option after counseling, advise him or her that the Army may void the option if he or she is later determined to be ineligible. The person then may be required to complete the term of service for which he or she enlisted. Further advise the applicant that omissions of any information he or she was required to disclose, including expunged records, may later be a basis for an unfavorable decision on option eligibility.

c. Applicants will be advised that most options have other conditions that cannot be determined until after the person enlists. If these conditions are not met, the Army may void the option without giving rise to a claim of unfulfilled enlistment commitment or erroneous enlistment. The "Information for Applicants" section of each option requires that such information be explained to all applicants prior to enlistment.

## **9-5. Selection of an additional option (for Regular Army only)**

Qualified applicants who enlist for options given in this chapter may select other options in connection with the chosen primary option. If the chosen option combinations are to be effective, requirements for each option must be met satisfactorily. Failure to qualify for one of the options, however, does not void remaining options if applicant remains qualified for the other option.

## **9-6. Incentives and entitlements for Selected Reserve Service**

Qualified applicants who enlist for the USAR or ARNG may be entitled to one or more of the following incentives or entitlements prescribed by chapter 10, this regulation:

- a. SRIP NPS enlistment bonus.
- b. SRIP PS enlistment bonus.
- c. Student Loan Repayment Program.
- d. Health Professionals Loan Repayment Program.
- e. Montgomery GI Bill for Selected Reserve service (10 USC 16131).
- f. Montgomery GI Bill 2x4 Program (38 USC 3012).
- g. Montgomery GI Bill for Active Duty service (re: AGR entitlements) (38 USC 3015).
- h. Eligibility criteria for these incentives or entitlements and processing procedures are prescribed in Chapter 10.

*Note:* The SRIP reenlistment bonus and the SRIP affiliation bonuses are described in AR 601-280 (Retention). RC

SLRP and MGIB that are described in AR 601–280 for retention related options and full procedures and eligibility are described in AR 621–202.

Also, one of the following may occur: training selected may be discontinued before attendance; Soldier later may become medically disqualified for training selected; or Soldier may fail to receive required security clearance (not because of data withheld at time of enlistment). If any one of these events occurs, the Soldier will be given the chance to select related training or any other training for which qualified and a training requirement (quota) exists. An alternate selection will be honored. Soldier will be required to complete the term of service for which enlisted. If Soldier does not desire alternate training, the soldier may initiate a request for unfulfilled enlistment commitment according to AR 600–8–10 and AR 635–200.

Further, no guarantee that the Soldier will or will not be assigned to an overseas location is made. Recruiters and guidance counselors cannot make speculations or verbal commitments with regard to any provisions of this program.
  - (5) Advised that if relieved from training for academic deficiency, disciplinary reasons, or failure to receive required security clearance because of information withheld by applicant at time of enlistment, then the Soldier will be assigned, according to the needs of the Army, and required to complete the term of service for which enlisted.

    - (b) DA makes every effort to use language-qualified personnel. Language school graduates may be assigned duties in an appropriate country or area, or be given training in another MOS based on the needs of the Army before first duty assignment.
    - (c) For persons who possess proficiency in the language for which enlisting, the course length may be reduced by authority of the Director, Defense Language Institute. If a score of at least 21 is not obtained on the ASVAB retest, with at least one qualifying aptitude area score, the Soldier will be assigned an MOS and enlistment programs based upon their initial ASVAB scores.

(e) If neither the ASVAB retest nor the initial ASVAB scores qualifies the Soldier an MOS and enlistment program(s), then the Soldier will be separated from the Army.

(f) If the Soldier fails to attain the required score of 75 or better on the ECLT, then he or she will be separated from the Army regardless of AFQT and aptitude area scores. English Language Comprehension Enlistment Option (ECEO) is open to all applicants who do not speak or write the English language proficiently. The ECEO will allow applicants, who do not possess basic English proficiency skills, to enlist in the RA unassigned and attend an ELTP. Upon completion of the ECEO program, Soldiers will be administered the ECLT. Soldiers scoring 75 or greater will be required to take the ASVAB and score a 21 or greater AFQT to qualify for a MOS according to appropriate aptitude area scores.

Enlistees for COHORT, however, will be assigned to the unit (division) for which enlisting. No guarantee of specific company, battalion, or brigade is implied.

(c) Because COHORT units have rotation to overseas areas and units that are located in overseas areas have additional inter-theater rotations, applicants will meet the overseas tour length requirement for the area in order to have a with dependents tour. This sometimes requires an extension of the enlistment period to meet the requirements of AR 614-30. This requirement includes Alaska and Hawaii.

(9) Applicants enlisting under the United States Army Buddy Team Enlistment Option will be guaranteed—

(a) To start training and complete training at the same unit provided all prerequisites are met.

If discharged for the convenience of the Government, the following minimum time must have been served: 20 months for 2-year enlistees and 30 months for all other terms (3 years or longer). Although an individual who separates early for certain qualifying reasons may earn partial (for example, hardship or disability) or even full MGIB (for example, in instance of convenience of the Government discharge with 20/30 month rule). The ACF is earned on a prorated basis for up to 36 months. Individuals who contract for the ACF for 3 or more enlistments who do not complete at least 36 months, but who may be eligible for partial or even full "basic" MGIB, will have a reduced/prorated ACF.

(b) ACF participants must enroll in the basic MGIB. Applicants will have \$100/month reduced from their pay during their first year on active duty. Once a decision to enroll in the MGIB has been made, this decision cannot be withdrawn, the monthly pay deduction cannot be stopped (until \$1200 has been collected) and the deductions are nonrefundable.

Ford Direct Loan Program), or any loan under part E of such act (Perkins Loan (Formerly the National Direct Student Loan)) before enlistment into the RA.

(c) Provided the applicant meets and maintains the prescribed prerequisites and has qualifying loans in good standing, enlistment for the LRP ensures that the portion or amount of loan that may be repaid is \$1500 or one-third of the amount of the qualifying loans, whichever is greater for every year of service. The Army does not pay interest or fees or reimburse Soldiers for payments already made on loans.

(d) Repayment is made only after each successful year of active duty performed commencing on the date of RA enlistment.

(e) The Soldier must be advised that repayment amounts paid by the Government are subject to Federal and State income taxes as taxable income each year that payment is made.

(f) Soldiers must remain qualified and in the incentive MOS for the duration of the initial enlistment, unless otherwise directed by HQDA. Change of MOS because of normal career progression is authorized.

