RE: [REDACTED]  
ChristianFighterPilot.com

Dear Gen. Nolan:

You will recall that our office represents Mikey Weinstein and the Military Religious Freedom Foundation.

We have written in the past concerning [REDACTED] ChristianFighterPilot.com website.

For the sake of convenience, I am attaching a copy of my July 6 letter (with its enclosures).

Earlier this morning, it was called to my attention [REDACTED] amazingly, has made another posting concerning Staff Sgt. Justin Griffith (a Foundation client). A printed copy of that posting is attached.

Without repeating the long history of this again, this further posting today appears egregiously inappropriate.

We ask that you expeditiously investigate this new outrageous posting and that you swiftly evaluate what we believe to be the completely inappropriate nature of it, advising us as soon as possible of your conclusions.

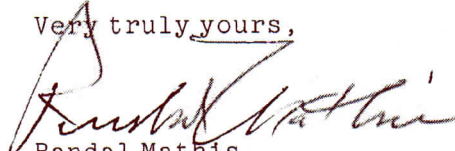

Honestly, is there not something, anything, at all that the Air Force can do to control this individual's clearly wrong behavior? He appears to be completely incorrigible. Doesn't that fact alone raise serious questions?

We look forward to hearing from you.