- b. *Prerequisites.* All enlistees must meet the prerequisites before and after enlistment in AR 145–1.
- c. *ROTC/SMP.* Is a voluntary Officer Training program that requires USAR enlisted status for eligibility.
- d. *Limitations.*
  - (1) *Longevity credit.* In computing length of service for any purpose, an officer appointed through the ROTC Advanced Course may not be credited with enlisted service for the period covered by his or her training in the ROTC Basic/Advanced Course (MS II/MS III/MS IV) (10 USC 2106(c)). This includes service performed as a CDT under the ROTC/SMP.
  - (2) *ROTC scholarship recipients.* Except for recipients of the Reserve Forces Duty Scholarship Program who are required to participate in the ROTC/SMP, CDTs receiving financial assistance under the Army ROTC scholarship program are not eligible to participate in the ROTC/SMP. A CDT in the ROTC/SMP may apply for an ROTC scholarship; however, the CDT will be transferred from the TPU to Control Group (ROTC) prior to acceptance of such scholarship, except as stipulated.
  - (3) *Maximum participants.* The total number of ROTC/SMP participants assigned to an RRC at any one time, will not exceed 4 percent of the authorized total (officer and enlisted) strength of the command. CDTs assigned to one TPU may be attached to another TPU located close to an ROTC detachment. However, the total number of CDTs drilling with any one TPU may not exceed three per commissioned officer supervisor.
  - (4) *Basis for direct enlistment or selection for assignment to officer-trainee positions.* A Soldier may be enlisted as a potential participant, or a CDT may be selected as a participant, for assignment to an officer-trainee position in a TPU on the basis of three officer trainee positions for each assigned officer in an authorized position. The Soldier, or CDT, will be assigned as over-strength against that officer position. Soldiers will be assigned to position 9991 on the UMR as officer candidates and not against specific paragraph/line positions.
  - (5) *Priority for direct enlistment or selection for assignment to officer-trainee positions.* The number of Soldiers or CDTs applying to participate in the ROTC/SMP with a given TPU may exceed the number of officer-trainee spaces available. Should this occur, the specific order of priority below will be used for selection.

(a) First priority is for a current USAR TPU Soldier not enrolled in the ROTC Basic/Advanced Course (MS II/MS III/MS IV); however, the applicant must be eligible for enrollment and must complete, or have completed, basic training.

(b) Second priority is for a Soldier assigned to a control group of the IRR, other than Control Group (ROTC). The applicant must be reassigned to the TPU, not currently enrolled but eligible for enrollment in the ROTC Basic/Advanced Course (MS II/MS III/MS IV), and must have completed basic training.

(c) Third priority is for the enlistment of a PS applicant. The applicant must be eligible for enrollment in the ROTC Basic/Advanced Course (MS II/MS III/MS IV).

(d) Fourth priority is for the enlistment of a NPS applicant who has completed 3 or 4 years of Junior ROTC and has been granted placement credit by the Professor of Military Science (PMS) for entry into MS II or MS III.

(e) Fifth priority is for the enlistment of a NPS or PS applicant who is not enrolled in the ROTC Basic/Advanced Course (MS II/MS III/MS IV), but has completed the ROTC basic camp.

(f) Sixth priority is for the enlistment of a NPS or PS applicant who is not enrolled in the ROTC Basic/Advanced Course (MS II/MS III/MS IV), but has completed MS I.

(g) Seventh priority is for the enlistment of a NPS applicant required to complete basic training to qualify for enrollment in the ROTC Basic/Advanced Course (MS II/MS III/MS IV).

(h) Eighth priority is for the reassignment of a CDT enrolled in the ROTC Basic/Advanced Course (MS II/MS III/MS IV) from Control Group (ROTC) to the USAR TPU.

(6) *Bonus incentives and loan repayment programs.*

(a) A NPS or PS applicant enlisted under Option 9–H is not eligible for a SRIP enlistment bonus or participation in the loan repayment programs (AR 601–210, chap 5).

(b) A Soldier reassigned from the IRR to a USAR TPU as a potential participant in the ROTC/SMP is not eligible for the SRIP affiliation bonus (AR 601–210, chap 5).

(c) A Soldier entitled to bonus payments, or loan repayments, will terminate such entitlement on enrollment in the ROTC Advanced Course (AR 601–210, chap 5).

(7) *Montgomery GI Bill entitlement.*

(a) Montgomery GI Bill for service on AD chapter 30, title 38, United States Code (38 USC 3011). A Soldier entitled to educational assistance under the Montgomery BI Bill for service on AD (38 USC 3011) retains such entitlement on enrollment in the ROTC Basic/Advanced Course (MS II/MS III/MS IV) and participation in the ROTC/SMP.

(b) Montgomery GI Bill for Selected Reserve service Title 10, chapter 106 United States Code (10 USC 106).

1. A Soldier enlisted as a potential participant is entitled to enrollment in the Montgomery GI Bill if he/she completes, or has completed, IET and has been awarded an MOS, and meets the eligibility criteria of AR 601–210, chapter 5, and chapter 8, prior to enrollment in the ROTC Advanced Course (10 USC 1606). ROTC/SMP participants who have completed BT and have been coded as 09R are not eligible for USAR MGIB.

2. A Soldier currently entitled to educational assistance under the Montgomery GI Bill, will retain such entitlement on enrollment in the ROTC Basic/Advanced Course (MS II/MS III/MS IV) and retention in a TPU as a CDT participating in the ROTC/SMP.

3. A CDT reassigned from Control Group (ROTC) to a USAR TPU to participate in the ROTC/SMP is not eligible for Montgomery BI Bill entitlement.

(3) *Identification.* A potential participant will be identified by using reporting code 09R10 for the primary and duty MOS on enlistment documents (AR 611–201, para 7–4). TPU vacancy must be reserved on REQUEST as reporting code 09R20. The CG, ARPERCEN will report potential participants to the Office of the Secretary of Defense (OSD) through the Reserve Components Common Personnel Data System (RCCPDS) using Reserve Component Category (RCC) designators “S” or “U” as appropriate, and Training Retirement Category (TRC) designators “A” or “P”, as appropriate.

(4) *Pay.* A potential participant is paid in the pay grade and years of service (YDS) attained by Joint Uniform Military Pay System-Reserve Components (JUMPS–RC) under TRC “P” or “A”. Effective the date of enrollment in the ROTC Advanced Course, the Soldier’s rank is cadet (CDT) and he or she will be advanced to pay grade SGT (E5), for pay purposes while in the officer trainee position, if in a pay grade less than E5.

(5) *Duty.* A potential participant will perform duty in an MOS in which qualified. Or, if not MOS qualified, the Soldier will train in a duty MOS as determined by the TPU commander.

(6) *Satisfactory performance.* The Soldier serving as a potential participant is subject to the same standards for satisfactory performance as all other enlisted Soldiers assigned to the TPU.

(7) *Status on mobilization or call to AD.* The potential participant is an assigned enlisted member of a Selected Reserve TPU. Therefore, the Soldier retains his or her current enlisted status and rank and is subject to the same orders as all other Soldiers assigned to the TPU in the event of a partial or full mobilization, or call to active duty by the President.

(8) *Failure to enroll in the ROTC Advanced Course.*

(a) *Soldier does not apply for enrollment.* A Soldier who enlists under Option 9–H, and does not apply for enrollment in the ROTC Advanced Course within 1 year following enlistment, will be dropped as a potential participant. The Soldier will be retained in a TPU in an enlisted status until completion of his or her contractual service obligation. If the Soldier has not previously completed IET and been awarded an MOS, or if the Soldier is not qualified for TPU duty MOS, then the Soldier must complete any required IET, or MOS qualification training.

(b) *Soldier is not accepted for enrollment.*

1. A Soldier who enlists under Option 9–H and is not accepted for enrollment in the ROTC Advanced Course within 1 year following enlistment, will at his or her request, either be discharged from the USAR (AR 135–178), or retained in a TPU in an enlisted status until completion of his or her contractual service obligation. If the Soldier requests retention and has not previously completed IET and been awarded an MOS, or if the Soldier is not qualified for a TPU duty MOS, then the Soldier must complete any required IET, or MOS qualification training.

2. A Soldier who enlisted under another USAR enlistment option, and subsequently was selected as a potential participant, must apply for enrollment in the ROTC Advanced Course within 1 year following selection. If the Soldier is not enrolled, or is not accepted for enrollment in the ROTC Advanced Course within 1 year following selection, the Soldier will be dropped as a potential participant. The Soldier will be retained in the USAR and continue to serve under the terms of the enlistment agreement or statutory MSO that existed prior to selection as a potential participant.

3. Policy applicable to a participating cadet (09R20). The following policy and procedures are applicable to a CDT enrolled in the ROTC Basic/LDAC (MS III/MS IV) and participating in the ROTC/SMP.

(9) *Participant*. A “participant” is a CDT enrolled in the ROTC Basic/LDAC (MS III/MS IV) who is simultaneously assigned to a TPU of the Selected Reserve as an officer-trainee.

(10) *RC status*. The rank of an ROTC/SMP participant is cadet (CDT) (AR 600–20). While enrolled in the ROTC Basic/Advanced Course (MS III/MS IV), a participant will wear the insignia of an ROTC CDT, and orders issued for any purpose will cite the participant’s rank as CDT. Note: A CDT is not a noncommissioned officer (NCO) or member of the Noncommissioned Officer Corps and therefore is not authorized to wear the insignia of an NCO. A lateral appointment from CDT to a NCO rank is not authorized while the CDT is enrolled in the ROTC Basic/Advanced Course (MS III/MS IV).

(11) *Identification*. A CDT participating in the ROTC/SMP will be identified by using reporting code 09R20 as the primary and duty MOS on personnel records and data systems (DA Pam 611–21), HRC–St Louis, reports ROTC/SMP participants to the Office of the Secretary of Defense (OSD) through the Reserve Components Common Personnel Data System (RCCPDS) using RCC designator “U” and TRC designator “T”. CDTs will be assigned to position 9991 on a TPU UMR and not to a specific paragraph and line.

(12) *Pay*. A CDT is paid in the pay grade and years of service (YOS) attained, but not less than pay grade E5 (para 10–6d), by Joint Uniform Military Pay System-Reserve Components (JUMPS–RC) under TRC “T”. While participating as a CDT in the ROTC/SMP until the date of commissioning, adjustments to pay will include basic pay table increases, basic allowance for subsistence (BAS), basic allowance for quarters (BAS), and drill pay based on YOS and longevity for creditable service in the computation of base pay. The subsistence allowance entitled a CDT enrolled in the ROTC Basic/Advanced Course (MS III/MS IV) is not affected by the CDT’s participation in the ROTC/SMP.

(13) *Duty*. A CDT is an officer trainee and will be assigned duties commensurate with the grade of second lieutenant, but such duties will be performed under the close supervision of a commissioned officer.

(14) *Satisfactory performance*. A CDT participating in the ROTC/SMP is subject to the same standards for satisfactory performance and participation as all contractually obligated officers and enlisted Soldiers assigned to the TPU. Failure to meet these performance and participation standards may result in cancellation of the ROTC/SMP agreement (DA Form 4824–R) and reassignment from the TPU to Control Group (ROTC), or disenrollment from the ROTC Basic/Advanced Course (MS III/MS IV).

(15) *Status on mobilization or call to AD*. On a partial or full mobilization, by a declaration of war or national emergency by Congress, or call to AD of the Selected Reserve by the President under emergency powers, a CDT (officer-trainee) will be treated as an officer or potential officer. The CDT may be commissioned immediately or be provided further precommissioning training as determined by the Secretary of the Army. A CDT, after commissioning, may be mobilized or called to AD with their assigned TPU to fill officer unit vacancies at the time of mobilization or call to AD but is not eligible for deployment until completion of their Officer Basic Course (OBC) branch training. An assigned or attached CDT does not effect the mobilization readiness condition of the TPU and therefore, will not be included in the TPU’s readiness reporting. Unless disenrolled from the ROTC Advanced Course per AR 145–1, a cadet will not be mobilized, called, or ordered to AD in an enlisted grade or rank.

(16) *Annual training*. CDTs will be excused on their request from annual training (AT) during the year they are required to attend ROTC Leader Development and Assessment Course (LDAC). They will not be required to attend both unless they choose to do so, but they must attend LDAC. However, should the CDT be commissioned, or disenrolled from ROTC, and remain assigned to a TPU, the AT requirement must be adhered to. The awarding of credit for AT by virtue of any form of ROTC training is not authorized.

(17) *Failure to complete ROTC LDAC*. A CDT, who is disenrolled from ROTC Basic/LDAC (MS III/MS IV), will be dropped from the ROTC/SMP. If otherwise qualified, he or she will be retained in the TPU until completion of the Soldier’s contractual or statutory service obligation. Immediate adjustment to rank and pay grade will be made per AR 600–8–19, and the Soldier must complete required IADT if not previously completed.

(18) *Cadet troop leader training (CTLT)*. A CDT participating in the ROTC/SMP is not eligible to participate in the ROTC CTLT (formerly the Army Orientation Training (AOT) Program).

(19) *Evaluation reporting*. A U.S. Army Officer Evaluation Report (OER) (DA Form 67–8), or a Noncommissioned Officer Evaluation Report (NCOER) (DA Form 2166–7); will not be initiated for an ROTC/SMP CDT.

The agreement will be prepared with an original, and three copies, and distributed as follows:

(a) The original, together with a cover memorandum requesting it be filed in the Soldier's official military personnel file (OMPF), will be sent to: CDR, Human Resources Command-STL, ATTN: DARP-PRD-M, 9700 Page Boulevard, St. Louis, MO 63132-5200.

(b) A copy will be attached as an addendum to the Soldier's current DA Form 3540 series and retained in the Soldier's military personnel records jacket (MPRJ).

(c) A copy will be provided to the Soldier.

(d) A copy will be provided to the appropriate ARCOM/GOCOM.

(2) A Soldier assigned to a TPU becomes a participant in ROTC/SMP when he or she enrolls in the ROTC Basic/Advanced Course (MS III/MS IV) and remains assigned to a TPU in an officer-trainee position. If not previously accomplished, the CDT must execute the Simultaneous Membership Agreement (DA Form 4824-R). The Agreement will be distributed in the same manner as paragraph *a*, above.

(3) When a Soldier assigned to a TPU applies for enrollment in the ROTC Basic/Advanced Course (MS III/MS IV) to participate in the ROTC/SMP, the TPU commander will provide the appropriate PMS with a reproduced copy of the Soldier's current enlistment agreement (DD Form 4 series).

*l. Processing a Soldier assigned to the IRR (second priority).*

(1) When a Soldier assigned to an IRR control group desires to become a participant or potential participant in the ROTC/SMP and has been accepted by the TPU commander for an officer-trainee position, the Soldier will be processed for reassignment from the IRR to the TPU per AR 140-10. If the Soldier is within 3 months of ETS, they will be processed for an immediate reenlistment per AR 140-111, table 2-3, concurrent with the TPU assignment.

(3) The guidance counselor will review the documents to determine the CDT's qualification for unit assignment in the same way as if the CDT was being processed for enlistment.

(a) If the CDT meets the basic eligibility requirements of chapter 3. Applicant must take the ASVAB and meet trainability scores in 3-5. The guidance counselor will notify the PMS and reassignment processing will continue.

(b) If the CDT does not meet the requirements of chapter 2 or 3, the counselor will return the packet to the PMS. The PMS will have the reassignment order issued by the ROTC Region commander revoked and advise the CDT that he or she is not eligible for participation in the ROTC/SMP

## **Chapter 10**

### **Selected Reserve Incentive Program (SRIP)**

#### **10–1. General**

The SRIP is approved annually by the Assistant Secretary of the Army for Manpower and Reserve Affairs (ASA, M&RA). SRIP programs are subject to legal and DOD implications. As such, Army G–1 (DAPE–MPA–CB) will manage the program to ensure compliance with established standards.

a. Selection for incentive coverage is based on critical skill reviews performed under DCS, G–1 guidance. Changes to skills (additions or deletions) are published by HQDA, DCS, G–1. (DAPE–MPA).

(1) Deputy Chief of Staff (DCS), G–1 will conduct a midyear review and analysis to evaluate changes for recommendation to ASA (M&RA) as appropriate.

(a) CAR (USARC) will review the critical skills for the enlistment and reenlistment/extension incentives for the USAR.

(b) Human Resources Command–St. Louis (HRC–STL) will review the critical skills for the IRR incentives for the USAR.

(c) NGB will review the critical skills for the enlistment, and reenlistment/extension incentives for the ARNGUS.

(2) The incentive skill list will be updated by HQDA, DCS, G–1 (DAPE–MPA) and reviewed by the (ASA (M&RA)) annually before the start of each fiscal year (FY).

b. Incentives will be used to support early deploying units, critical skill shortages, and shortages in the IRR. HQDA, DCS, G–1, will announce the effective date of program adjustments.

(1) Unit mission changes may necessitate changes in a unit's eligibility for incentives.

(2) Dual mission units that fall in multiple priority groups may receive incentives based on the highest category assigned.

(3) The affiliation bonus is potentially available to any unit and skill in the ARNGUS and USAR.

## **10-2. Program responsibilities**

(4) Evaluate the effectiveness of the incentive program as an enlistment incentive for the USAR.

(5) Supervise the operation of the incentive program pertaining to enlistment in the USAR.

### 10-3. Policies and Procedures

*a. Personnel status for incentives.* Incentives prescribed by this regulation may specify that an applicant be in a NPS, PS, or in-service status. They may also mandate the completion of specified IET. To ensure compliance with public law and DOD directives that have been incorporated into this regulation, these terms have been defined in the glossary. This regulation takes precedence when definitions conflict with other directives.

*b. Authorized number of participants.* The number of participants, who may receive an incentive, at any one time, will be contingent upon the level of funding available in any given FY and DOD guidance provided.

*c. Retroactive provision.* This regulation updates certain provisions in effect from earlier FY's incentive programs. Soldiers who entered into agreements under an earlier incentive program will continue to participate in that program. This regulation does not change the basic benefits contracted for under earlier incentive programs. Total incentive amounts and anniversary payment schedules specified in the incentive agreement and executed at the time of enlistment, extension, or affiliation is unchanged. An incentive agreement cannot exceed the limits of the law or authorized limits of the SA. Retroactive entitlement or reinstatement based on the revised or amended policy contained in this regulation is not authorized.

*d. Position vacancy requirements.*

(1) Selective Reserve (SELRES) incentives are offered to designated units and selected skills only when a valid position vacancy exists. Valid position vacancies are either current or projected from the unit's organization tables. These tables include—

(a) Tables of Organization and Equipment (TOE).

(b) Tables of Distribution and Allowances (TDA).

(c) Modification Table of Organization and Equipment (MTOE).

(d) Modification Table of Distribution and Allowances (MTDA).

(2) Valid position vacancies may also be either current or projected from a unit's approved wartime required shortage list. For the purpose of this regulation, the term "wartime required shortage" is used instead of the term authorized "over strength" referenced in other Army publications. The authorizations approved are based on component wartime required shortages.

*e. Educational requirements.* The enlistment bonus, MGIB "kickers" and the SLRP may be granted to a Soldier who meet the required eligibility criteria and who has the credentials of a secondary school graduate (see glossary term for education levels).

(1) Soldiers who elect the enlistment bonus, education, or the SLRP incentives and are attending school at the time of enlistment must have the credentials of a secondary school graduate within the timeframe shown in (a) or (b), below:

(a) Alternate Training Program enlistment option: prior to entry on the second phase (Phase II) of IADT (see chap 5 this regulation).

(b) Other than Alternate Training Program enlistment option: prior to entry on IADT (see chap 5 of this regulation).

(2) Soldiers who do not have the credentials of a secondary school graduate within the established timeframe will be subject to termination of the enlistment bonus, education incentive or SLRP.

*f. Personnel movement between ARNGUS and USAR.* A Soldier's eligibility for continued bonus and/or loan repayment incentives when transferring between the ARNGUS and Army Reserve is prescribed later in this chapter beginning at paragraph *k* and subsequent paragraphs.

*g. Personnel gains from other U.S. Armed Forces.* Applicants for ARNGUS or USAR enlistment, who are currently SELRES members of other Armed Services, should be counseled before enlistment processing. They should note that eligibility for an incentive authorized by other U. S. Armed Forces will not be continued after enlistment in the ARNGUS or USAR.

*h. Obligation.* Eligibility for any incentive governed by this regulation requires that an enlisted Soldier must enter into a contractual obligation. The Soldier must serve satisfactorily for the full term of service specified for an incentive program.

*i. Required documents.*

(1) Applicants for programs administered by this regulation will be required to sign documents that specify the eligibility criteria and the term of service for the incentive. Furthermore, the document will contain an acknowledgment that the applicant has been advised of, and understands, the benefits of the program and the conditions that can cause termination and recoupment. These documents must be authenticated by a proper witnessing official and will include the preparation date.

(2) Each incentive program in this regulation specifies the document(s) required for program eligibility.

(3) Distribution of these documents or forms will be per the instructions contained on the forms or as otherwise specified in the appropriate text.

*j. Processing instructions.*

(1) The appropriate incentive addendum must be completed and a copy made a permanent part of each enlistment, or affiliation packet.

(2) This must be done prior to distribution per the regulatory requirements.

*k. Incentive payments.*

(1) All incentive payments are subject to Federal and State tax. However, payments made directly to financial institutions (Student Loan Repayment Program (SLRP) and the Health Professional Loan Repayment (HPLR) do not have amounts withheld for tax. SLRP or HPLR incentives should consider additional withholding from other income to compensate for the absence of tax withholding.

(2) Payment of incentives is not immediate under these programs. Payment processing and verification of eligibility is required before payment is made.

*l. Continued receipt of incentives.* A Soldier may be eligible for continued receipt of incentives under the following conditions:

(1) For normal career progression (DA Pam 611–21).

(2) When involuntary transfer between Army RC is due to unit transition per this regulation.

(3) When the transfer is at the convenience of the government and authorized by the CNGB or CAR, the Soldier must become MOS qualified in the new skill within 24 months or incentives will be terminated.

(4) Involuntarily transferred Army Civilian Acquired Skills Program (ACASP) Soldiers will continue to receive payments as scheduled.

(5) Military personnel returning within the authorized period of nonavailability may resume receipt of incentives provided their specialty skill is authorized when they return and an authorized unit vacancy and funding is available. The Soldier must also agree to extend their contractual obligation for the length of time they were in a nonavailable status.

(6) Mobilized RC Soldiers will be allowed to retain all Selected Reserve Incentive Program (SRIP) incentives which they had qualified to receive prior to mobilization, regardless of position and MOS assigned to fill during mobilization. Following mobilization, the Soldier must either return to the original contracted SELRES MOS and position or another bonus MOS and position annotated on the current SRIP at the time of Release from Active Duty (REFRAD) and return to SELRES duty to be able to continue to receive any remaining incentive payments.

(7) During a period of suspension of favorable personnel actions, receipt of incentives is suspended.

(8) When the suspension has been favorably lifted, continued receipt of incentives is authorized.

*m. Continued receipt of the SLRP on transfer from the USAR to the ARNGUS.*

(1) A USAR soldier eligible for loan repayment at the critical MOS higher designated amount will terminate entitlement under the SLRP on transfer to the ARNGUS. However, if the transfer is based on unit transition as prescribed in paragraph *o* below in circumstances not requiring termination, or otherwise authorized by CNGB, the Soldier will retain entitlement under the SLRP but at the ARNGUS designated amount.

(2) A USAR Soldier eligible for loan repayment at the same designated amount as the ARNGUS will terminate entitlement under the SLRP on transfer to the ARNGUS, unless the transfer is based on unit transition as prescribed in paragraph *o* below in circumstances not requiring termination, or otherwise authorized by CNGB.

*n. Continued receipt of the SLRP on transfer from ARNGUS to the USAR.*

(1) An ARNGUS Soldier eligible for loan repayment at the same designated amount as the USAR will retain eligibility on transfer to the USAR. This is provided the Soldier continues to serve in the contracted MOS, or the transfer is based on unit transition (see para *o*) in circumstances not requiring termination, or otherwise authorized by the CAR.

(2) An ARNGUS Soldier eligible for loan repayment, who is transferred to a USAR critical MOS (higher designated amount position), will retain SLRP eligibility at the ARNGUS designated amount. This is provided the transfer is based on unit transition in circumstances not requiring termination, or otherwise authorized by the CAR.

(3) A Soldier does not gain incentive eligibility simply because of a transfer from one RC to another who is offering an incentive. The transfer process does not represent a release from active duty (REFRAD), enlistment, affiliation, reenlistment, or extension requirement for incentive eligibility.

(4) A Soldier may be eligible for entitlement under the Montgomery GI Bill-SELRES with continued eligibility to a SRIP incentive.

*o. Status of incentives on unit transition.*

(1) *Purpose.* This paragraph provides guidelines for the disposition of incentives paid or pending payment to SELRES unit Soldiers. For ease of reading and simplicity, reduction of over strength, reduction in force and relocation or inactivation of a unit shall be referred to as unit transition. Unit transition occurs when a Soldier is voluntarily or involuntarily transferred or reassigned within, or between the ARNGUS and the USAR. Relocation refers to a Soldier's unit of assignment moving to a site that is beyond commuting distance. For the purpose of this regulation, commuting distance is defined as the maximum distance a member of a Reserve Component may be required to travel involuntarily between residence and inactive duty for training (IDT) site.

(2) *That distance may be—*

(a) A 100-mile radius of the IDT site or a distance that may be traveled by an automobile under average conditions of traffic, weather, and roads in three hours. That applies only to those units that normally do four IDT sessions on two

consecutive days (Multiple Unit Training Assembly (MUTA 4) and where Government meals and quarters are provided at the unit IDT site.

(b) A 50-mile radius of the IDT site or a distance that may be traveled by an automobile under average conditions of traffic, weather, and roads in a 1½-hour period, where Government meals and quarters are not provided at the unit IDT site.

*p. Command responsibility.* Successful implementation and use of the procedures described herein is dependent on command coordination and responsibility.

(1) Incentives are used to induce individuals to contract for service in a specified MOS, area of concentration (AOC), or SELRES unit.

(2) When a unit is scheduled for transition, the command is responsible for retaining incentive recipients in the SELRES. If possible, in keeping with the terms of the Soldiers' contract, the Soldier should be reassigned or transferred to a position requiring their MOS, or AOC.

(3) Commands should ensure assignment or transfer of Soldiers to the IRR or inactive national guard (ING) occurs only when no ARNGUS/USAR units are within commuting distance.

*q. The status or disposition of an incentive that has been paid or is pending payment is predicated on the following:*

(1) A Soldier may continue to receive full incentive payment, if otherwise eligible, when the Soldier is transferred or reassigned to—

(a) Another SELRES unit of the ARNGUS/USAR. Assignment will be in a bonus MOS or AOC, or to a bonus-designated unit, where possible.

(b) Another unit of the ARNGUS/USAR outside of commuting distance. Assignment in a bonus MOS or AOC, or to a bonus-designated unit, is preferred, but not necessary. This is provided there are no assignments available in the Soldier's bonus MOS or AOC, or type unit within commuting distance.

(2) Transfer between RCs of the Army should be the priority and used instead of reassignment to the IRR or ING.

(a) As specified in 2 above, every effort should be made to retain Soldiers who have been contracted for an incentive in the SELRES. Assignment to other units within the same Reserve of the Army component should have priority. As a second priority, commanders must consider transfers between RCs of the Army instead of reassignment or transfer to the IRR or ING.

(b) The term transfer as used in this paragraph refers to the personnel actions necessary to affect the change in strength account ability between the ARNGUS and the USAR. Enlisted Soldiers require discharge and enlistment actions, while officers require appointment and Federal recognition actions.

(c) When an ARNGUS/USAR unit is in transition and the Soldier cannot be reassigned or utilized in another unit of the same component—

1. The USAR Soldier will be offered an opportunity to transfer to an ARNGUS unit if otherwise eligible and approved by the gaining ARNGUS command, prior to reassignment to the IRR.

2. The ARNGUS Soldier will be offered an opportunity to transfer to a USAR TPU if otherwise eligible and approved by the gaining USAR commander prior to discharge from the ARNGUS and transfer to the IRR or ING.

(3) For the Prior Service Enlistment Bonus.

(a) On transfer from the USAR to the ARNGUS. The entitlement of an USAR Soldier to receive subsequent incentive payments will continue upon enlistment in the ARNGUS provided the ARNGUS offers the same bonus. Recoupment of this bonus is not authorized.

(b) On transfer from the ARNGUS to the USAR. The entitlement of an ARNGUS Soldier to receive subsequent incentive payments will continue upon enlistment in the USAR provided the USAR offers the same bonus. Recoupment of this bonus is not authorized.

(4) Student Loan Repayment Program procedures: refer to AR 621–202.

*r. Suspension of incentives.*

(1) Recipients of an incentive will be suspended from the program during authorized periods of nonavailability due to (a) through (c), below. Incentive pay is *NOT* authorized for such periods of nonavailability.

(a) Approved transfer to the IRR or Standby Reserve per AR 135–91 (for example, missionary obligation) or transfer to the ING per NGR 614–1.

(b) Participation in other DOD approved programs.

(c) Approved transfer to the ING/IRR for cogent personal reasons.

(d) Suspension under (a) and (b,) above, will be for a maximum period of three years. Suspension under (c), above, is for up to one year. Nonavailability in excess of the maximum period authorized will be cause for termination of incentive eligibility.

(e) Except under extraordinary circumstances, only one suspension of nonavailability may be granted or imposed.

(f) Requests for suspension must be justified to the incentives manager in writing.

(g) In order to regain incentive eligibility see paragraph *n* this chapter.

(2) The suspension provisions in *a*, above are not applicable to recipients of the affiliation bonus since these Soldiers may not extend their statutory military service obligation (MSO).

(3) A Soldier who has a suspension of favorable personnel action initiated per AR 600–8–2 will not be processed for an initial or anniversary payment. Bonus payment(s) will be processed effective on the date the suspension is lifted for those Soldiers who have continued eligibility. This excludes suspension of favorable personnel actions for Army Physical Fitness Test (APFT) failure or failure to meet body fat standards. Repeat APFT failure or failure to meet body fat standard within a one-year period will result in the suspension of an incentive. Two consecutive APFT or body fat standard failures will result in the termination of an incentive.

(4) Soldiers affected by unit transition and required to change MOS/AOC but remain eligible for an incentive may receive subsequent payments before qualifying in the new specialty. The Soldier is required to become qualified in the new MOS/AOC within 24 months.

(5) When authorized, entitlement to subsequent payment will resume on the adjusted anniversary date of satisfactory creditable SELRES service.

*s. Reinstatement of incentives.*

(1) Reinstatement and resumption of subsequent incentive payments following a period of authorized nonavailability is not guaranteed. Soldiers who complete a period of nonavailability and request reinstatement of eligibility for incentives and resumption of subsequent payments must—

(a) Complete the period of authorized nonavailability within the required time limit established in paragraph m (d).

(b) Rejoin an existing vacancy in the SELRES authorized the Soldier's grade and specialty in a bonus-authorized unit, or a bonus authorized specialty.

(c) Extend their contract, enlistment, or reenlistment agreement, within 30 days after completing the period of nonavailability, in order to serve out the full incentive contract period in the SELRES. This is provided the unit reenlistment officials have access to the Soldier's MPRJ and are able to verify the Soldier's eligibility to extend.

(2) A Soldier who does not comply with all of the requirements in a above will be subject to termination of incentives with recoupment action required.

(3) A Soldier who complies with all requirements listed in a above will be entitled to payments resumed on the adjusted anniversary date of satisfactory creditable SELRES service provided funding is available.

*t. Termination of incentives.* Incentive eligibility will be stopped when any of the termination reasons as listed below apply and that member shall not be eligible to receive any further incentive payments, except for service performed before the termination date. Once declared ineligible, termination of an incentive will not affect a Soldier's responsibility to serve his or her current statutory or contractual service commitment. Termination of eligibility to an incentive will occur, if a Soldier—

(1) Becomes an unsatisfactory participant per AR 135–91. The termination date entered into the personnel data reporting systems must be the date the Soldier is declared an unsatisfactory participant.

(2) Is an enlisted Soldier attending high school at time of enlistment and does not become a secondary school graduate within the required time limit.

(3) Fails to become MOS qualified or certified in the health professional specialty for which contracting.

(4) Accepts a permanent military technician or AGR position where membership in the SELRES is a condition of employment and have served less than six months of the incentive contract term (temporary assignment as a military technician for a period of less than six months is excluded).

(5) Voluntarily moves to a nonbonus unit or MOS.

(6) Exceeds the maximum authorized period of nonavailability.

(7) Fails to extend the contracted term of service for an authorized period of nonavailability.

(8) Separates from a SELRES unit or the IRR of the USAR or ARNGUS for any reason. Separation includes, but is not limited to—

(a) Discharge, or transfer to the IRR (Except when a Soldier executes an immediate or indefinite reenlistment with concurrent assignment to the IRR per AR 140–111), ING, Standby, or Retired Reserve.

(b) Enlistment or appointment in the Active Army or in an Active or RC of another U.S. Armed Force.

(c) Voluntary entry or ordered to extended active duty (EAD) in the Active Army (AA) (accessed to the strength accountability of the active military service of the Army).

(9) Has received the maximum benefit authorized.

*u. Disposition of incentives for deceased members of the Army Reserve Components.* Disposition of incentives for deceased members of the Army RCs will be made as follows:

(1) Payment of incentives due will be made on determination of beneficiary eligibility of the decedent's incentives.

(2) Payment will only include those outstanding payments eligible to the Soldier at the time of his or her demise. Loan Repayment Program incentives will be prorated and paid directly to the lending institution.

*v. Recoupment of incentives.*

(1) With the exceptions of (a) through (c), below, recoupment conditions in this paragraph cover all incentives. When relief is not granted through the waiver process from incentives received, the member must refund a pro-rata amount to the Government when termination is due to reasons outlined in paragraph *ac*, except where prorated recoupment is not authorized.

- (a) The Specialized Training Assistance Program (STRAP) health professional stipend is recouped in total.
- (b) The Healthcare Professional Bonus (HPB) is recouped for the entire period of the year not served satisfactorily.
- (c) The SLRP and Health Professional Loan Repayment (HPLR) are normally not recouped because time is served prior to receipt of the incentive. However, when overpayment or payment in error is made, recoupment may occur when a waiver of indebtedness is not obtained.

(2) All debts to the U.S. Government will be submitted for collection from SELRES and Ready Reserve members. Delinquent repayment(s) will result in the collection of interest on the remaining balance per 10 USC 2005.

(a) The recoupment amount is based on the following formula: Basic Incentive Received multiplied by the Basic Obligated Months Not Completed divided by Total Obligated Months in a Contract (Example, 72 months is total obligated months in a six-year contract).

(b) Calculated overpayments to the Soldier will be recouped.

(c) Calculated underpayments will be paid to the Soldier.

(3) Commanders are responsible for initiating recoupment procedures whenever a member's eligibility to an incentive is terminated and recoupment is required. When a commander is not in the chain of command over the Soldier, the incentives program manager will initiate recoupment procedures.

(4) Any refund made by a Soldier under recoupment procedures will not affect that Soldier's period of obligation. A member in the ARNGUS or Army Reserve must serve the balance of the term of service entered into contractually or by statutory requirements.

(5) Commanders will not recoup for any of the following reasons:

(a) When the Soldier's unit is in transition per paragraph z. However, termination with recoupment action is required when a Soldier who loses his or her position due to unit transition per paragraph z refuses a reassignment in the SELRES.

(b) Acceptance of an immediate appointment as a commissioned officer or warrant officer in any component of the Army excluding the IRR or ING. An enlisted Soldier accepting an appointment as a commissioned officer or warrant officer is not subject to recoupment of any enlistment or reenlistment bonus.

(c) Becoming an assigned member of USAR Control Group ROTC for acceptance of an Active Army scholarship under 10 USC 2107.

(d) Death, injury, illness, or other impairment not the result of own misconduct.

(e) Ordered to EAD (voluntarily or involuntarily) and accessed in the Active Army end strength.

(f) Enters into an authorized period of nonavailability. Recoupment is authorized when a Soldier does not return from an authorized period of nonavailability within the time limit or fails to extend for the amount of time needed to complete the contractual military service obligation on return from an authorized period of nonavailability (paragraph aa(1)).

(g) Entry on AD in an AGR or EAD status.

(h) If a SELRES member is involuntarily separated during the current term of service for homosexual conduct, a basis for recoupment is constituted, unless a specific written finding made by an administrative board (or, in the case where the board is waived, by the separation authority) waives the basis for recoupment.

(6) When a waiver of indebtedness is obtained for erroneous payments received and the Soldier becomes eligible for the incentive through a reenlistment/extension option, the waiver amount will be subtracted from the contracted limit to prevent overpayment of the incentives maximum authorized limit.

*w. Army Reserve TPU bonus control numbers.*

(1) USAR TPU personnel will request a bonus control number from the appropriate Army Reserve Command (ARCOM) or USAR General Officer Command (GOCOM) headquarters prior to completion of the appropriate incentive program addendum, where it has been determined a Soldier's unit of assignment or primary specialty has been verified as bonus eligible on the current HQDA announcement. Information required prior to issuing a control number will include, as a minimum—

(a) Name.

(b) SSN.

(c) Unit of assignment and unit identification code (UIC).

(d) Primary MOS and duty MOS.

(e) Pay entry basic date (PEBD) and expiration of term of service (ETS) date.

(f) Height and weight.

(g) Date of contract, enlistment, affiliation, or reenlistment and the years of service.

(2) Each ARCOM/GOCOM will maintain a bonus control number log for that command. Authority to issue control numbers may be delegated no lower than ARCOM/GOCOM level.

(3) The bonus control number will be entered on the DD Form 4, Item 8b (Remarks), on the upper right hand corner of the appropriate enlistment/accesion documents, on finance documents and on the appropriate SRIP addendum.

*x. Reporting requirements.*

(1) Proper component directives will govern reporting requirements for subordinate elements of the ARNGUS, and the USAR.

(2) Soldiers participating in or terminated from an incentive program governed by this regulation will be reported. Use the appropriate incentive participant codes listed below in table 10–1.

The appropriate address to the ABCMR is listed on the DD Form 149. This board makes a determination as provided under law (10 USC 1552).

z. Incentive eligibility under the Army Reserve Drill Sergeant, Instructor or Linguist Program. A Soldier assigned to a drill sergeant (special qualifications identifier (SQI) "X"), instructor (SQI "H") or linguist (SQI "L" with Defense Language Proficiency Test (DLPT) "2" in reading and listening) duty position may be eligible for an incentive under the following conditions:

(1) Eligibility for a Soldier is—

(a) SQI X, SQI H or SQI L with DLPT 2 in reading and listening qualified and assigned to duty in a drill sergeant, instructor or linguist duty position. If otherwise eligible, the Soldier may enlist, reenlist, or affiliate for the Prior Service Enlistment Bonus, Reenlistment Bonus, Affiliation Bonus, or the Student Loan Repayment Program incentives. A match of the Soldier's MOS and the duty position MOS is not required.

(b) SQI X, SQI H or SQI L with DLPT 2 in reading and listening unqualified and assigned to a drill sergeant, instructor or linguist duty position.

1. The duty position MOS or unit is authorized an incentive and the Soldier is qualified in the MOS. If eligible, the Soldier may enlist, reenlist, or affiliate for the specified incentive. With the exception of the Prior Service Enlistment Bonus, a match of the Soldier's MOS and the duty position MOS is not required.

2. The unit is an incentive authorized unit and the duty position is not authorized for an incentive, or the Soldier's MOS does not match the duty position. Prior service enlistment incentive eligibility is terminated. Reenlistment, affiliation or SLRP incentive eligibility may continue, provided the Soldier agrees to successfully complete the Drill Sergeant, Instructor or Language Proficiency Service School and qualifies in SQI X, H or L with DLPT 2 within 24 months of assignment to the drill sergeant, instructor or linguist duty position. Reenlistment, affiliation, or SLRP incentive eligibility is continued and is not suspended pending SQI X, H or L with DLPT 2 qualification.

3. The unit is not an incentive authorized unit and the duty position is not authorized for an incentive, or the Soldier's MOS does not match the duty position. Prior service enlistment incentive eligibility is terminated. Reenlistment; affiliation; or SLRP incentive eligibility may continue, provided the Soldier agrees to successfully complete the Drill Sergeant, Instructor, or Language Proficiency Service School and qualifies in SQI X, H or L with DLPT 2 within 24 months of assignment to the drill sergeant, instructor, or linguist duty position.

aa. Reenlistment, affiliation or SLRP incentive eligibility is continued and is not suspended pending SQI X, H or L with DLPT 2 in reading and listening qualification

### **Terms**

#### **Applicant and enlistee**

An applicant applies voluntarily for enlistment in the RA or AR and is found eligible for further processing after completing and signing the DD Form 1966. An enlistee has enlisted in the DEP, RA, AR, or ARNG. An applicant becomes an enlistee after the Oath of Enlistment is taken and applicable portions of the DD Form 4 are signed.

#### **Area Commands**

Commands that include U.S. Army Europe, U.S. Army Pacific Command, U.S. Army Southern Command, U.S. Army Special Operations Command, U.S. Army Reserve Command, and U.S. Army Reserve Personnel Center.

#### **Army**

The regular Army, Army of the United States, Army National Guard of the United States, and the Army Reserve.

#### **Army Reserve**

A Federal force consisting of individual reinforcements and combat, combat support, support, and training type units. This force is organized and maintained to provide military training in peacetime and a reservoir of trained units and individual reservists to be ordered to AD in case of a national emergency.

#### **Careerist**

For RA, a member of the RA on his or her second or subsequent enlistment. Careerists are former members of other Regular Components who have completed an initial term of service and are enlisted and on AD in the RA. For the AR, a Selected Reserve member who has 6 or more years of satisfactory Federal service for Reserve retirement under 10 USC 1331 and who has reenlisted in the AR.

#### **Dependent**

For enlistment purposes, “dependent” provides a clear-cut rule that will prevent enlistment of persons who have family and financial responsibilities that would be difficult, if not impossible, to meet while they are members of a military service. This definition does not apply for purposes of pay and allowances, medical care, exchange privileges, and other benefits. To determine enlistment eligibility, dependent means—

- a.* Spouse. Does not include common law spouse unless the marriage has been recognized by a civil court.
- b.* Unmarried, natural, or adopted child. This applies to any unmarried, natural, or adopted child, under 18 years of age, of an applicant. "Natural child" includes any illegitimate child determined to be applicant's child by court order. Applicant's natural or adopted child is not a dependent if the child has been adopted by another person (final adoption court order or decree issued and effective) or custody has been transferred by court order (final court order issued and effective) and no monetary child support is required of the applicant.
- c.* Stepchild. Stepchild under 18 years of age living with the applicant.
- d.* Another supported person. Any other person who, in fact, depends on applicant for over one-half of his or her support.

#### **Defense Manpower Data Center**

Centralized system set up and managed by DOD to give all branches of the Armed Forces enlistment eligibility information on PS personnel.

#### **Enlistment**

Voluntary contract (DD Form 4) for military service establishing military status as an enlisted member of the RA, AR, or ARNG. This includes enlistment of both NPS and PS personnel. The latter group includes prior Army and RC personnel and any persons with PS in any other Armed Force of the United States.

#### **Enlistment categories**

Initial-term (RA): person serving an initial term of active service. (Persons who are on IADT only are not included in this category.) First-term (AR): person serving in first term of service in the AR. For statistical purposes, a first-term is defined as a member whose initial entry into the Armed Forces incurred a statutory obligation of 8 years and who has not, as yet, completed that obligation.

#### **Extended active duty**

AD performed by a member of the ARNGUS or AR when strength accountability passes from the ARNG or AR to the Regular Army.

**Expiration of term of service**

**Glossary nonprior service**

**Grade**

Refers to pay grade unless otherwise specified.

**Initial entry training**

The term encompasses the completion of basic training and specialty or branch qualification while serving on AD or ADT. For ARNGUS and AR soldiers it includes completion of IADT, the officer basic course (OBC), and the warrant officer basic course (WOBC).

**Major Army commands**

**Military service obligation**

Any part of such service that is not active duty or is active duty for training shall be performed in a Reserve Component. Each person covered by subsection (a) who is not a Reserve, and who is qualified, will, upon his or her release from active duty, be transferred to a Reserve Component of his or her armed force to complete the service required by 10 USC 651, subsection (a).
